The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**CONSENT TO ASSIGNMENT OF PARTNERSHIP INTEREST IN MARINA PACIFIC
ASSOCIATES, L.P.; APPROVAL OF REVISIONS TO THE PROPOSED AMENDED AND
RESTATED LEASE; AUTHORIZATION OF EXERCISE OF OPTION AS TO REVISED
AMENDED AND RESTATED LEASE; AND APPROVAL OF AGREEMENT REGARDING
ENCUMBRANCE OF LEASEHOLD ESTATE (PARCELS 111T / 112T - MARINA HARBOR
APARTMENTS AND ANCHORAGE) - MARINA DEL REY
(4TH DISTRICT)
(4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed Assignment of Partnership Interest, the Revisions to the proposed Amended and Restated Lease, and the Agreement Regarding Encumbrance of Leasehold Estate are categorically exempt under the California Environmental Quality Act pursuant to class 1(r) and 4(j) of the County's Environmental Document Reporting Procedures and Guidelines.
2. Approve and authorize the Chair of the Board to sign three copies of the Consent of County of Los Angeles to Assignment of Partnership Interest (Consent) in Marina Pacific Associates, L.P. from the existing general partners, CMR, Inc. and the Epstein Family Trust, to Marina GP, LLC as sole succeeding general partner.
3. Approve and authorize the Chair to execute three copies of the Agreement Regarding Encumbrance of Leasehold Estate (Encumbrance Agreement).
4. Approve Revisions (Revisions) to the proposed Amended and Restated Lease Agreement (Restated Lease) to modify provisions relating to lender protection

issues, lender cure of lease defaults, and leasehold operation and transfer after foreclosure.

5. Authorize exercise of the Option To Amend Lease Agreements (Option) based upon the Restated Lease with the Revisions, and authorize the Chair to execute the Restated Lease upon presentation by the Director.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On April 16, 2002, your Board approved the Option and prospective execution of the Restated Lease granting the lessee, Marina Pacific Associates, L.P. ("MPA"), a California limited partnership, a 39-year lease extension upon appropriate exercise of the Option for Parcels 111T and 112T to facilitate construction of 120 new apartments and phased renovation of 846 existing apartment units, construction of a new marina and a waterfront promenade, and other improvements (complete exterior and interior common area renovation and new building exterior facades, etc.). At that time, your Board approved the form and content of the Restated Lease that would be used upon MPA's exercise of the Option. MPA has now received all necessary entitlements and permits to begin construction and has negotiated financing for the project preparatory to the exercise of its Option for lease extension.

Reorganization of MPA

In order to facilitate its project financing and in anticipation of its exercise of the Option, MPA now seeks to restructure its organization by assignment of its existing general partner interests to a single newly constituted general partner. Specifically, MPA wishes to assign the general partner interests in MPA held by co-general partners CMR, Inc. and the Epstein Family Trust to Marina GP, LLC, a Delaware limited liability company ("MGP") as succeeding sole general partner. Accordingly, MPA is requesting the County's execution of the attached Consent (Exhibit 1). Although limited partnership interests in MPA are also being assigned concurrently, such actions do not require the County's consent under the existing lease.

The Department is requesting that your execution of the Consent be conditioned upon delivery by MPA and other appropriate parties of the attached executed Assignment of Partnership Interest in MPA and Acceptance of Assignment of Partnership Interest (Exhibit 2). A diagram has been attached that delineates the current structure of MPA (Exhibit 3) and a separate diagram has been attached that delineates the proposed resulting structure of MPA after the requested transfers of general partnership interest to MGP (Exhibit 4).

Marina del Rey leases provide that the County's consent is required for the proposed assignment of general partnership interests and that such consent may not be unreasonably withheld. Department policy provides that the County's approval or denial of any assignment will be based on one or more of the following: a) the financial condition of the assignee; b) the price to be paid for the leasehold as it relates to the improvements or potential development

thereon; and c) the management of the leasehold by the new lessee being in the best interest of the total Marina project.

Our review has found: 1) a reorganization of the general partnership interests in MPA is necessary to facilitate new financing and the resulting leasehold entity will emerge in appropriate financial condition to operate the leasehold and perform the construction and renovation obligations under the current and, later, the Restated Lease should the Option be exercised, such that the County's ongoing interests will be protected; 2) the proposed assignment does not involve a sale of the leasehold, but rather an internal reorganization of the lessee entity and there is, therefore, no price component involved in the proposed assignment; and 3) the leasehold will continue to be managed by the current managers, Marina Pacific Associates and E.S. Ring Management, who have been managing both parcels since January 30, 1978.

Revisions to Proposed Restated Lease

In connection with its proposed financing of the project, MPA has requested approval of certain revisions to the proposed Restated Lease, which you previously approved when you authorized entering into the Option on April 16, 2002. The revisions to the proposed Restated Lease have been requested primarily by the proposed construction lender in order to clarify, and in some cases enhance, the protections afforded an approved encumbrance holder under the lease. Some of the provisions do result in provision of longer cure periods and the cut-off of some monetary obligations on behalf of the lender, although these obligations remain with relation to the lessee. These revisions were negotiated by the department and our outside legal counsel and have been determined to be both appropriate in order to allow the lessee to obtain construction financing and within the range of acceptable provisions contained in modern complex leases as relating to the rights and protections of encumbrance holders. The proposed revisions are intended to: a) clarify and modify the obligations of a resultant holder of title to the leasehold in the event of foreclosure or bankruptcy; b) clarify certain definitions and the applicability of lease provisions with respect to lessees and with respect to encumbrance holders and their successors in the leasehold during and after events of default; and c) provide more detailed description and modification of lenders/encumbrance holders' rights and responsibilities with regard to curing events of default.

A copy of the Restated Lease, marked to show all proposed revisions, is attached as Exhibit 5. The Revisions to the Restated Lease fall into three general categories as follows:

1. Revisions relating to the rights of encumbrance holders under the Restated Lease.

These Revisions are intended to define the rights and obligations of encumbrance holders and successor lessees in the event of default, foreclosure or bankruptcy and include expanded definitions to enumerate and clarify the parties and interests involved in financing events relating to the lease.

These revisions include, for example, provisions which recognize the rights of foreclosing lenders under the lease and allow expanded time to cure lease defaults so long as the foreclosing lender is making commercially reasonable and diligent efforts to effect such cures, as well as limit a foreclosing lender's obligation for interest accrual on obligations occurring more than three years prior to its assumption of title, although these obligations remain with relation to the lessee.

2. Revisions relating to the rights of lenders to cure lease defaults and assume lessee obligations so as to prevent reversion of the lease term.

An additional series of modifications to Section 12 of the Restated Lease is intended to allow sufficient time for a foreclosing lender and its subsequent transferee to cure lease defaults and prevent reversion of the lease to its original term so long as payment of leasehold obligations and diligent pursuit of completion of construction and renovation are proceeding by encumbrance holders and their transferees.

These Revisions also provide that a foreclosing lender may be entitled to a new lease, with the same lease term and subject to the same terms and conditions as the Restated Lease, in the event the lease is terminated by reason of bankruptcy, assignment for the benefit of creditors or similar proceedings or events beyond the reasonable ability of an encumbrance holder to control, provided the encumbrance holder cures under the new lease any of the pre-existing monetary defaults under the Restated Lease and commences and diligently pursues cure of non-monetary defaults (including construction of improvements) to completion.

3. Revisions that clarify definitions and the application of certain lease provisions and obligations as to the lessee and also as to succeeding lessees acquiring title by way of foreclosure.

These Revisions include a number of general technical changes and refinement of definitions and standards for County approvals during the course of the term of the Restated Lease. The Revisions treat such matters as the application of County discretion in approving lease assignments, imposition of interim new percentage rent categories for new leasehold activities, partial year interest payments and the like. These Revisions also include provisions to define the value base to be utilized in determining the County's share of net transfer proceeds in the case of transfer of the leasehold by the original lessee under the Restated Lease.

Encumbrance Agreement

Due to the complexity of the proposed loan structure required in order to provide financing for the new project construction (a second trust deed is being added to the existing financing that, in itself, has been "securitized" by sale into an existing mortgage pool), there is a necessity to both define the priorities among lenders in the event of a foreclosure, bankruptcy or other like

event and to record public notice of such financing and priority so that lenders may act to protect their position. This is accomplished by the Encumbrance Agreement, attached as Exhibit 6, which also sets forth the current state of lessee's compliance with its County lease payment and maintenance obligations, as well as identifies the foreclosing lender who will have rights to succeed to the County lease and thus assume the obligation to cure lease defaults in the event of foreclosure or bankruptcy.

The proposed Encumbrance Agreement is a document is to be recorded upon exercise of the Option and approval and funding of project financing that defines La Salle National Bank Association (La Salle) and General Electric Capital Corporation (GE) as approved "Encumbrance Holders" under the lease (subject to County's approval of the requested financing documents, amendments to the Restated Lease and assignment of leasehold interests). As between the parties to the Encumbrance Agreement only – MGP, the County, and the current and proposed lenders, La Salle and GE - the agreement also contains provisions that replace and supercede Section 12.7 of the Restated Lease in the case of bankruptcy, assignment for the benefit of creditors or similar instance beyond the reasonable ability of the encumbrance holders to cure. This provision parallels the applicable Revisions to the Restated Lease referenced earlier in this Board letter, but adds the proviso that if lease termination occurs due to lessee bankruptcy or assignment for the benefit of creditors or similar provision during the time the proposed GE loan is outstanding (whether or not the La Salle loan is then outstanding), the "new lease" to be provided by County to encumbrance holder(s) shall be with GE as successor lessee, provided GE cures all monetary defaults and agrees to commence cure of non-monetary defaults and diligently pursues such cure(s) to completion. In such instance, GE is also deemed to automatically assume all lessee obligations to La Salle under the La Salle loan to lessee. If the GE loan is not outstanding at the time of any such above referenced lease termination, then La Salle becomes the designated new lessee under the provisions of Section 12.7.

Implementation of Strategic Plan Goals

These recommendations are consistent with the County's Strategic Plan Goal of Service Excellence, in that while maintaining appropriate management of the leasehold and appropriate protection of County interests, they allow the transfer of the ownership interests and will facilitate financing and construction of new improvements and renovation to the leasehold.

FISCAL IMPACT/FINANCING

There is no current financial impact to the County as a result of the assignment, Encumbrance Agreement or Revisions. While certain provisions do result in longer cure periods and the cut-off of some monetary obligations on behalf of a foreclosing lender, those obligations remain with relation to the lessee. Facilitation of the exercise of the Option and financing of the project by virtue of approval of the assignment, Encumbrance Agreement and Revisions to the Restated Lease will produce two categories of benefit to the County upon exercise of the Option: 1) an extension fee of \$3,250,000 and 2) rent increases due to the construction of 120

new apartments and renovation of 846 existing apartments and associated further leasehold improvements.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The County and lessee have been operating under the original Lease No. 7073, dated June 28, 1963, as amended, for Parcel 111T and Lease No. 14910, dated June 10, 1969, as amended, for Parcel 112T. The parcels are currently improved with 846 apartments and 590 boat slips. With redevelopment that will be enabled by the assignment, Encumbrance Agreement and Revisions, there will be an additional 120 new apartments, replacement of all docks and slips with 319 new concrete docks and slips, renovation of all existing 846 apartments and of all exterior facades, landscape and hardscape, and development of a full waterfront promenade and a waterfront viewing park.

The Small Craft Harbor Commission is scheduled to consider the assignment, Revisions and Encumbrance Agreement at its meeting of August 27, 2003. We will advise your Board of the Commission's recommendations prior to your consideration of this matter.

The Revisions, Encumbrance Agreement and Consent have been approved as to form by County Counsel. The Restated Lease is authorized by Government Code sections 25536 and 25907.

ENVIRONMENTAL DOCUMENTATION

Approval of the assignment of general partnership interests, the proposed Revisions to the Restated Lease and the Encumbrance Agreement are categorically exempt under the California Environmental Quality Act pursuant to class 1(r) and 4(j) of the County's Environmental Document Reporting Procedures and Guidelines. The County, acting through the Regional Planning Commission, has previously approved a mitigated negative declaration for the proposed landside and waterside redevelopment/replacement contemplated to be performed under the Restated Lease. Your Board also previously found that the execution of the Restated Lease and the renovation of the existing apartment units, building facades and interior common areas also contemplated by the Restated Lease was categorically exempt under class 1(r) of the County's Environmental Document Reporting Procedures and Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There is no impact on other current services or projects.

CONCLUSION

Please have the chair of the Board sign three copies each of the Consent to Assignment of Partnership Interest and three copies of the Encumbrance Agreement and instruct the

Except as provided in subsection 1.2.2, Lessee accepts the Premises in their present condition notwithstanding the fact that there may be certain defects in the Premises, whether or not known to either party to this Lease, at the time of the Effective Date and Lessee hereby represents that it has performed all investigations necessary, including without limitation soils and engineering inspections, in connection with its acceptance of the Premises "AS IS WITH ALL FAULTS". Lessee hereby accepts the Premises on an "AS IS WITH ALL FAULTS" basis and, except as expressly set forth in this Lease, Lessee is not relying on any representation or warranty of any kind whatsoever, express or implied, from County or any other governmental authority or public agency, or their respective agents or employees, as to any matters concerning the Premises and/or any Improvements located thereon, including without limitation: (i) the quality, nature, adequacy and physical condition and aspects of the Premises and/or any Improvements located thereon, including, but not limited to, the structural elements, foundation, roof, protections against ocean damage, crosion, appurtenances, access, landscaping, parking facilities and the electrical, mechanical, HVAC, plumbing, sewage and utility systems, facilities and appliances, and the square footage of the land and within the Improvements and within each space therein, (ii) the quality, nature, adequacy and physical condition of soils, geology and any groundwater, (iii) the existence, quality, nature, adequacy and physical condition of utilities serving the Premises and/or any Improvements located thereon, (iv) the development potential of the Premises, and the use, habitability, merchantability or fitness, or the suitability, value or adequacy of the Premises and/or any Improvements located thereon for any particular purpose, (v) the zoning or other legal status or entitlement or lack thereof of the Premises or any other public or private restrictions on use of the Premises, (vi) the compliance of the Premises and/or any Improvements located thereon with any applicable codes, laws, rules, regulations, statutes, resolutions, ordinances, covenants, conditions and restrictions of County, City, State, the United States of America, the California Coastal Commission and/or any other governmental or quasi-governmental entity ("Applicable Laws") or of

any other person or entity (including, without limitation, relevant provisions of the Americans with Disabilities Act ("ADA"), (vii) the presence of any underground storage tank or hazardous materials on, under or about the Premises or the adjoining or neighboring property, (viii) the quality of any labor and materials used in any Improvements, (ix) subject to subsection 1.2.2 below, the condition of title to the Premises, and (x) the economics of the operation of the Premises and/or any Improvements located thereon. Notwithstanding the foregoing, this subsection 1.2.1 shall not alter the parties' rights and obligations under the Existing Lease with respect to any abandoned wells or other environmental conditions existing on the Premises as of the Effective Date.

1.2.2 Title. County represents that County owns fee title to the Premises and that County has authority to enter into this Lease. Lessee hereby acknowledges the title of County in and to the Premises, and covenants and agrees never to contest or challenge the extent of said title, except as is necessary to ensure that Lessee may occupy the Premises pursuant to the terms and conditions of this Lease.

1.2.3 Excluded Conditions. Notwithstanding anything to the contrary set forth herein, the terms and provisions of subsection 1.2.1 shall not be applicable to any sewer, storm drain or other improvements which have been dedicated to (and such dedication has been accepted by) the Department of Public Works of the County ("Excluded Conditions"); provided, however, that this Lease (as opposed to any separate dedication acceptance or other contractual or legal obligation) shall not create any obligation or liability on the part of County with respect to such sewer, storm drain and other improvements.

2. TERM.

2.1 Term. Unless terminated sooner in accordance with the provisions of this Lease, the term of this Lease shall be for the period commencing on April 1, 1963 and expiring at 11:59 p.m. on March 31, 2062 ("Term"). Each twelve (12) month period during the Term from April 1 through March 31 of the succeeding calendar year is referred to herein as a "Lease Year."

2.2 Extension Payments. In consideration for County's agreement to enter into this Lease, Lessee shall pay to County as hereinafter provided the principal sum of Three Million Two Hundred Fifty Thousand Dollars (\$3,250,000.00) (the "Extension Fee"). Lessee has paid County the first Three Hundred Twenty Five Thousand Dollars (\$325,000.00) of the Extension Fee (the "Extension Fee Downpayment") concurrent with its exercise of the Option. The remaining Extension Fee balance of Two Million Nine Hundred Twenty Five Thousand Dollars (\$2,925,000.00) shall bear interest from the Effective Date until the date of payment at an annual rate, compounded annually, equal to the greater of (a) the County Pool Rate, or (b) seven and one-half percent (7.5%) (the greater of (a) or (b) is referred to herein as the "Extension Fee Interest Rate"). Until the Trigger Date (as defined below), Lessee shall make annual payments on each successive anniversary of the Effective Date, each in an amount of One Hundred Fifty Thousand Dollars (\$150,000) (each, an "Extension Payment"). Each Extension Payment shall be applied against accrued interest on the outstanding principal balance of the Extension Fee. The amount by which the accrued interest for any year exceeds the Extension Payment shall be added

to the outstanding unpaid principal balance of the Extension Fee. The entire outstanding unpaid principal balance of the Extension Fee and all accrued and unpaid interest shall be due and payable on the Trigger Date. The "Trigger Date" shall mean the earlier of (i) March 11, 2013, (ii) the occurrence of a Financing Event, (iii) the occurrence of an assignment by Lessee of its interest in the Lease, (iv) the grant by Lessee of a Major Sublease, or (v) the occurrence of a Change of Control of Lessee. The unpaid balance of the Extension Fee (including accrued interest thereon), may be prepaid by Lessee, in whole or in part, at any time. Any uncured failure by Lessee to make an Extension Payment or to repay the entire unpaid Extension Fee and accrued interest on or before the Trigger Date is acknowledged to be a monetary default of the terms and conditions of this Lease and shall give rise to County's remedies as set forth herein, including without limitation County's right to receive a Late Fee in connection with such late payment and/or County's right to terminate this Lease. Upon the occurrence of an Event of Default, County shall have the right to declare the entire remaining unpaid Extension Fee (including accrued, but unpaid interest) immediately due and payable. Notwithstanding the foregoing, if the Trigger Date is the date set forth in clause (i) above and Lessee is unable to pay the remaining balance of the Extension Fee by the Trigger Date due to a delay in the close of Lessee's refinancing of the Existing Financing, then (1) if, and to the extent that, the delay in the close of such refinancing is caused by County's failure to notify Lessee within the time period set forth in Section 12.1 below as to whether County approves such refinancing, then the date by which the final Extension Fee payment must be paid by Lessee to avoid the imposition of a Late Fee shall be extended by the period of such delay caused by County, and (2) Director shall have the right, but not the obligation, to waive (or grant Lessee a grace period with respect to) the Late Fee, if the Director, in the exercise of its sole and absolute discretion, considers it appropriate to do so taking into consideration the circumstances.

2.3 Extension Fee Credits. Subject to and upon the terms and conditions set forth in this Section 2.3, Lessee may receive credits during the eight (8) year period following the Completion Date (the "Earn Back Period") for up to the amount, if any, by which the Total Paid Rent (as defined below) with respect to the Earn Back Period exceeds the sum of (i) the Threshold Rent (as defined below) with respect to the Earn Back Period, plus (ii) the County Amount.

2.3.1 Definitions. For purposes of this Section 2.3, the terms set forth below shall have the following meanings:

2.3.1.1 "County Amount" shall mean \$250,000 plus interest on such \$250,000 at the Extension Fee Interest Rate (as defined in Section 2.2 above). For purposes of the accrual of such interest, (i) interest shall commence to accrue on the Effective Date, (ii) interest shall continue to accrue on the entire \$250,000 until the first date that the Cumulative Extension Fee Credit would exceed \$0 if such Cumulative Extension Fee Credit was calculated without any consideration of the County Amount, and (iii) interest shall thereafter continue to accrue on unapplied portions of the \$250,000 until the first date that the amount of the Cumulative Extension Fee Credit, if calculated without any consideration of the County Amount, would exceed the County Amount.

2.3.1.2 "Cumulative Extension Fee Credit" shall mean the positive amount, if any, as of an Extension Fee Credit Date, by which (i) the Total Paid Rent with respect to the period from the Completion Date through such Extension Fee Credit Date exceeds (ii) the sum of (I) the Threshold Rent with respect to the period from the Completion Date through such Extension Fee Credit Date, plus (II) the County Amount. Notwithstanding the foregoing, the Cumulative Extension Fee Credit shall never exceed One Million Three Hundred Seventy Five Thousand Dollars (\$1,375,000.00) (the "Credit Limit").

2.3.1.3 "Extension Fee Credit" shall mean an amount equal to one of the following:

(i) prior to the first Extension Fee Credit Date for which the Cumulative Extension Fee Credit is greater than zero, the Extension Fee Credit shall be \$0;

(ii) for the first Extension Fee Credit Date for which the Cumulative Extension Fee Credit is greater than zero, the Extension Fee Credit shall be an amount equal to such Cumulative Extension Fee Credit; and

(iii) thereafter, the Extension Fee Credit for an Extension Fee Credit Date shall be the positive amount, if any, by which (a) the Cumulative Extension Fee Credit (but in no event shall the Cumulative Extension Fee Credit exceed the Credit Limit) for such Extension Fee Credit Date exceeds (b) the aggregate of all Extension Fee Credits (whether taken as rent credits, Extension Payment credits or Extension Fee principal reductions pursuant to Section 2.3.2 below) for all previous Extension Fee Credit Dates.

2.3.1.4 "Extension Fee Credit Date" shall mean each of the first eight (8) anniversaries after the Completion Date.

2.3.1.5 "Threshold Rent" with respect to a period shall mean the cumulative, aggregate Annual Rent (consisting of the Annual Minimum Rent plus the Percentage Rent payable in excess of the Annual Minimum Rent, hereinafter, the "Annual Rent") which would have been payable with respect to such period if the aggregate Annual Rent for each year during such period was established to equal the product of (i) the total Annual Rent payable under this Lease for calendar year 1998, adjusted on a yearly basis on each anniversary of the Completion Date, by the percentage change in the Consumer Price Index from December, 1998 to the last month in each such year, multiplied by (ii) 1.3.

2.3.1.6 "Total Paid Rent" with respect to a period shall mean the cumulative, aggregate Annual Rent actually paid by Lessee under this Lease with respect to such period, including (i) any such rent against which Lessee applies an Extension Fee Credit under this Section 2.3, and (ii) any Annual Rent

with respect to such period that is deferred as a Deferred Rental Amount pursuant to Section 4.3 below.

2.3.2 Application of Extension Fee Credits. Lessee shall be entitled to the Extension Fee Credit, if any, applicable as of each Extension Fee Credit Date. The Extension Fee Credit to which Lessee is entitled as of an Extension Fee Credit Date shall be applied as a credit against the next Annual Minimum Rent or Percentage Rent payable under this Lease; provided that in no event shall such rent credit, in combination with the aggregate of all other rent credits applied pursuant to this Section 2.3 for previous Extension Fee Credit Dates, exceed the aggregate principal amounts (including the Extension Fee Down Payment and any other Extension Fee principal payments, but not including any Extension Payments applied against accrued interest) of the Extension Fee then paid to date by Lessee pursuant to Section 2.2 above. Any amount of an Extension Fee Credit to which Lessee is entitled which Lessee is not permitted to apply as a rent credit due to the proviso in the immediately preceding sentence shall, at the election of Lessee made by written notice to County concurrent with the calculation of such Extension Fee Credit, only be either (i) applied as a credit against the next Extension Payment due under Section 2.2 above, or (ii) applied to reduce the then outstanding total unpaid principal balance of the Extension Fee described in Section 2.2. If as of the last Extension Fee Credit Date, the aggregate of all Extension Fee Credits (whether taken as rent credits, Extension Payment credits or Extension Fee principal reductions) for all previous Extension Fee Credit Dates exceeds the Cumulative Extension Fee Credit for such last Extension Fee Credit Date, then Lessee shall pay such excess to County within ten (10) days following the calculation of the Cumulative Extension Fee Credit for such last Extension Fee Credit Date. The Cumulative Extension Fee Credit and Extension Fee Credit, if any, for each Extension Fee Credit Date shall be calculated concurrently with the calculation of the Percentage Rent payment due for the month during which each such Extension Fee Credit Date occurs.

2.4 Ownership of Improvements During Term. Until the expiration of the Term or sooner termination of this Lease and except as specifically provided herein, Lessee shall own all Improvements now existing and constructed by Lessee or its predecessors or hereafter constructed by Lessee upon the Premises, and all alterations, additions, or betterments made thereto by Lessee.

2.5 Reversion of Improvements. Upon the expiration of the Term or sooner termination of this Lease, whether by cancellation, forfeiture or otherwise:

2.5.1 County's Election to Receive Improvements. At the election of County, all structures, buildings, Improvements and all alterations, additions, and betterments thereto, and all other Improvements made to or upon the Premises shall remain upon and be surrendered with the Premises as part thereof and title thereto shall vest in County without compensation therefor to Lessee. Nothing contained herein shall be construed to deny or abrogate the right of Lessee, prior to the expiration of the Term or termination of this Lease, to receive any and all proceeds which are attributable to the Condemnation of business installations, Improvements, structures and buildings belonging to Lessee immediately prior to the taking of possession by the Condemnor as

said rights are set forth in Article 6 of this Lease, or to remove any furniture or equipment not intended to be permanently affixed to, or reasonably necessary for the operation of, the Premises, any signage identifying Lessee (as opposed to other signage used in the operation of the Premises and associated Improvements), or any personal property, upon the expiration of the Term or earlier termination of this Lease or at any time during the Term, subject to Lessee's obligations under this Lease to use the Premises for the Permitted Uses.

2.5.2 Duty to Remove. No earlier than eleven (11) years, and no later than ten (10) years prior to the expiration of the Term, Lessee shall deliver to County a report prepared by a construction and demolition expert approved by County, such approval not to be unreasonably withheld or delayed, which report details and estimates the cost of removing all Improvements on the Premises at the expiration of the Term. County may give written notice (the "County Removal Notice") at any time, no later than five (5) years prior to the expiration of the Term or concurrently upon any earlier termination, of County's election to require Lessee to remove, at the sole cost and expense of Lessee, not later than the expiration of the Term or earlier termination of this Lease, all or any portion of the at grade, above grade and below grade structures, buildings and Improvements of any kind whatsoever placed or maintained on the Premises, whether placed thereon or maintained by Lessee or others, including, but not limited to, concrete foundations, pilings, structures and buildings; and if such structures are required to be removed by Lessee, then Lessee shall, upon the expiration or termination of this Lease, immediately restore, and quit, and peacefully surrender possession of, the Premises to County in good, usable and buildable condition, consisting of a level, graded buildable pad with no excavations, hollows, hills or humps. If County elects to require Lessee to remove Improvements hereunder pursuant to the County Removal Notice, Lessee shall, no later than the date which is thirty (30) days after Lessee's receipt of the County Removal Notice, provide County with a written plan which sets forth Lessee's proposed method of securing the discharge of Lessee's removal and restoration obligations pursuant to this subsection. Such security plan shall detail (i) the form of security proposed by Lessee, which security shall be either a deposit of funds, or a letter of credit, bond or other form of security in form and amount, and from an issuer, satisfactory to County, and (ii) a schedule satisfactory to County for the delivery by Lessee of the security described in clause (i) above, which schedule shall in all events provide for a full funding of the security not later than two (2) years prior to the expiration of the Term. The amount of the deposit or letter of credit, bond or other security shall be no less than the estimated costs to remove the Improvements set forth in the report described above, adjusted annually to reflect the increase or decrease, if any, in the ENR Index over the ENR Index as of the date of cost estimation set forth in such expert report; provided, however, that in no event shall such adjustment result in a deposit or letter of credit, bond or other security of an amount less than that set forth in the expert report. Any uncured failure by Lessee to deliver the removal and restoration security described in this subsection 2.5.2 shall constitute an Event of Default. If County fails to elect to require Lessee to remove the buildings, structures and Improvements on the Premises as provided above, then upon the expiration of the Term, or earlier termination of the Lease, Lessee shall turn over the Premises to County in good and workmanlike condition,

consistent with the condition of other buildings, structures and Improvements of comparable age and construction quality.

2.5.3 County's Right to Remove Improvements. Should Lessee fail to so remove said structures, buildings and Improvements and restore the Premises, County may sell, remove or demolish the same, in event of which sale, removal or demolition Lessee shall reimburse County for any cost or expense thereof in excess of any funds received by County through the security above provided and any consideration received by County as a result of such sale, removal or demolition.

2.5.4 Duty to Remove Equipment, Etc. No later than the expiration of the Term or sooner termination of this Lease, Lessee shall in any event remove at its cost and expense such furniture, equipment and personal property as are not firmly affixed to said structures, buildings and Improvements or reasonably necessary for the orderly operation of the Premises. Should Lessee fail to so remove said furniture, equipment and personal property within said period, and said failure continues for ~~tenthirty~~ (1030) days after written notice from County to Lessee, Lessee shall lose all right, title and interest in and thereto, and County may elect to keep the same upon the Premises or to sell, remove, or demolish the same, in event of which sale, removal, or demolition Lessee shall reimburse County for its Actual Costs incurred in connection with such sale, removal or demolition in excess of any consideration received by County as a result of said sale, removal or demolition.

2.5.5 Title to Certain Improvements Passes to County; Lessee to Maintain. As between County and Lessee, title to all utility lines, transformer vaults and all other utility facilities constructed or installed by Lessee upon the Premises shall vest in County upon construction or installation to the extent that they are not owned by a utility. Notwithstanding that title shall vest in County, all utility lines, transformer vaults and all other utility facilities (other than any sewer, storm drain or other utility systems which have been dedicated to and accepted by County pursuant to a dedication separate from this Lease), shall be maintained, repaired, and replaced, if and as needed, by Lessee during the Term.

3. USE OF PREMISES.

3.1 Specific Primary Use. The Premises shall be used by Lessee for the operation and management of (i) a luxury residential apartment project, (ii) boat anchorage facilities, including transient boat accommodations and liveaboards, and (iii) such other related and incidental uses as are specifically approved by County (collectively, the foregoing shall be referred to herein as the "Permitted Uses"). Except as specifically provided herein, the Premises shall be used for no other purpose without the prior written consent of County. County makes no representation or warranty regarding the continued legality of the Permitted Uses or any of them, and Lessee bears all risk of an adverse change in Applicable Laws.

3.2 Prohibited Uses. Notwithstanding the foregoing:

3.2.1 Nuisance. Lessee shall not conduct or permit to be conducted any private or public nuisance on or about the Premises, nor commit any waste thereon. No rubbish, trash, waste, residue, brush, weeds or undergrowth or debris of any kind or character shall ever be placed or permitted to accumulate upon any portion of the Premises, except in appropriate receptacles intended for such purposes, nor shall any portion of the Premises be maintained so as to render said Premises a fire hazard or unsanitary, unsightly, offensive, or detrimental to public health and safety, nor shall any similar activity be permitted on any adjacent public street or adjacent property. Lessee shall be permitted to perform the Redevelopment Work on the Premises, provided that such work is conducted in compliance with Article 5 of this Lease.

3.2.2 Restrictions and Prohibited Uses. Without expanding upon or enlarging the Permitted Uses of the Premises as set forth in this Lease, the following uses of the Premises are expressly prohibited:

3.2.2.1 The Premises shall not be used or developed in any way which is inconsistent with any applicable governmental or public agency requirements;

3.2.2.2 The Premises shall not be used or developed in any way in a manner inconsistent with the Permitted Uses. Without limiting the foregoing, no part of the Premises shall be used by any person for any adult entertainment purposes, as such term refers to graphic, explicit and/or obscene depictions of sexual activity;

3.2.2.3 No improvement on the Premises shall be permitted to fall into disrepair and all Improvements shall at all times be kept in good condition and repair consistent with the requirements of Section 10.1 of this Lease;

3.2.2.4 No condition shall be permitted to exist upon the Premises which shall induce, breed or harbor infectious plant diseases, rodents, or noxious insects and Lessee shall take such measures as are appropriate to prevent any conditions from existing on the Premises which create a danger to the health or safety of any persons residing or working at, or persons patronizing, the Premises;

3.2.2.5 Without the prior written approval of Director, no antennae or other device for the transmission or reception of television signals or any other form of electromagnetic radiation shall be erected, used or maintained by Lessee outdoors above ground on any portion of the Premises, whether attached to an improvement or otherwise; provided that the foregoing requirement to obtain Director's approval as to any antennae or other transmission or reception devices shall be inapplicable to the extent that such requirement violates Applicable Law;

3.2.2.6 No tools, equipment, or other structure designed for use in boring for water, oil, gas or other subterranean minerals or other substances, or designed for use in any mining operation or exploration, shall hereafter be erected or placed upon or adjacent to the Premises, except (i) as is necessary to allow Lessee to perform its maintenance and repair obligations pursuant to this Lease, and (ii) for such boring or drilling as necessary to perform water testing or monitoring, or any dewatering program to relieve soil water pressure;

3.2.2.7 Except for the Excluded Conditions and the Seawall, no adverse environmental condition in violation of Applicable Laws shall be permitted to exist on any portion of the Premises, nor shall any toxic or hazardous wastes be permitted to be generated, treated, stored, disposed of, or otherwise deposited in or on or allowed to emanate from the Premises or any portion thereof, including, without limitation, into the surface waters and subsurface waters thereof; provided, however, that toxic or hazardous substances may be stored or used, so long as such storage and use is (a) ancillary to the ordinary course of business of an otherwise Permitted Use with the intent that such substances will be used in the ordinary course of business, and (b) conducted in compliance with all Applicable Laws; and

3.2.2.8 The following uses shall not be permitted: (a) fuel sales; (b) boat or vehicle repair, other than minor servicing or owner maintenance; (c) live bait sales; or (iv) commercial sportfishing and tour boats.

3.3 Active Public Use. The parties acknowledge that the ultimate objective of this Lease is the complete and continuous use of the facilities and amenities located in Marina del Rey by and for the benefit of the public, without discrimination as to race, gender or religion, along with the generation and realization of revenue therefrom. Accordingly, Lessee agrees and covenants that it will operate the Premises fully and continuously in light of these objectives, consistent with the operation of luxury residential apartment and boat anchorage facilities, and that it will use commercially reasonable efforts so that County may obtain maximum revenue therefrom as contemplated by this Lease. In the event of any dispute or controversy relating hereto, this Lease shall be construed with due regard to the aforementioned objectives.

3.4 Days of Operation. The Promenade (as defined in Section 15.19) shall be open every day of the year. Lessee shall maintain a dockmaster on duty in accordance with a schedule approved by County, which approval shall not be unreasonably withheld. Any changes in the days and/or hours of operation of the Promenade and/or dockmaster shall be subject to the written approval of County.

3.5 Signs and Awnings. Any and all art, displays, identifications, monuments, awnings, advertising signs and banners which are placed on, or are visible from, the exterior of the Premises shall be only of such size, design, wording of signs and color as shall have been specifically submitted to and approved by Director (and to the extent required under then Applicable Law, the Design Control Board), whether pursuant to Article 5 of this Lease or otherwise, in writing, prior to the erection or installation of said art, sign, display, identification,

monument, awning or advertising sign. Director shall not unreasonably withhold its approval of the matters described in this Section 3.5. Any dispute as to whether Director has unreasonably withheld its approval of a matter described in this Section 3.5 shall be submitted to arbitration pursuant to Article 16 of this Lease.

3.6 Compliance with Regulations. Lessee shall comply with all Applicable Laws and shall pay for and maintain any and all licenses and permits related to or affecting the use, operation, maintenance, repair or improvement of the Premises. Without limitation of the foregoing, Lessee shall comply with (i) all conditions and requirements of Coastal Development Permit Nos. A-5-MDR-00-472 and , which conditions and requirements are attached to this Lease as Exhibit L and incorporated herein by this reference, (ii) all public access requirements of the Marina del Rey Local Coastal Program, as amended, and (iii) the conditions and requirements of any Coastal Development Permit issued in connection with the Anchorage Facilities replacement work described in subsection 5.2.4 of this Lease. During the Term Lessee shall also comply with the Senior Affordable Housing Covenant executed by Lessee on or about the Effective Date pursuant to Section 9 of the Option Agreement, as such covenant may be modified in accordance with the terms and provisions of such Section 9.

3.7 Rules and Regulations. Lessee agrees to comply with such other reasonable rules and regulations governing the use and occupancy of the Premises as may be promulgated by County from time to time for general applicability on a non-discriminatory basis to other residential apartment and/or boat anchorage facilities in Marina del Rey, and delivered in writing to Lessee. Any dispute as to whether County has acted unreasonably in connection with the matters described in this Section 3.7 shall be submitted to arbitration pursuant to Article 16 of this Lease.

3.8 Reservations. Lessee expressly agrees that this Lease and all rights hereunder shall be subject to all prior encumbrances, reservations, licenses, easements and rights of way existing as of the dates of the respective Existing Leases or otherwise referenced in this Lease in, to, over or affecting the Premises for any purpose whatsoever, and also subject to any other encumbrances, reservations, licenses, easements and rights of way consented to by Lessee.

Without limiting the foregoing, Lessee expressly agrees that this Lease and all rights hereunder shall be subject to all prior matters of record and the right of County or City existing as of the Effective Date or otherwise disclosed to or known to Lessee, as their interests may appear, to install, construct, maintain, service and operate sanitary sewers, public roads and sidewalks, fire access roads, storm drains, drainage facilities, electric power lines, telephone lines and access and utility easements across, upon or under the Premises, together with the right of County or the City to convey such easements and transfer such rights to others. Notwithstanding the foregoing or anything herein to the contrary, County agrees to cooperate with Lessee, at Lessee's cost, in Lessee's efforts to address title matters, if any, which would prevent Lessee from proceeding with the redevelopment of the Premises in accordance with the Redevelopment Work, as long as such efforts do not materially adversely affect the County (e.g., cooperating with Lessee in the relocation at Lessee's cost of any easements which interfere with the Redevelopment Work, to the extent such relocation is reasonably acceptable to County).

County and Lessee expressly acknowledge that the Premises is leased by County to Lessee subject to certain reservations by the County set forth in the legal description to the Premises attached to this Lease as Exhibit A, including without limitation, reservations by the County of a right of way over the location of Bora Bora Way and easements or other rights of way for sewer line improvements (the "Bora Bora Way/Sewer Line Reservations"). Based upon Lessee's Preliminary Plans for the Redevelopment Work that have been approved by the County, portions of the Bora Bora Way/Sewer Line Reservations will need to be relocated to accommodate the Redevelopment Work. Such relocation shall be to the new locations for such improvements shown in the Final Redevelopment Work Plans and Specifications approved by the County. At such time as construction of Bora Bora Way and the sewer line is substantially completed and such improvements are ready for their intended uses at the new locations shown on the Final Redevelopment Plans and Specifications, County and Lessee shall execute an amendment to this Lease modifying Exhibit A to change the location of the Bora Bora Way/Sewer Line Reservations to the new locations of such improvements. The Director shall have the authority to execute such Lease amendment on behalf of County. Any such amendment shall bind all Encumbrance Holders of the Lessee's leasehold estate as of the date of this Lease who have consented to this Lease and any Encumbrance Holder of the Lessee's leasehold estate subsequent to the date of this Lease. Should any other easements or rights of way be required to be relocated due to any portion of the Redevelopment Work approved by County, such relocation shall be governed by this Section 3.8.

4. PAYMENTS TO COUNTY.

4.1 Net Lease. The parties acknowledge that the rent to be paid by Lessee under this Lease is intended to be absolutely net to County. The rent and other sums to be paid to County hereunder are not subject to any demand, set-off or other withholding, except as expressly set forth in Section 2.3 of this Lease. Except as specifically set forth herein, Lessee shall be solely responsible for all capital costs (including, without limitation, all structural and roof repairs or replacements) and operating expenses attributable to the operation and maintenance of the Premises, including without limitation the parking areas included within the Premises.

4.1.1 Utilities. In addition to the rental charges as herein provided, Lessee shall pay, or cause to be paid, all utility and service charges for furnishing water, power, sewage disposal, light, telephone service, garbage and trash collection and all other utilities and services, to said Premises.

4.1.2 Taxes and Assessments. Lessee agrees to pay before delinquency all lawful taxes, assessments, fees, or charges which at any time may be levied by the State, County, City or any tax or assessment levying body upon any interest in this Lease or any possessory right which Lessee may have in or to the Premises covered hereby or to the Improvements thereon for any reason, as well as all taxes, assessments, fees, and charges on goods, merchandise, fixtures, appliances, equipment, and property owned by it in, on or about the Premises. Lessee's obligation to pay taxes and assessments hereunder shall include but is not limited to the obligation to pay any taxes and/or assessments, or increases in taxes and/or assessments arising as a result of the grant to Lessee of the Option or Lessee's exercise thereof. Lessee shall have the right to contest the amount of any assessment imposed against the Premises or the possessory interest therein; provided,

however, the entire expense of any such contest (including interest and penalties which may accrue in respect of such taxes) shall be the responsibility of Lessee.

The parties acknowledge that the Premises are and shall continue to be subject to possessory interest taxes, and that such taxes shall be paid by Lessee. This statement is intended to comply with Section 107.6 of the Revenue and Taxation Code. Lessee shall include a statement in all Subleases to the effect that the interests created therein may also be subject to possessory interest taxes, and that the Sublessee shall be responsible for any and all possessory interest taxes on the Sublessee's interest; however, Lessee acknowledges that the payment of such possessory interest taxes is the ultimate responsibility of Lessee.

4.2 Rental Payments. Throughout the Term, for the possession and use of the Premises granted herein, Lessee shall pay County a monthly amount equal to the greater of (a) Monthly Minimum Rent or (b) Percentage Rent.

4.2.1 Annual Minimum Rent and Monthly Minimum Rent. Lessee shall pay to County the minimum rent described in this subsection 4.2.1 (subject to adjustment pursuant to Sections 4.2.3 and 4.4 below) during each Lease Year of the Term (the "Annual Minimum Rent"). Annual Minimum Rent shall be payable by Lessee to County on a monthly basis in equal installments of one-twelfth (1/12th) of the Annual Minimum Rent (the "Monthly Minimum Rent"). During each Lease Year (or portion thereof) during the period from the Effective Date through the day preceding the third (3rd) anniversary of the Effective Date, the Annual Minimum Rent shall be equal to the product of (a) the average of the total Annual Rent payable by Lessee for the three (3) Lease Years preceding the Effective Date, multiplied by (b) .75. From and after the third (3rd) anniversary of the Effective Date, the Annual Minimum Rent shall be as set forth in Sections 4.2.3 and 4.4 below.

4.2.2 Percentage Rent. For the purposes of this Lease, "Percentage Rent" for any given month or year shall be defined as the sum of the amounts set forth in this Section. Gross Receipts (as defined herein) from each transaction, sale or activity of Lessee and/or any sublessee shall be reported under one or more of the following percentage categories, as applicable. It is understood that Article 3 of this Lease provides for the Permitted Uses of the Premises and that the percentage categories listed below are not all applicable to this Lease and are in no way intended to expand or modify the Permitted Uses. Director, by Policy Statement and with the approval of Lessee, Auditor-Controller and County Counsel, has interpreted and may further interpret the percentage categories as set forth in this subsection 4.2.2, with such determinations and interpretations to be a guideline in determining the appropriate categories. Within fifteen (15) days after the close of each and every calendar month of the term hereof, Lessee shall file a report of Gross Receipts and pay to County a sum equal to the total of the following percentages for said previous month, less the amount of monthly installment of minimum rent paid for said previous month as provided herein:

(a) TWENTY FIVE PERCENT (25%) of Gross Receipts or other fees for the rental or use of boat slips, anchorages, moorings, dockside storage space, and such other

facilities and services ancillary thereto as are generally provided in common to tenants thereof, including receipts obtained from persons who live on their boats;

(b) TWENTY PERCENT (20%) of Gross Receipts from the rental or other fees charged for the use of dry storage facilities, landside storage space, boats, motors, tackle, recreational equipment, tools, equipment, launch and retrieving of small boats and from the sale of live bait;

(d) _____ PERCENT (___%) of Gross Receipts from the sale of new or used boats, boat trailers, house trailers and trailer cabanas including credits for used items taken in trade as part payment for new items, as reflected in the bill of sale. (e) The greater of (i) FIVE PERCENT (5%) of commissions or other fees earned from boat brokerage, car rental agencies, marine insurance commissions where the sale of insurance is conducted in conjunction with boat sales and/or boat brokerage, laundry and dry cleaning commissions and other similar activities where earnings are normally on a commission basis when said activity is approved in advance by Director, or (ii) \$.15 per month per square foot of space occupied for the uses described in this subsection (e), including the square footage of any outdoor display area dedicated to such use;

(h) FIVE PERCENT (5%) of Gross Receipts received by Lessee or sublessee or TWENTY-FIVE PERCENT (25%) of any commissions or other fees collected for the installation and/or operation of coin-operated vending or service machines, including pay telephones;

(i) TEN PERCENT (10%) of Gross Receipts from the operation of a bar, tavern, cocktail lounge, discotheque, night club or other facilities engaged primarily in the on-premises sale of alcoholic beverages except as provided for in subsection (j);

(j) THREE AND ONE-HALF PERCENT (3½%) of Gross Receipts from the operation of restaurants, restaurant/cocktail lounge combination, coffee shops, beach and theater food facilities, except that Gross Receipts from facilities established and operated as a take-out food operation shall be reported under subsection (s); a "take-out food operation" shall mean a restaurant or other food operation a majority of the Gross Receipts from which are derived from the sale of food or beverages to be consumed off-site;

(k) Intentionally omitted;

(l) Intentionally omitted;

(m) FIFTEEN PERCENT (15%) of Gross Receipts from club dues, initiation fees, and assessments, except that separate assessments for capital improvements may be exempted; provided that to qualify for such an exemption Lessee must comply with the "Criteria for Eligibility for Exemption of Special Assessments from Gross Receipts" issued by the Director;

(o) Intentionally omitted;

(p) _____ PERCENT (___%) of Gross Receipts or other fees charged by authorized boat repair yards, including repair, painting, tugboat, salvage and boat pump-out services and similar activities;

category higher than twenty percent (20%) shall be included in Percentage Rent at such higher percentage; and (2) valet parking charges, fees and tips shall not be included in Percentage Rent under this subsection, but instead shall be included in Percentage Rent under subsection (f) above;

(s) FIVE PERCENT (5%) of Gross Receipts from the sale of miscellaneous goods and services consistent with the Permitted Uses but not specifically provided for elsewhere in this Section;

(s1) FIVE PERCENT (5%) of the Gross Receipts from the operation of all stores, shops or boutiques selling items at retail; and,

(t) The specific percentages set forth above apply to those Permitted Uses of the Premises which are applicable as of the Effective Date. Where a specific percentage in the foregoing schedule has not been provided, then concurrent with County or Director's approval of a specific additional or related use, Director and Lessee shall negotiate in good faith with Lessee to establish the specific percentage to be applied to such use. Such percentage shall be the Fair Market Rental Value for such particular use. If after good faith negotiations for a thirty (30) day period the Director and Lessee are unable to agree on such Fair Market Rental Value, the determination of the appropriate percentage applicable to such use shall be submitted to arbitration pursuant to Article 16 of this Lease in the manner prescribed herein for the resolution of disputes concerning Fair Market Rental Value. The percentage rent for the additional or related use as determined pursuant to this subsection (t) shall remain in effect until the next Renegotiation Date.

4.2.2.1 Other Activities. If Director or Lessee determine in their reasonable discretion that a percentage of Gross Receipts is not suitable or applicable for a particular activity not described above, although permitted hereunder, Director and Lessee shall mutually establish a minimum monthly payment to County as payment for the privilege of engaging therein, which shall remain effective until the next Renegotiation Date. Said minimum monthly amount shall be reasonable in accordance with the revenue generated by such activity and shall be included in Percentage Rent, as determined hereunder, in lieu of a percentage of Gross Receipts therefor.

4.2.2.2 Accounting Records and Procedures. Lessee agrees to and shall comply with, and shall cause all of its sublessees, licensees, permittees and concessionaires to agree to and comply with, the recordkeeping and accounting procedures, as well as the inspection and audit rights granted to County, set forth in Article 14 of this Lease.

4.2.2.3 Gross Receipts. Except as herein otherwise provided, the term "Gross Receipts" as used in this Lease means all money, cash receipts, or other things of value, including but not limited to gross charges, sales, rentals, common area maintenance payments, operating expense reimbursements, fees and commissions made or earned by Lessee and/or all its assignees, Sublessees,

licensees, permittees or concessionaires, from any business, use, occupation or any combination thereof, originating, transacted, or performed in whole or in part, on the Premises, including but not limited to rentals, the rendering or supplying of services and the sale of goods, wares or merchandise, calculated in accordance with the accounting method described in the last sentence of Section 14.1.

(1) Except as otherwise set forth herein, there shall be no deduction from Gross Receipts for any overhead or cost or expense of operation, such as, without limitation, salaries, wages, costs of goods, interest, debt amortization, rent credit (but the value of any free rent period shall not be imputed as Gross Receipts), collection costs, discounts from credit card operations, insurance and taxes.

(2) Gross Receipts shall not include direct taxes imposed upon the consumer and collected therefrom by Lessee such as, without limitation, retail sales taxes, excise taxes, or related direct taxes paid periodically by Lessee to a governmental agency accompanied by a tax return statement.

(3) Gross Receipts reported by Lessee and its Sublessees, assignees, licensees, Lessees and permittees must include the usual charges for any services, goods, rentals or facilities provided by Lessee or its Sublessees, assignees, licensees, concessionaires or permittees. Bona fide bad debts actually accrued by Lessee for amounts owed by subtenants, assignees, licensees concessionaires or permittees may be deducted from Gross Receipts to the extent that such amounts have been previously reported as Gross Receipts; however, there shall be no deduction for bad debts based on past experience or transfer to a bad debt reserve. Subsequent collection of bad debts previously not reported as Gross Receipts shall be included in Gross Receipts at the time they are collected.

(4) Gross Receipts shall not include any of the following items:

a. goods returned to suppliers or which are delivered for resale (as opposed to delivery) to another retail location or to a warehouse or to any retailers without profit to Lessee, where such returns or deliveries are made solely for the convenient operation of the business of Lessee or sublessee and not for the purpose of consummating a sale made in, about or from the Premises;

b. an amount equal to the cash refunded or credit allowed on merchandise returned by customers and accepted by Lessee, or the amount of cash refunded or credit allowed thereon in lieu of Lessee's acceptance thereof, but only to the extent that the sales relating to such merchandise were made in, about or from the Premises; provided that whenever Lessee accepts a credit slip as payment for goods or services, the amount of credit shall be included in Gross Receipts;

c. sales of fixtures, equipment or property which are not Lessee's stock in trade;

d. receipts from insurance claims other than rental interruption or business interruption insurance related to the replacement of Gross Receipts;

e. interest earned by Lessee on funds arising from the Premises or the use thereof, deposited or maintained by Lessee in banks or similar financial institutions;

f. the Cost of Lessee's subtenants' submetered electricity, provided (1) each subtenant's obligation to reimburse Lessee for such subtenant's electrical charges is separate and apart from such tenant's obligation to pay rent for its occupancy of the Premises; (2) the reimbursed sum is in an amount equal to the Cost of the subtenant's electricity; and, (3) the receipt is actually credited against the cost of the subtenant's electricity. For the purpose of the foregoing sentence, the "Cost" of the subtenant's electricity shall mean the actual costs incurred by Lessee, exclusive of overhead and general and administrative expenses, in paying the portion of the respective utility's electric bill that is allocable to the subtenant based on such subtenant's submetered consumption of electricity, and in paying the portion of any third party submeter reading and service charge to each submeter that is actually read and a direct allocation of the submeter service charge to each such submeter that is serviced. County shall have the right to approve all submeters and to challenge the legitimacy or amount of any Cost, and all disputes regarding such County approvals or challenges, if not resolved by the parties within thirty (30) days after notice to Lessee of such disapproval or challenge, shall be resolved by arbitration pursuant to Article 16 of this Lease. The terms and provisions of this paragraph f shall also be applicable to other submetered utility charges to the extent that it is customary for subtenants to be responsible for such other utility charges.

g. amounts received for services rendered by a Sublessee of an individual apartment unit or owner of a boat, in connection with the operation by such Sublessee of an in-home business in such apartment unit or boat, as long as the primary purpose of Sublessee's use of the apartment unit or owner's use of the boat is for residential occupancy and such in-home business is an incident to such residential use.

4.2.2.4 Excess Payments Credit. If rent payments actually made by Lessee in a particular Lease Year exceed the total rentals actually due for that year as computed on an annual basis at the end of each Lease Year, Lessee shall be permitted to credit that excess amount ("Excess Percentage Rent Payment") against the succeeding monthly installments of Percentage Rent otherwise due under this subsection 4.2.2 until such time as the entire Excess Percentage Rent Payment has been recouped. If Lessee makes an Excess

Percentage Rent Payment in the final Lease Year of the Term, County shall refund such amount to Lessee within thirty (30) days of its discovery and verification of such overpayment.

4.2.2.5 Effect of Sublessee, etc. Doing Business. Except as specifically provided to the contrary in this Lease, where a sublessee, licensee, or permittee is conducting a business or engaged in any use or occupation or any combination thereof on Lessee's leasehold except for those uses or occupations delineated under Item (1) of subsection (c1) of subsection 4.2.2, Lessee shall report whichever of the following results in the greater percentage rental: (1) the Gross Receipts of each sublessee under one or more of the appropriate subsections of this Section; or (2) Lessee's receipts from each sublessee under subsection (c) or (c1) of this Section.

4.2.2.6 Interest; Etc. Interest, service or late charges collected in conjunction with a transaction, sale or activity of Lessee or Sublessee shall be reported in the same percentage category as the transaction, sale or activity is reported.

4.2.2.7 Percentage Rent Does Not Affect Permitted Uses. It is understood and acknowledged by Lessee that Section 3.1 of this Lease sets forth the Permitted Uses of the Premises by Lessee; thus, the Percentage Rent categories listed in subsection 4.2.2 are not all necessarily applicable to this Lease and are in no way intended to expand the Permitted Uses.

4.2.2.8 Policy Statements. Director, by Policy Statement and with the approval of Lessee, Auditor-Controller and County Counsel may further interpret the definition of gross receipts, with such interpretations to be a guideline in implementing the foregoing subsections of this Lease.

4.2.3 Adjustments to Annual Minimum Rent. As of the third (3rd) anniversary of the Effective Date and continuing each third (3rd) consecutive anniversary thereafter until the first Renegotiation Date, and thereafter each third (3rd), sixth (6th) and ninth (9th) anniversaries of each Renegotiation Date (each an "Adjustment Date" and collectively the "Adjustment Dates"), the Annual Minimum Rent shall be adjusted as provided in this subsection 4.2.3. The Annual Minimum Rent shall be adjusted as of each Adjustment Date to the amount which equals seventy five percent (75%) of the average of the scheduled total annual rent due (including Monthly Minimum Rent and Percentage Rent) from Lessee to County under Section 4.2 of this Lease during the thirty six (36) month period immediately preceding the Adjustment Date.

4.3 Deferral of Rent. During the period from the Effective Date through the Trigger Date (the "Deferral Period") Lessee shall be entitled to defer that portion (the "Deferred Rental Amounts") of the Annual Rent actually payable for each month (calculated after any reduction in Annual Rent taken in the form of abatements pursuant to Section 2.3 above) which exceeds the Base Rent Amount (as defined below) then in effect. For purposes of the administration of this Section 4.3 and Section 2.3 above, the amount of Annual Minimum Rent or Percentage Rent

credits to which Lessee is entitled under Section 2.3 shall be calculated first and subtracted from the Annual Rent payable under this Lease, and then such remaining Annual Rent shall be compared to the Base Rent Amount to determine whether any portion of such remaining Annual Rent is eligible for deferral pursuant to this Section 4.3. The "Base Rent Amount" shall mean (i) the total Annual Rent payable under this Lease for calendar year 1998, adjusted on an annual basis on January 1 of each year to reflect the percentage change in the Consumer Price Index from December, 1998 to the month of December immediately preceding each such January 1 adjustment date, divided by (ii) 12. All Deferred Rental Amounts shall not be required to be paid by Lessee on a current basis, but instead shall be due and payable on the Trigger Date, with interest, which interest shall accrue at the Prime Rate for the period from the date the Deferred Rental Amounts would have been due and payable but for the deferral described in this Section 4.3 and continuing until the date of actual payment. Deferred Rental Amounts shall initially be calculated on a monthly basis as described in this Section 4.3, but shall be reconciled on a calendar year basis (or on a partial calendar basis for any partial calendar years in the Deferral Period) such that the aggregate Annual Rent deferred as Deferred Rental Amounts for each such calendar year is the same amount as would have been deferred if the calculation of Deferred Rental Amounts for such year had been made on an annual basis. Any amounts deferred on a monthly basis in excess of the aggregate Deferred Rental Amounts calculated on an annual basis shall be paid by Lessee promptly upon the completion of such reconciliation, with interest at the Prime Rate, which interest shall be calculated based on the assumption that all excess deferrals would have been payable on an imputed payment date of July 1, of the relevant year, regardless of the actual month to which they may relate. The outstanding unpaid balance of the Deferred Rental Amounts may be prepaid by Lessee, in whole or in part, at any time. Notwithstanding any contrary provision of this Section 4.3, during any period during which an Event of Default remains uncured, all Annual Minimum Rent and Percentage Rent payable under Section 4.2 of this Lease shall be payable on a current basis and there shall be no deferral permitted under this Section 4.3. In addition, on the occurrence of an Event of Default, County shall have the right to declare the then outstanding balance of the Deferred Rental Amounts (including both principal and accrued interest) immediately due and payable.

4.4 Renegotiation of Annual Minimum and Percentage Rents. Effective on the twentieth (20th) anniversary of the date of the receipt of the certificate(s) of occupancy for at least fifty percent (50%) of the New Apartments, and each tenth (10th) anniversary thereafter (each a "Renegotiation Date" and collectively, the "Renegotiation Dates"), the Annual Minimum Rent and Percentage Rent shall be readjusted to the Fair Market Rental Value (as defined below) of the Premises.

4.4.1 Fair Market Rental Value. As used herein, "Fair Market Rental Value" shall mean, as of each Renegotiation Date, the fair market rent (including an annual minimum rent), expressed as respective percentages of Gross Receipts in accordance with the categories enumerated in subsection 4.2.2, which the Premises (with any and all Improvements existing thereon deemed to be owned by County as of the Renegotiation Date) would bring, on an absolute net basis, taking into account the Permitted Uses, all relevant and applicable County policies and all of the other terms, conditions and covenants contained in the Lease, if the Premises were exposed for lease for a reasonable time on an open and competitive market to a lessee for the purpose of the Permitted Uses, where County and the respective tenant are dealing at arms length and

neither is under abnormal pressure to consummate the transaction, together with all restrictions, franchise value, earning power and all other factors and data taken into account in accordance with California law applicable from time to time to eminent domain proceedings.

4.4.2 Renegotiation Period. Not more than one (1) year nor less than nine (9) months prior to the Renegotiation Date, Lessee shall deliver to County written notice setting forth Lessee's determination of the Fair Market Rental Value of the Premises. Lessee's notice shall include a list of comparable properties and/or complete copies of any appraisals which it has utilized in its determination, together with such other information regarding such comparable properties or the Premises as Lessee deems relevant or as may be reasonably requested by County. Within one hundred twenty (120) days after receipt of Lessee's notice, if County disagrees with Lessee's determination, County shall deliver to Lessee written notice of such disagreement, together with County's determination of Fair Market Rental Value and a list of comparable properties and/or complete copies of any appraisals which it has utilized in its determination, together with such other information regarding such comparable properties or the Premises as County deems relevant or as may be reasonably requested by Lessee, to the extent available to County. If County fails to deliver to Lessee notice of its disagreement within the aforementioned period and such failure continues for fifteen (15) days after receipt of written notice from Lessee, then Lessee's determination of Fair Market Rental Value shall be binding on County as of the Renegotiation Date; provided, however, that Lessee's notice to County shall conspicuously state in bold faced type that such determination of Fair Market Rental Value shall be binding on County unless County delivers notice of its disagreement within such fifteen (15) day period.

If Lessee fails to deliver the notice described in the first sentence of this subsection, setting forth Lessee's determination of Fair Market Rental Value, and such failure continues for fifteen (15) days after receipt of written notice from County, then County shall submit its determination of Fair Market Rental Value to Lessee, and Lessee shall have fifteen (15) days to deliver to County written notice of Lessee's agreement or disagreement with County's determination. If Lessee fails to deliver notice of such disagreement within such fifteen (15) day period and County's notice to Lessee conspicuously stated in bold faced type that such determination of Fair Market Rental Value shall be binding on Lessee unless Lessee delivers notice of its disagreement within such fifteen (15) day period, then County's determination of Fair Market Rental Value shall be binding on Lessee as of the Renegotiation Date.

4.4.3 Negotiation of Fair Market Rental Value. If County (or Lessee, as the case may be) does so notify Lessee (or County, as the case may be) of its disagreement as provided in subsection 4.4.2, County and Lessee shall have sixty (60) days from the end of the applicable response period in which to agree upon the Fair Market Rental Value for the Premises. County and Lessee shall negotiate in good faith during said sixty (60) day period. If the parties do so agree, they shall promptly execute an amendment to this Lease setting forth the Fair Market Rental Value so jointly determined, to be effective upon the Renegotiation Date. Director shall be authorized to execute any such amendment on behalf of County. During the period of negotiation, Lessee shall abide by

all of the terms and conditions of this Lease, including but not limited to the obligation to continue to pay to County Annual Minimum Rent and Percentage Rent at the then-existing levels.

4.4.4 Arbitration. If County and Lessee fail to reach agreement during the sixty (60) day period set forth in subsection 4.4.3, then, unless the parties agree otherwise, the Fair Market Rental Value of the Premises shall be determined by arbitration as set forth in Article 16 of this Lease and the parties shall execute an amendment to this Lease setting forth the Fair Market Rental Value as determined by arbitration. In order to determine the Fair Market Rental Value of the Premises, the arbitrator shall take into consideration all of the terms, conditions and covenants of this Lease, the earning power and all of the factors and data relating to such value required or proper to be considered in determining the fair rental value of leaseholds under the laws of eminent domain in the State of California. During the period of arbitration, County and Lessee shall abide by all of the terms and conditions of this Lease, including but not limited to Lessee's obligation to pay to County Annual Minimum Rent and Percentage Rent at then existing levels.

4.4.5 Retroactivity. In the event that, pursuant to subsections 4.4.3 or 4.4.4 hereof, the parties execute an amendment to this Lease setting forth the Fair Market Rental Value and the Annual Minimum Rent, such amendment, if executed prior to the Renegotiation Date, shall be effective as of the Renegotiation Date; if executed after the Renegotiation Date, such amendment shall be retroactive to the Renegotiation Date. In the event that such amendment is executed after the Renegotiation Date, then, within seven (7) days after such execution, Lessee shall pay to County, or County shall at its election pay or credit to Lessee, the difference, if any, between (a) such Fair Market Rental Value for the Premises and (b) the actual Annual Minimum Rent and Percentage Rent paid by Lessee to County, for the period of time from the Renegotiation Date until the date of such payment. Lessee (with respect to overpayments) or County (with respect to underpayments) shall further be entitled to interest on each portion of such payment from each date on which the applicable rental payments were payable under this Lease to the date paid or credited, whichever is applicable, at the following rates:

(1) the interest rate applicable to the first six (6) months following the Renegotiation Date shall be equal to the average daily rate for the non-restricted funds held and invested by the Treasurer and Tax Collector of Los Angeles County during that period, computed by the Auditor-Controller ("County Pool Rate"); and,

(2) the interest rate applicable to any period of time in excess of six (6) months following the Renegotiation Date shall be the average prime rate of interest published in the Wall Street Journal (the "Prime Rate") plus one percent (1%) for the period between the date which is six (6) months after the Renegotiation Date and the date of payment.

4.5 Payment and Late Fees. Monthly Minimum Rent shall be paid by Lessee in advance. Payments of Minimum Monthly Rent shall be received by County on or before the first

day of each calendar month of the Term. Percentage Rent shall be paid by Lessee in arrears. Percentage Rent due, if any, for a given month of the Term shall be received by County on or before the fifteenth day of the calendar month following each month of the Term, calculated as follows: the Lessee shall calculate the total Percentage Rent owed to County for the relevant month of the Term; it shall deduct from said amount the total Monthly Minimum Rent paid to County for that same month; if the resulting amount is a positive number, Lessee shall pay that amount to County; if that amount is a negative number, no Percentage Rent shall be paid to County for that month but nevertheless the Monthly Minimum Rent shall be paid every month of the Term hereof. Percentage Rent payments shall be reconciled annually at the end of each Lease Year, with any Excess Percentage Rent Payments credited as provided in subsection 4.2.2.4. Payment may be made by check or draft issued and payable to The County of Los Angeles, and mailed or otherwise delivered to the Department of Beaches and Harbors, Los Angeles County, 13483 Fiji Way, Trailer No. 2, Marina del Rey, California 90292, or such other address as may be provided to Lessee by County. Lessee acknowledges that County shall have no obligation to issue monthly rental statements, invoices or other demands for payment, and that the rental payments required herein shall be payable notwithstanding the fact that Lessee has received no such statement, invoice or demand. In the event any payment hereunder is not received by County by the date due, Lessee acknowledges that County will experience additional management, administrative and other costs that are impracticable or extremely difficult to determine. Therefore, a fee ("Late Fee") of six percent (6%) of the unpaid amount shall be added to any amount unpaid when due and payable; provided that the Late Fee shall be waived with respect to the first occurrence during any Lease Year of a late payment if such payment is received by County within one (1) business day following written notice from County that the unpaid amount was not paid by the date due. In addition to any Late Fee, any unpaid rent due shall additionally bear interest at an annual rate equal to the Prime Rate plus three percent (3%), computed from the date when such amounts were due and payable, compounded monthly, until paid. Lessee acknowledges that such Late Fee and interest shall be applicable to all identified monetary deficiencies under this Lease, whether identified by audit or otherwise, and that interest on such amounts shall accrue from and after the date when such amounts were due and payable as provided herein (as opposed to the date when such deficiencies are identified by County); provided, however, with respect to any obligation of an Encumbrance Holder in connection with the exercise of its cure rights under Article 12 below, interest accrual on any particular obligation for periods prior to the Encumbrance Holder's acquisition of leasehold title to the Premises shall be limited to a maximum of three (3) years.

4.6 Changes of Ownership and Financing Events. Except as otherwise provided in this Section 4.6, each time Lessee proposes either (a) a Change of Ownership or (b) a Financing Event, County shall be paid (1) an Administrative Charge equal to the Actual Cost incurred by County in connection with its review and processing of said Change of Ownership or Financing Event ("Administrative Charge") and (2) a Net Proceeds Share, in the event County approves such proposed Change of Ownership or Financing Event and such transaction is consummated. "Net Proceeds Share" shall mean the applicable amount determined pursuant to Section 4.8 of this Lease. Changes of Ownership and Financing Events are further subject to County approval as provided in Articles 12 and 13 of this Lease.

4.6.1 Change of Ownership. "Change of Ownership" shall mean (a) any transfer by Lessee of a five percent (5%) or greater direct ownership interest in this Lease

or in any Major Sublease, (b) Lessee's granting of a Major Sublease or (c) any transaction or series of related transactions not described in subsections 4.6.1(a) or (b) which constitute an Aggregate Transfer of fifty percent (50%) or more of the beneficial interests in, or a Change of Control of, Lessee, this Lease or a Major Sublease. For the purposes of this Lease, "Change of Control" shall refer to a transaction whereby the transferee acquires a beneficial interest in Lessee, this Lease or a Major Sublease which brings its cumulative beneficial interest in Lessee, this Lease or a Major Sublease, as appropriate, to over fifty percent (50%).

4.6.2 Excluded Transfers. Notwithstanding anything to the contrary contained in this Lease, Changes of Ownership resulting from the following transfers ("Excluded Transfers") shall not be deemed to create an obligation to pay County a Net Proceeds Share or any Administrative Charge:

4.6.2.1 a transfer by any direct or indirect partner of Lessee as of the Effective Date, to any other direct or indirect partner of Lessee as of the Effective Date, including in each case to or from a trust for the benefit of the immediate family (as defined in subsection 4.6.2.3 below) of such direct or indirect partner of Lessee;

4.6.2.2 a transfer to a spouse in connection with a property settlement agreement or decree of dissolution of marriage or legal separation, as long as such transfer does not result in a change in the management of Lessee;

4.6.2.3 a transfer of ownership interests in Lessee or in constituent entities of Lessee (i) to a member of the immediate family of the transferor (which for purposes of this Lease shall be limited to the transferor's spouse, children, parents, siblings and grandchildren), (ii) to a trust for the benefit of a member of the immediate family of the transferor, or (iii) from such a trust to the settlor or beneficiaries of such trust or to one or more other trusts created by or for the benefit of any of the foregoing persons, whether any such transfer described in this subsection 4.6.2.3 is the result of gift, devise, intestate succession or operation of law; specifically, but without limitation of the foregoing, this subsection 4.6.2.3 shall include transfers of general partnership, limited partnership or limited partnership liability company membership interests in Marina Pacific Associates, or any of its constituent entities, to or among the Family Members (as defined in Section 11.4 below);

4.6.2.4 a transfer of a beneficial interest resulting from public trading in the stock or securities of an entity, where such entity is a corporation whose stock is traded publicly on a national stock exchange or is traded in the over-the-counter market and whose price is regularly quoted in recognized national quotation services; provided, however, that this exclusion shall not apply to a single transaction or series of related transactions whereby fifty percent (50%) or more of the beneficial interests in such entity are transferred, or which otherwise effects a Change of Control in such entity;

4.6.2.5 a mere change in the form, method or status of ownership (other than a transfer of beneficial interests between or among individuals and/or entities controlled by such individuals); provided that this exclusion shall not apply to a single transaction or series of related transactions whereby an Aggregate Transfer of fifty percent (50%) or more of the beneficial interests in Lessee, this Lease or a Major Sublease has occurred; or

4.6.2.6 any transfer resulting from a Condemnation by County.

4.6.3 Aggregate Transfer. "Aggregate Transfer" shall refer to the total percentage of the shares of stock, partnership interests, membership interests or any other equity interests (which constitute beneficial interests in Lessee, this Lease or a Major Sublease, as appropriate) transferred in all transactions (other than those enumerated in subsection 4.6.2) occurring since the later of (a) the Effective Date, (b) the execution by Lessee of this Lease or a Major Sublease, as appropriate, or (c) the most recent Change of Ownership upon which an Administrative Charge was paid to County. Isolated and unrelated transfers of less than fifty percent (50%) of the beneficial interests in Lessee, this Lease or a Major Sublease, as appropriate, which neither cause a Change of Control nor are described in subsection 4.6.1(a), shall not be included within the definition of Aggregate Transfers and shall not be considered for purposes of determining whether there has been a Change of Ownership.

4.6.4 Beneficial Interest. As used in this Lease, the "beneficial interest," "beneficial interest in this Lease," or "beneficial interest in a Major Sublease" shall refer to the interests of the natural persons who comprise the ultimate owner or owners of Lessee's interest in this Lease or a Major Sublease, or a Major Sublessee's interest in a Major Sublease, whichever is appropriate, regardless of the form of such ownership and regardless of whether such interests are owned through corporations, trusts, partnerships, limited liability companies or layers thereof (each a "constituent entity" as used herein); provided, however, that if an entity with an ownership interest in the Lease or a Major Sublease is a partnership, corporation or limited liability entity (a) whose beneficial interest in this Lease or a Major Sublease, whichever is appropriate, comprises less than fifteen percent (15%) of its total assets or (b) in which no ten (10) shareholders, partners or members together own more than thirty percent (30%) of the partnership interests, shares, membership interests or other equity interests in the entity, then for the purposes of Sections 4.6 through 4.8 hereof, the entity itself shall be deemed to be the ultimate owner of the beneficial interest in this Lease or a Major Sublease, as appropriate, and the owners of such entity shall not be treated as the ultimate owners of such beneficial interest.

4.6.4.1 Interests Held By Entities. Except as otherwise provided herein, an interest in Lessee, this Lease or a Major Sublease held or owned by a partnership, limited liability company, corporation or other entity shall be treated as owned by the partners, members, shareholders or other equity holders of such entity in proportion to their respective equity interests, determined by reference to the relative values of the interests of all partners, members,

shareholders or other equity holders in such entity. Where more than one layer of entities exists between Lessee or a Major Sublessee, as appropriate, and the ultimate owners, then the foregoing sentence shall be applied successively to each such entity in order to determine the ownership of the beneficial interests in Lessee, this Lease or a Major Sublease, as appropriate, and any transfers thereof.

4.6.4.2 Ownership of Multiple Assets. The proceeds of any event constituting or giving rise to a Change of Ownership shall be apportioned to this Lease or a Major Sublease, whichever is appropriate, and to any other assets transferred in the same transaction in proportion to the relative fair market values of the respective assets transferred. The Net Proceeds Share shall be calculated only by reference to the amount of such proceeds apportioned to this Lease, a Major Sublease or the beneficial interests therein, whichever is appropriate.

4.7 Calculation and Payment. A deposit of Fifteen Thousand and 00/100 Dollars (\$15,000) toward the Administrative Charge shall be due and payable upon Lessee's notification to County of the proposed Change of Ownership (that is not an Excluded Transfer) or Financing Event and request for County's approval thereof. If the transaction is approved, the balance of the Administrative Charge, if any, and the Net Proceeds Share shall be due and payable concurrently with the consummation of the transaction constituting the Change of Ownership or Financing Event giving rise to the obligation to pay such fee, regardless of whether or not money is transferred by the parties in connection with such consummation. If County disapproves the proposed transaction then, within thirty (30) days after notice of its disapproval, County shall deliver to Lessee a written notice setting forth the Administrative Charge (including documentation in support of the calculation of the Administrative Charge), together with a refund of the amount, if any, of the deposit in excess of the Administrative Charge otherwise allowable under Section 4.6. In the event that the Administrative Charge exceeds the deposit, then Lessee shall pay County the balance of the Administrative Charge otherwise allowable under Section 4.6 within thirty (30) days after receipt of the notice from County setting forth the Administrative Charge (including documentation in support of the calculation of the Administrative Charge) and any additional supporting documentation reasonably requested by Lessee within five (5) business days after its receipt of such notice. Together with its request for County approval of the proposed transaction, Lessee, a Major Sublessee or the holder of a beneficial interest in this Lease or a Major Sublease, whichever is appropriate, shall present to County its calculation of the Net Proceeds Share (if any) anticipated to be derived therefrom, which shall include the adjustment to Improvement Costs, if any, which may result from the payment of such Net Proceeds Share ("Calculation Notice"). Each Calculation Notice shall contain such detail as may be reasonably requested by County to verify the calculation of the Net Proceeds Share. Within thirty (30) days after the receipt of the Calculation Notice and all information or data reasonably necessary for County to verify the calculations within the Calculation Notice, County shall notify the party giving the Calculation Notice as to County's agreement or disagreement with the amount of the Net Proceeds Share set forth therein or the related adjustment of Improvement Costs, if any. Failure of County to approve the Calculation Notice in writing within such thirty (30) day period shall be deemed to constitute County's disapproval thereof. Failing mutual agreement within thirty (30) days after the expiration of said thirty (30) day period, the dispute shall be resolved by arbitration as set forth in Article 16 of this Lease in the manner prescribed herein for the resolution of disputes concerning Fair Market

Rental Value. In the event County approves a Change of Ownership or Financing Event but a dispute exists as to the Net Proceeds Share in respect thereof or the related adjustment, if any, in Improvement Costs, then the transaction may be consummated after County has disapproved Lessee's Calculation Notice; provided, however, that (i) Lessee shall remit to County as otherwise required hereunder the undisputed portion of the Net Proceeds Share and (ii) Lessee shall deposit the disputed portion of the Net Proceeds Share into an interest bearing escrow account at the closing of the transaction (or deliver to County a letter of credit or other security reasonably acceptable to County in the amount of the disputed portion), which disputed portion shall be distributed in accordance with the arbitration of the dispute pursuant to Article 16 of this Lease, in the manner prescribed herein for the resolution of disputes concerning Fair Market Rental Value.

4.7.1 Transfer of Less Than Entire Interest. Where a Change of Ownership has occurred by reason of the transfer of less than all of an owner's beneficial interest in Lessee, this Lease or a Major Sublease, the Net Proceeds Share shall be due and payable with respect to those portions of such beneficial interest that have been acquired by the transferee since the latest of (a) the Effective Date, (b) the most recent event creating Lessee's obligation to pay a Net Proceeds Share (including without limitation an approval by County of a transfer at a price which falls below the threshold for paying a Net Proceeds Share) with respect to this Lease (or a Major Sublease), or (c) the date which is twelve (12) months prior to the transfer which constitutes the Change of Ownership.

4.7.2 Purchase Money Notes. If the transferor of an interest accepts a note made by the transferee of such interest in payment of all or a portion of the acquisition cost (a "Purchase Money Note"), such note shall be valued at its face amount; provided that if the interest rate on such Purchase Money Note is in excess of a market rate, then the value of such note shall be increased to reflect such above-market rate. Any disputes between County and Lessee as to whether the interest rate on a Purchase Money Note is in excess of a market rate or with respect to the valuation of a Purchase Money Note with an above-market rate of interest, shall be settled by arbitration pursuant to Article 16 below.

4.7.3 Obligation to Pay Net Proceeds Share and Administrative Charge. With respect to a Change of Ownership giving rise to the Administrative Charge and Net Proceeds Share, the obligation to pay the Administrative Charge and Net Proceeds Share shall be the joint and several obligation of the transferor and transferee. In the event that the Administrative Charge or Net Proceeds Share is not paid when due with respect to the beneficial interest in this Lease, then County shall have the remedies set forth in Section 13.3 hereof; provided, however, in the case of a transfer of an interest in Lessee (as opposed to a transfer by Lessee of an interest in the Lease or the Premises) in which the transferor and transferee fail to pay the Administrative Charge and/or Net Proceeds Share due hereunder, as long as Lessee uses its best efforts to cause the payment of the required Administrative Charge and Net Proceeds Share to be made, County shall, for a period of up to three (3) years following the Change of Ownership, forbear from exercising any right to terminate the Lease as a result thereof; provided further that at the end of such three (3) year period County shall no longer have any obligation to forbear from terminating the Lease if the Administrative Charge and Net Proceeds Share, plus interest

as described below, has not been paid in full. An Administrative Charge and Net Proceeds Share not paid when due hereunder shall bear interest at the Prime Rate plus three percent (3%). For purposes of determining whether County is required to forebear from terminating the Lease as described above, Lessee's obligation to use its best efforts to cause the payment of the unpaid Administrative Charge and/or Net Proceeds Share shall include the obligation at Lessee's expense, to institute a legal action against the transferor and transferee within ninety (90) days following the date of the transfer and to diligently prosecute such legal action to completion.

4.8-4.8 Net Proceeds Share. In the event of a Change of Ownership, the Net Proceeds Share shall be the amount by which (a) the greater of (i) five percent (5%) of the gross sale or transfer proceeds or other consideration given for the interests transferred (but in the case of a transfer to a party affiliated with or otherwise related to the transferor which constitutes a Change of Ownership that is not an Excluded Transfer, such consideration shall in no event be deemed to be less than the fair value of the interests transferred), or (ii) the sum of (x) twenty percent (20%) of the Net Transfer Proceeds from such transfer, plus (y) the Applicable Amount (as defined below), exceeds (b) the Administrative Charge paid by Lessee to County in connection with the transaction. With respect to a Financing Event, the Net Proceeds Share (if any) shall be the amount by which (I) twenty percent (20%) of the Net Refinancing Proceeds from such Financing Event exceeds (II) the Administrative Charge paid by Lessee to County in connection with the transaction.

For purposes of this Section 4.8, the "Applicable Amount" shall mean the following: (1) in the case of a transfer by Lessee under subsection 4.8.1, the Applicable Amount shall equal \$1,400,000; (2) in the case of a transfer by Lessee under subsection 4.8.2, the Applicable Amount shall equal \$0; (3) in the case of a transfer under subsection 4.8.3, the Applicable Amount shall equal the same Applicable Amount as with respect to whichever of subsection 4.8.1 or subsection 4.8.2 is applicable to such transfer; (4) in the case of a transfer under subsection 4.8.4, the Applicable Amount shall be the product of (A) \$1,400,000, multiplied by (B) the percentage beneficial (direct or indirect) ownership interest in Lessee (or a Major Sublessee, as applicable) that is the subject of the transfer; provided, however, that following the first transfer by Lessee under subsection 4.8.1 and/or the aggregate transfer of a total of one hundred percent (100%) of the beneficial ownership interest in Lessee under subsection 4.8.4, the Applicable Amount for a transfer under subsection 4.8.4 shall thereafter be \$0.

4.8.1-4.8.1 Transaction by Original Lessee. In the case of a transfer by Lessee (but not a transfer by a successor or assignee of Lessee after the first Change of Ownership after the Effective Date) constituting a Change of Ownership, "Net Transfer Proceeds" shall mean the total cash and other consideration received (but in the case of a transfer to a party affiliated with or otherwise related to the transferor which constitutes a Change of Ownership that is not an Excluded Transfer, such consideration shall in no event be deemed to be less than the fair value of the interests transferred), less the following costs with respect to Lessee (but not its successors or assignees) amounts:

~~4.8.1.1 [Insert value of leasehold, as extended, as of the Effective Date, as determined prior to the execution and delivery of the Lease, either by agreement of the parties or, if the parties are unable to agree, pursuant to the~~

~~arbitration procedures set forth in Article 16~~4.8.1.1 (a) \$109,000,000, representing the stipulated base amount for purposes of determining Net Transfer Proceeds (the "Base Value"), ~~together~~plus ~~with~~(b) the final actual construction costs paid by Lessee in connection with the construction of the Redevelopment Work, the renovation work described in subsections 5.2.1, 5.2.2, 5.2.3 and 5.2.4, other capital renovations to the Premises, or other physical Improvements or Alterations to the Premises in compliance with Article 5 herein, to the extent applicable (including all hard and soft costs, construction period interest on Lessee's construction loan, and developer fees incurred by Lessee, as long as such developer fees do not exceed four percent (4%) of hard construction costs), which costs have been submitted to County within thirty (30) days after the completion of such Improvements (or in the case of phased construction, within thirty (30) days after the completion of the applicable phase), together with a written certification from Lessee and Lessee's construction lender, if any, to the effect that such costs are accurate ("Improvement Costs"). Notwithstanding the foregoing, with respect to Improvements or Alterations which are not part of the Redevelopment Work, Lessee shall submit the cost of such Improvements on an annual basis within ninety (90) days following the end of each fiscal year.

~~4.8.1.2~~4.8.1.2 Commissions, title and escrow costs, documentary transfer taxes, sales and use taxes, reasonable attorneys' fees and other bona fide closing costs actually paid to third parties and documented to the reasonable satisfaction of County, which costs were directly attributable to the consummation of the particular transaction giving rise to the obligation to pay County a Net Proceeds Share (collectively, "Documented Transaction Costs").

~~4.8.1.3~~4.8.1.3 That portion of the principal amount of any Financing Event after the Effective Date that constituted Net Refinancing Proceeds on which Lessee paid County a Net Proceeds Share.

~~4.8.2~~4.8.2 Transfer by Lessee's Successor. In the case of a transfer by a Lessee other than the original Lessee, "Net Transfer Proceeds" shall mean the total cash and other consideration received by that successor Lessee (but in the case of a transfer to a party affiliated with or otherwise related to the transferor which constitutes a Change of Ownership that is not an Excluded Transfer, such consideration shall in no event be deemed to be less than the fair value of the interests transferred), minus the following costs with respect to such successor Lessee:

~~4.8.2.1~~4.8.2.1 The greatest of (a) the sum of the Base Value, plus Improvement Costs incurred subsequent to the Effective Date but prior to the acquisition of the leasehold interest by such successor, (b) the purchase price such successor paid to Lessee or such successor's seller for the interest acquired or (c) the original principal amount of any subsequent refinancing by Lessee in connection with which County was paid a Net Proceeds Share (plus the principal amount of the Existing Financing as of the Effective Date if the Existing Financing has not been refinanced);

~~4.8.2.2~~ 4.8.2.2 Improvement Costs actually paid by such successor Lessee after such successor Lessee's acquisition of its leasehold interest in the Premises, and not subsequently repaid with Net Refinancing Proceeds, provided that such costs have been submitted to County, with an appropriate lender and Lessee certification, as provided in subsection 4.8.1.1; and,

~~4.8.2.3~~ 4.8.2.3 Documented Transaction Costs with respect to the transfer of the interest by the successor.

~~4.8.3~~ 4.8.3 Transfers of Major Sublessee's Interest. With respect to any Change of Ownership described in subsection 4.6.1(b), subsections 4.8.1 and 4.8.2 shall apply, except that any rents or other amounts received by Lessee from the Major Sublessee and passed through to County under any provision of this Lease (other than payment of Net Proceeds Share) shall be disregarded in the computation of Net Transfer Proceeds.

~~4.8.4~~ 4.8.4 Other Transfers. With respect to any Change of Ownership that is not an Excluded Transfer and is not described in subsections 4.8.1 through 4.8.3 (i.e., a transfer of an interest in an entity holding a direct or indirect ownership interest in this Lease or in a Major Sublease), subsections 4.8.1 and 4.8.2 shall apply to such Change of Ownership, except that in lieu of deducting the Base Value and Improvement Costs in determining Net Transfer Proceeds, the cost to the transferor of the interest being transferred or which was transferred in the past but constitutes a portion of an Aggregate Transfer (which cost shall in no event be deemed to be less than a pro rata share of the Base Value and Improvement Costs (or following a transfer by the original Lessee, such cost shall in no event be deemed to be less than a prorata share of the sum of subsections 4.8.2.1 plus 4.8.2.2 as of the respective date of the transfer of each interest in the aggregation pool)) shall be deducted. Furthermore, in the event that any such Change of Ownership produces a Net Proceeds Share, the then existing Improvement Costs shall be increased by an appropriate amount to reflect the basis on which the Net Proceeds Share was calculated, and the basis of the interest that was transferred and for which a Net Proceeds Share was paid shall also be increased for subsequent transfers of the same interest, as if realized by Lessee upon a transfer of a comparable interest in this Lease or in a Major Sublease, as appropriate.

~~4.8.5~~ 4.8.5 Net Refinancing Proceeds. "Net Refinancing Proceeds" shall mean the gross principal amount of any Financing Event after the Effective Date plus the remaining principal amount of any Existing Financing, minus (i) the greatest of (a) the Base Value, less \$7,000,000, (b) the original principal amount of any subsequent refinancing by Lessee in connection with which County was paid a Net Proceeds Share, plus the remaining principal amount of any Existing Financing not repaid upon the subsequent refinancing, or (c) in the case of a successor Lessee the purchase price such successor paid to Lessee or such successor's seller for the interest acquired, (ii) any portion of the proceeds of the Financing Event which shall be used for Improvement Costs, (iii) other Improvement Costs incurred by Lessee and not paid for or repaid with the proceeds of any Financing Event, and (iv) Documented Transaction Costs with respect to such Financing Event.

Notwithstanding any contrary provision of the first paragraph of Section 4.8 above, if Lessee pays to County Net Refinancing Proceeds in connection with a Financing Event, and the amount of such Net Refinancing Proceeds with respect to such Financing Event is greater than the amount of the Net Refinancing Proceeds that Lessee would have been required to pay to County under this Section 4.8.5 if no portion of the \$7,000,000 amount set forth in clause (i)(a) of the first paragraph of this Section 4.8.5 had been subtracted from the Base Value as required under such clause (i)(a) (with the excess Net Refinancing Proceeds payable by Lessee resulting from the subtraction of such \$7,000,000 amount hereafter referred to as the "Excess Net Refinancing Proceeds Amount"), then for purposes of calculating the amount under clause (a)(i) of the first paragraph of Section 4.8 above on the first Change of Ownership after such Financing Event, an amount equal to the Excess Net Refinancing Proceeds Amount from such preceding Financing Event shall be subtracted from the amount set forth in such clause (a)(i) of the first paragraph of Section 4.8.

4.8.6 4.8.6 Transfers to which Sections 4.6 through 4.8 Apply. The provisions of Sections 4.6 through 4.8 hereof shall apply to all transfers of beneficial interests in this Lease or a Major Sublease which constitute a Change of Ownership, unless such transfers are otherwise excluded pursuant to this Lease. Furthermore, the provisions of Sections 4.6 through 4.8 of this Lease, and the principles set forth therein, shall apply to any transfer or series of transfers which County can demonstrate was primarily structured for the purpose of avoiding the obligation to pay Net Proceeds Share set forth in Sections 4.6 through 4.8 of this Lease and which, viewed together, would otherwise constitute a Change of Ownership.

4.8.7 4.8.7 Payment. Net Proceeds Share shall be due and payable concurrently with the transfer giving rise to the obligation to pay such share and shall be the joint and several obligation of the transferee and transferor. Net Proceeds Share not paid when due shall be subject to a late fee of six percent (6%) of the amount due, together with interest on such Net Proceeds Share and late fee at the Applicable Rate from the date due until paid; provided that in the case of a dispute as to the correct amount of the Net Proceeds Share there shall be no late fee payable as long as Lessee timely pays to County the undisputed portion of the Net Proceeds Share and deposits the disputed portion thereof in an interest bearing escrow account at the closing of the transaction (or delivers to County a letter of credit or other security reasonably acceptable to County in the amount of such disputed portion). In the event that the proceeds of the transaction giving rise to the obligation to pay Net Proceeds Share are comprised, in whole or in part, of assets other than cash, then the cash payment of the Net Proceeds Share shall reflect the fair market value of such non-cash assets as of the date of the Change of Ownership, which shall be set forth in the Calculation Notice. Notwithstanding the foregoing, in the case of a Change of Ownership described in subsection 4.6.1(b), the Net Proceeds Share shall be payable to County as and when the Net Transfer Proceeds are received, with the Net Proceeds Share being equitably apportioned to the payments derived by Lessee from said Change of Ownership (other than any payments passed through to County under this Lease).

4.8.8-4.8.8 Shareholder, Partner, Member, Trustee and Beneficiary List. Prior to the Effective Date, prior to each subsequent Change of Ownership or Financing Event and upon the request of County (which requests shall be no more frequent than once per year), Lessee shall provide County with an updated schedule listing the names and mailing addresses of (i) all shareholders, partners, members and other holders of equity or beneficial interests in Lessee, this Lease or the Major Sublessee under any Major Sublease, and (ii) all shareholders, partners, members and other holders of equity or beneficial interests in any of the constituent shareholders, partners, members or other holders of equity or beneficial interests in Lessee or any Major Sublessee under any Major Sublease, if such interest exceeds a five percent (5%) or greater beneficial interest in Lessee or the Major Sublessee under a Major Sublease. In the event that such shareholder, partner, member or other interest holder is a trust, Lessee shall include in such schedule the name and mailing address of each trustee of said trust, together with the names and mailing addresses of each beneficiary of said trust with greater than a five percent (5%) actuarial interest in distributions from, or the corpus of, said trust; provided, however, that to the extent that Lessee is prevented by Applicable Laws from obtaining such information regarding the beneficiaries of said trust(s), Lessee shall have complied with this provision if Lessee uses its best efforts to obtain such information voluntarily and provides County with the opportunity to review any such information so obtained. Lessee agrees to use its best efforts to provide County with any additional information reasonably requested by County in order to determine the identities of the holders of five percent (5%) or greater beneficial interests in Lessee or a Major Sublease.

5. CONSTRUCTION OF IMPROVEMENTS.

5.1 Redevelopment Work. It is expressly understood and agreed that following the Effective Date Lessee shall proceed to construct one hundred twenty (120) new additional luxury apartment units on the Premises (the "New Apartments"). The construction of the New Apartments, along with all associated improvements, hardscape, landscape and other site work approved by County and to be performed in connection with the construction of the New Apartments, are herein collectively referred to as the "Redevelopment Work." The design, density, site coverage, layout and open space, view corridors, building height, construction materials, landscaping, hardscaping and other improvement specifications pertaining to the Redevelopment Work shall be subject to County's approval as set forth in this Article 5 and Section 3 of the Option Agreement, and shall be subject to the receipt by Lessee of all required governmental (including, without limitation, County, Coastal Commission and Design Control Board) planning and entitlement approvals. In connection with County's approval of the design and quality of the Redevelopment Work, the design and quality of all Improvements (including, without limitation, the design and quality of interior fixtures, counters, appliances, cabinetry, bath and shower enclosures, flooring materials and the like, as well as exterior landscape and hardscape) shall be consistent with L'Estancia and other luxury apartment projects constructed recently on the Westside of Los Angeles. The quality of the non-structural specifications of the Redevelopment Work shall also comply with the requirements set forth on Exhibit B attached to this Lease. Lessee shall be solely responsible for all costs and expenses incurred in connection with the design, entitlement and construction of the Redevelopment Work. ~~Lessee shall comply with all time deadlines and schedules set forth in this Article 5 relating to the completion of the design and construction of the Redevelopment Work. Lessee's failure to do so shall, if not cured~~

within the applicable cure set forth in subsection 13.1.2, constitute an Event of Default. Except to the extent Lessee is prevented from so doing by the events identified in Sections 5.6 or 5.7, Lessee shall cause (1) the Substantial Commencement of Construction of the Redevelopment Work in accordance with the Final Redevelopment Work Plans and Specifications (as defined in subsection 5.1.1 below) to occur on or before that date (the "Required Construction Commencement Date") which is eight (8) months following the date of Lessee's exercise of the Option pursuant to the Option Agreement, and (2) the substantial completion of the Redevelopment Work in accordance with the Final Redevelopment Work Plans and Specifications to occur on or before that date (the "Required Construction Completion Date") which is twenty six (26) months following the date of Lessee's exercise of the Option pursuant to the Option Agreement. For the purposes of this Lease, "Substantial Commencement" or "Substantial Commencement of Construction" shall mean the commencement of the demolition work required in connection with the Redevelopment Work, as long as following the commencement of demolition Lessee diligently proceeds to complete such demolition work and commences the actual construction of the new Improvements immediately following the completion of demolition. The Required Construction Commencement Date and Required Construction Completion Date will be extended only under the specific circumstances set forth in Sections 5.6 or 5.7, and under no other circumstances. In the event that Lessee fails to Substantially Commence Construction of the Redevelopment Work on or before the Required Construction Commencement Date, or fails to substantially complete the Redevelopment Work on or before the Required Construction Completion Date (as such dates may be extended pursuant to Sections 5.6 or 5.7 below), then in addition to any other right or remedy which County may have in connection therewith, this Lease shall be automatically amended such that the terms and provisions of this Lease revert back to the terms and provisions of the Existing Lease (including, without limitation, the Existing Expiration Date), as modified by the "Non-Exercise Amendment" described in the Option Agreement (the "Reversion Amendment").

Lessee shall comply with all time deadlines and schedules set forth in this Article 5 relating to the completion of the design and construction of the Redevelopment Work. Lessee's failure to do so shall, if not cured within the applicable cure set forth in subsection 13.1.3, constitute an Event of Default. Except to the extent Lessee is prevented from so doing by the events identified in Sections 5.6 or 5.7, Lessee shall cause (1) the Substantial Commencement of Construction of the Redevelopment Work in accordance with the Final Redevelopment Work Plans and Specifications (as defined in subsection 5.1.1 below) to occur on or before that date (the "Required Construction Commencement Date") which is eight (8) months following the date of Lessee's exercise of the Option pursuant to the Option Agreement, and (2) the substantial completion of the Redevelopment Work in accordance with the Final Redevelopment Work Plans and Specifications to occur on or before that date (the "Required Construction Completion Date") which is twenty six (26) months following the date of Lessee's exercise of the Option pursuant to the Option Agreement. For the purposes of this Lease, "Substantial Commencement" or "Substantial Commencement of Construction" shall mean the commencement of the demolition work required in connection with the Redevelopment Work, as long as following the commencement of demolition Lessee diligently proceeds to complete such demolition work and commences the actual construction of the new Improvements immediately following the completion of demolition.

Lessee agrees that the primary purpose for County having entered into this Lease is to provide the public with the opportunity to enjoy the Improvements described in the Final Redevelopment Work Plans and Specifications at the earliest practicable date. Therefore, it is understood and agreed that the Required Construction Commencement Date and Required Construction Completion Date will be strictly enforced and shall be extended only under the specific circumstances set forth in Sections 5.6 or 5.7, and under no other circumstances. In the event that Lessee fails to Substantially Commence Construction of the Redevelopment Work on or before the Required Construction Commencement Date, or fails to substantially complete the Redevelopment Work on or before the Required Construction Completion Date (as such dates may be extended pursuant to Sections 5.6 or 5.7 below), then in addition to any other right or remedy which County may have in connection therewith, but subject to Section 12.12, this Lease shall be automatically amended such that the terms and provisions of this Lease revert back to the terms and provisions of the Existing Lease (including, without limitation, the Existing Expiration Date), as modified by the "Non-Exercise Amendment" described in the Option Agreement (the "Reversion Amendment").

5.1.1 Final Redevelopment Work Plans and Specifications. Pursuant to Sections 4.3.1 and 4.3.2 of the Option Agreement, County has heretofore approved the Schematics and the Preliminary Plans for the Redevelopment Work. On or before ninety (90) days prior to the Required Construction Commencement Date, Lessee shall submit for approval by Director six (6) complete sets of final plans and detailed specifications for the Redevelopment Work on the Premises (the "Final Plans"), together with one (1) set of appropriate structural computations, identical to those requested or required by the County Director of Public Works incident to the issuance of building permits under the relevant provisions of the Los Angeles County Building Code. The Final Plans shall reflect a natural progression and logical evolution from the Preliminary Plans approved under the Option Agreement. Lessee shall file duplicate copies of the Final Plans required by this subsection with the County Director of Public Works, together with the necessary and appropriate applications for building permits for the Redevelopment Work on the Premises. Any difference in the scope, size, configuration, arrangement or motif of the Improvements described in the Final Plans from those described in the Preliminary Plans for the Premises approved under Section 4.3.2 of the Option Agreement shall be separately identified and described. Director shall have twenty one (21) days within which to approve or disapprove the Final Plans, which approval shall not be unreasonably withheld. Director may disapprove the Final Plans only on the grounds that they do not reflect a natural evolution from or that they materially differ from the approved Preliminary Plans (exclusive of any Approved Governmental Changes, as defined in Section 4.3.1 of the Option Agreement). Failure of Director to disapprove said Final Plans within twenty one (21) days after Director's receipt shall be deemed Director's approval thereof; provided, however, that in the event that the Final Plans contain substantial changes from the Preliminary Plans (other than any Approved Governmental Changes), then Director shall have sixty (60) days in which to approve the Final Plans, which approval shall be deemed withheld if not granted in writing within such sixty (60) day period; and provided further, that together with the submission of the Final Plans, Lessee must deliver to Director a transmittal letter containing the following text prominently displayed in bold faced type:

“PURSUANT TO SUBSECTION 5.1.1 OF THE LEASE, IF THESE MATERIALS CONTAIN NO SUBSTANTIAL CHANGES (OTHER THAN ANY APPROVED GOVERNMENTAL CHANGES) FROM THE MATERIALS PREVIOUSLY SUBMITTED TO YOU, YOU HAVE TWENTY ONE (21) DAYS AFTER RECEIPT OF THESE MATERIALS IN WHICH TO APPROVE OR DISAPPROVE THEM. FAILURE TO DISAPPROVE THESE MATERIALS IN WRITING WITHIN TWENTY ONE (21) DAYS OF YOUR RECEIPT OF THESE MATERIALS SHALL CONSTITUTE YOUR APPROVAL OF THEM.”

Following any deemed disapproval by Director of such submission, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director's objections to the submission. Director's approval shall not be unreasonably withheld; provided, however, that it shall be deemed reasonable to disapprove any submission not in substantial conformity with the approved Preliminary Plans (exclusive of any Approved Governmental Changes). Upon approval, the Final Plans shall be referred to herein as the “Final Redevelopment Work Plans and Specifications.” No material modifications shall be made to the Improvements described in the approved Final Redevelopment Work Plans and Specifications, without the prior written approval of Director, which shall not be unreasonably withheld.

5.2 Renovation of Improvements.

5.2.1 Renovation of Existing Apartments. As of the Effective Date there are a total of 846 existing apartment units on the Premises (the “Existing Apartments”). Attached to this Lease as Exhibit C is an inventory listing the current state of renovation as of the Effective Date of each unit of the Existing Apartments. Following the Effective Date Lessee shall commence to perform the Apartment Renovation Work (as defined below). The “Apartment Renovation Work” shall mean the renovation of the Existing Apartments in accordance with the Apartment Renovation Plan attached to this Lease as Exhibit D (the “Apartment Renovation Plan”), together with the additional work described in subsection 5.2.3 below. There shall be no changes, modifications or exceptions to the Apartment Renovation Plan except as expressly approved in advance in writing by the Director. The Apartment Renovation Plan includes a list of equivalent alternative specifications (the “Specifications”) for various components of the Apartment Renovation Work for each unit. Such equivalent alternatives shall be updated every third (3rd) anniversary of the Effective Date, or on such shorter intervals as requested by Lessee, to address industry changes over time in the continued availability or use of certain materials. On or before each third (3rd) anniversary of the Effective Date (or more often at Lessee's election), Lessee shall be responsible for submitting to the Director, for Director's approval, updates to the Specifications. Director shall not unreasonably withhold its approval of updates to the Specifications required under this Section 5.2.1; provided, however, in no event shall the updates be of a lower quality than the quality of the then existing Specifications. To the extent that certain components of the Apartment Renovation Plan have been completed prior to the Effective Date in certain of the Existing Apartment units (as noted on Exhibit C), then with respect to those

particular partially completed units Lessee shall be obligated to complete only the remaining components of the Apartment Renovation Plan.

5.2.2 Schedule for Completion of Apartment Renovation Plan. During the period from the Effective Date until the Trigger Date, Lessee shall complete the Apartment Renovation Plan with respect to at least fifty (50) units per year. For purposes of this Section 5.2 each "year" shall mean each successive twelve (12) month period following the Effective Date. Lessee shall not be in default of its obligations under this subsection 5.2.2 if Lessee uses its best efforts to complete the Apartment Renovation Plan with respect to at least fifty (50) units in a year, but is unable to do so solely because at least fifty (50) units did not become (or were not otherwise) vacant during such year to permit the performance of the Apartment Renovation Plan as to such required number of units. However, from and after the Effective Date, no unit which is or becomes vacant shall be re-leased prior to the completion of the Apartment Renovation Plan with respect to such unit unless Lessee has, and as of the end of the then current year will have, completed the Apartment Renovation Plan with respect to an average of at least fifty (50) units per year since the Effective Date (the foregoing, however, shall not prevent Lessee from re-leasing at any time any units that are not required for Lessee to meet the fifty (50) unit per year requirement). If as of the end of any year Lessee fails (for whatever reason, including without limitation, an insufficient number of vacancies) to complete the Renovation Plan with respect to a sufficient number of units such that the average number of completed units per year since the Effective Date is at least fifty (50), then (i) on or before the last day of such year Lessee shall contribute to the Renovation Fund (as defined in subsection 5.2.5 below) an additional Five Thousand Dollars (\$5,000) per unit for the total number of units less than the fifty (50) unit per year average with respect to which the Apartment Renovation Plan has not been completed, and (ii) the unit completion requirement for the following year shall be increased by the number of units for which the Apartment Renovation Plan must be completed during such following year to meet the fifty (50) unit per year average as of the end of such year. Provided that (x) Lessee complies with the obligation to contribute to the Renovation Fund as stated above, (y) the increase in the number of units to be renovated in any subsequent year is effective, and (z) to the extent applicable, Lessee pays Imputed Rent as described in subsection 5.2.6 below, then County shall not have the right to declare a default under Article 13 below for Lessee's failure to meet the fifty (50) units per year average; provided further that this sentence shall not affect County's right to declare a default by Lessee for any failure by Lessee to comply with its obligations set forth in the last sentence of this subsection 5.2.2. Lessee shall be given access to the additional Renovation Fund contributions made pursuant to clause (i) above only at such time as Lessee has completed the Apartment Renovation Plan with respect to fifty (50) units in such following year and commenced renovation on the additional units required to meet the fifty (50) unit per year average requirement as of the end of such year. If as of the Trigger Date the Apartment Renovation Plan has not been completed with respect to all of the Existing Apartments, then (a) with respect to any Existing Apartment unit as to which the Apartment Renovation Plan has not been completed by the Trigger Date, such unit shall be completely renovated to a standard, for all renovated items, equal in quality to the non-structural specifications required for the New Apartments set forth on Exhibit

B, and (b) the renovation work described in clause (a) above shall be completed on or before the earlier of (1) March 11, 2015, or (2) eight (8) years after the Trigger Date.

5.2.3 Additional Apartment Renovation Work. In addition to the Apartment Renovation Plan for the individual Existing Apartment units as described in subsection 5.2.1 above, the Apartment Renovation Work shall include the additional renovation work described in this subsection 5.2.3 (collectively, the "Additional Renovation Work"). The Additional Renovation Work shall consist of (i) the renovation of all interior ceilings of the Existing Apartments (to the extent not previously renovated to the standard required herein) such that the existing acoustic ceilings are removed or otherwise fully concealed, and the ceilings refinished; provided that such ceiling renovation work shall be modified to the extent necessary to accommodate any radiant heating system component which both exists as of the Effective Date and is in use as of the date of the ceiling renovation work described in this clause (i); (ii) the renovation of all interior common areas, including without limitation, hallways and lobbies (to the extent not previously renovated to the standard required herein), which renovation shall be in accordance with the standard set forth in Exhibit E attached hereto; (iii) the renovation of the exterior of the buildings (to the extent not previously renovated to the standard required herein), including without limitation, new windows and sliding doors, balconies and facade treatments, which renovation shall be in accordance with the renovation plan attached hereto as Exhibit F; and (iv) the renovation of all exterior common areas, including without limitation, all hardscape (excluding vehicular roadways used primarily for vehicles and not for pedestrians), pool deck areas, walkways, parking areas and other exterior common areas, which renovation shall be in accordance with the renovation plan attached as Exhibit G (the "Exterior Common Area Plan"). The Exterior Common Area Plan attached as Exhibit G is a concept plan, together with a general description of materials. Exhibit G also provides for the proposed retention of certain elements of the hardscape Improvements existing as of the Effective Date, as noted thereon. Lessee shall have the right to retain such elements only to the extent that as of the Trigger Date such elements show no material signs of wear and are not outdated. The parties acknowledge and agree that prior to the approval by the Director of the Final Plans for the exterior common area renovation work described in clause (iv) above, the Exterior Common Area Plan shall be modified by Lessee to the reasonable satisfaction of Director to accommodate (1) directions and requirements of the Design Control Board; (2) changes in materials and technologies then generally used for such construction, and (3) changes in generally acceptable and contemporary design standards. Lessee shall complete the Additional Renovation Work on or before that date which is the earlier of (a) March 11, 2015, or (b) eight (8) years after the Trigger Date.

5.2.4 Renovation of Waterfront Improvements.

5.2.4.1 Initial Dock Renovation Work. Following the Effective Date Lessee shall commence to perform the dock renovation work described on Exhibit H attached hereto, including without limitation, the replacement of the four (4) existing wooden docks and the construction of a new gangway which complies with all Applicable Laws, including without limitation, ADA and Title 24.

Lessee shall complete the work described in the immediately preceding sentence on or before the date that is eighteen (18) months following the Effective Date.

5.2.4.2 Anchorage Replacement. During the eight (8) year period following the Effective Date, but in all events by not later than April 1, 2009, Lessee shall complete the replacement of all anchorage-related Improvements on the Premises, including without limitation, all docks, gangways and related components (collectively, the "Anchorage Facilities"). Except as otherwise provided in subsection 5.2.4.6 below, the Anchorage Facilities shall not include the landside lockers, restrooms, showers, laundry and parking facilities serving the Anchorage Facilities. Such replacement of the Anchorage Facilities shall be performed in eight (8) annual winter phases over the eight (8) year period described above, in accordance with a phasing schedule reasonably approved by the Director; provided, however, that notwithstanding the foregoing, the replacement of the Anchorage Facilities shall be substantially completed by not later than April 1, 2009. The replacement of the Anchorage Facilities under this subsection 5.2.4.2 shall be performed in compliance with the Anchorage Facilities Quality Standard (as defined below) and in accordance with all terms and provisions of this Article 5 applicable to Alterations. For purposes of this subsection 5.2.4.2 and subsection 5.2.4.6 below, the "Anchorage Facilities Quality Standard" shall mean anchorage facilities that are first-class and state of the art as of the date of the replacement construction, and that in all events comply with (i) the then most recent edition of the Minimum Standards (as defined in subsection 5.2.4.3 below), (ii) the then most recent edition of Layout and Design Guidelines for Small Craft Facilities by the California Department of Boating and Waterways (or similar successor publication), and (iii) design memoranda as provided by the Harbor Engineer of the Los Angeles County Department of Beaches and Harbors.

5.2.4.3 On-Going Maintenance of Anchorage. Lessee shall at all times during the Term keep all Anchorage Facilities in good repair and condition in accordance with the requirements of Policy Statement No. 25 and the Specifications and Minimum Standards of Architectural Treatment and Construction for Marina del Rey approved in 1989, as modified by County or the Department from time to time in a manner consistent with commercially reasonable standards applicable to other comparable residential apartment project and marina facilities in Marina del Rey (the "Minimum Standards"). Any dispute as to whether revisions to the Minimum Standards adopted by County or the Department from time to time pursuant to the immediately preceding sentence are commercially reasonable shall be submitted to arbitration pursuant to Article 16 of this Lease. Lessee's obligation shall include, to the extent necessary or appropriate to satisfy the Minimum Standards and Policy Statement No. 25, the use of new materials, parts and components rather than the repair or rejuvenation of existing materials, parts and components. During the Term Lessee shall also complete float repair and replacement on an as-needed basis. Additionally, any requirement for repair due to a deficiency notice issued by the Department shall be accomplished with new materials and parts rather than patching or other like

method. Such required replacement of deficiency-cited items with wholly new parts and materials shall, however, be limited to the specific item in disrepair and shall not connote a requirement, for maintenance purposes, that areas or items surrounding the deficient item be replaced with new materials and/or parts.

5.2.4.4 Maintenance Deficiencies. If County provides written notice to Lessee of a deficiency or other breach in the performance by Lessee of the maintenance and repair obligations of Lessee under subsection 5.2.4.3 above, then Lessee shall promptly commence the cure thereof and shall complete such cure within the time period for such cure set forth in the County's deficiency notice, which cure period shall not be less than ten (10) business days. Notwithstanding the foregoing, County shall have the right to immediately require Lessee to take all appropriate steps to avoid damage or injury in connection with any emergency situation. If Lessee fails to cure any such deficiency within the cure period set forth in County's deficiency notice, then in addition to, and not in lieu of, any rights or remedies that County may have under Article 13 of this Lease for defaults not cured within the applicable notice and cure periods set forth therein, Lessee shall pay to County an amount equal to One Hundred Dollars (\$100) per day per item of deficiency for each day after such cure period that the deficiency item remains uncured; provided, however, if the nature of the deficiency is such that it is not capable of cure within the cure period specified in County's notice (for example, as a result of permitting requirements or construction material procurement delays beyond the control of Lessee), then as long as during the specified cure period Lessee commences the cure of the deficiency and thereafter continues the prosecution of the completion of such cure in a manner and with such diligence that will effectuate the cure in as short a period as reasonably possible, then the cure period specified in County's deficiency notice shall be extended for such additional time as necessary to complete the cure in as short a period as reasonably possible.

5.2.4.5 Management of Anchorage. During the Term of the Lease, Lessee shall engage an experienced, professional marina management firm reasonably acceptable to the Director to manage the day to day operation of the Anchorage Facilities. After Director's approval of such management firm, Lessee shall not have the right to change the management firm without first obtaining the prior approval of Director, which approval shall not be unreasonably withheld. If during the Term in the reasonable judgment of the Director the then current management firm is performing in an unsatisfactory manner, then at the request of the Director Lessee shall replace such management firm with a new management firm reasonably acceptable to the Director. If during the Term the then current management firm terminates its contract, then Lessee shall have the right to replace such management firm with another management firm approved by Director, which approval shall not be unreasonably withheld.

5.2.4.6 Future Replacement of Anchorage Facilities. During the period from the thirtieth (30th) anniversary of the Effective Date through the forty-fifth, (45th) anniversary of the Effective Date, County shall have the right to have the

condition of the Anchorage Facilities inspected from time to time by an independent, nationally recognized, marine engineering consultant selected by County. For purposes of this subsection 5.2.4.6 only, the Anchorage Facilities shall include the landside lockers, restrooms and shower facilities to which the users of the anchorage improvements are provided access. County and Lessee shall equally share the fees and expenses incurred for the marine engineering consultant engaged by the County under this subsection 5.2.4.6. If in the opinion of such engineering consultant the Anchorage Facilities (i) are unsafe, unsightly or at the end of their useful lives; (ii) are of a lesser overall quality than the quality of the replacement Anchorage Facilities installed pursuant subsection 5.2.4.2 above, or (iii) are of a lesser overall quality than a majority of the other anchorage facilities operated in Marina del Rey at the time of the inspection, then at the County's request Lessee shall, at Lessee's cost, replace the Anchorage Facilities with new Anchorage Facilities. For purposes of this subsection 5.2.4.6, the Anchorage Facilities shall be inspected and evaluated by the engineering consultant on a section by section basis, and if a particular section, or a material portion of a particular section, of the Anchorage Facilities does not satisfy the test set forth above, then Lessee shall be required to replace all of the component parts of such section. For purposes of this subsection 5.2.4.6, each of the eight phases of the Anchorage Facilities replaced by Lessee pursuant to subsection 5.2.4.2 above shall be considered to be a separate "section" of the Anchorage Facilities. In addition, the landside lockers, on the one hand, and the restrooms and shower facilities, on the other hand, shall each be considered to be a separate "section" of the Anchorage Facilities. Notwithstanding that the inspection of the Anchorage Facilities shall be performed on a section by section basis, if multiple sections of the Anchorage Facilities do not meet the test set forth above in this subsection 5.2.4.6, then Lessee shall be required to perform the replacement of all of such deficient Anchorage Facilities at the same time unless Lessee and Director otherwise agree upon a mutually acceptable phasing schedule for such replacement.

In all events, all of the Anchorage Facilities shall be replaced at one point or another during the period between the thirtieth (30th) and forty-fifth (45th) anniversaries of the Effective Date. The replacement Anchorage Facilities under this subsection 5.2.4.6 shall comply with the Anchorage Facilities Quality Standard defined in subsection 5.2.4.2 above and shall be performed in accordance with all terms and provisions of this Article 5 applicable to Alterations. The consultant's determination as to the date that the Anchorage Facilities, or portions thereof, require replacement pursuant to this subsection 5.2.4.6 shall be based solely on the actual condition of such Anchorage Facilities, and no consideration shall be given to the duration of the remaining Term of the Lease in making such determination. If the consultant determines that Anchorage Facilities replacement work is required, then concurrent with such determination, the consultant shall include as a part of such determination its opinion as to the period of time reasonably necessary to perform the design, permitting and construction of such work. Lessee shall commence any required work (i.e., commence any design and permitting work) within sixty (60) days following

receipt of the consultant's determination and thereafter complete the installation and construction of the work within the period prescribed in the consultant's determination. Notwithstanding any contrary provision of this subsection 5.2.4.6, with respect to the landside lockers, restrooms and shower facilities included in the Anchorage Facilities, Lessee shall have the right to choose to renovate such facilities in a manner that meets the Anchorage Facilities Quality Standard in lieu of the complete replacement thereof.

5.2.4.7 Water Quality Management Program. During the remaining Term of the Lease, Lessee shall comply with all water quality management requirements imposed by the Coastal Commission in connection with the issuance of the Coastal Development Permit for the Anchorage Facilities replacement required in subsection 5.2.4.2 above; provided, however, that Lessee shall in all events comply at least with the water quality management requirements set forth in Exhibit M attached to this Lease. In addition, during the remaining Term of the Lease, Lessee shall remove floating debris from the water surrounding the Anchorage Facilities in accordance with a program and regular schedule reasonably acceptable to the Director.

5.2.4.8 County Cooperation. In its proprietary capacity, the Department shall cooperate with and assist Lessee, to the extent reasonably requested by Lessee, in Lessee's efforts to obtain the appropriate governmental approvals, consents, permits or variances which may be required in connection with the performance by Lessee of the Anchorage Facilities replacement work described in subsections 5.2.4.2 and 5.2.4.6 above. Such cooperative efforts may include the Department's joinder in any application for such approval, consent, permit or variance, where joinder therein by the Department is required or helpful; provided, however, that Lessee shall reimburse County for the Actual Cost incurred by the Department in connection with such joinder or cooperative efforts. Notwithstanding the foregoing, Lessee and County acknowledge that the approvals given by County under this Lease are approvals pursuant to its authority under Section 25907 of the California Government Code; that approvals given under this Lease in no way release Lessee from obtaining, at Lessee's expense, all permits, licenses and other approvals required by law for the construction of Improvements on the Premises and operation and other use of such Improvements on the Premises; and that the Department's duty to cooperate and County's approvals under this Lease do not in any way modify or limit the exercise of County's governmental functions or decisions, as distinct from its proprietary functions pursuant to this Lease.

5.2.4.9 Delays in Anchorage Facility Replacement Work. Lessee shall perform the Anchorage Facilities replacement work described in subsections 5.2.4.2 and 5.2.4.6 in accordance with a schedule that is consistent with the terms and provisions of such subsections. If the performance by Lessee of such Anchorage Facilities replacement work is delayed due to Force Majeure, then the time period for the completion of that portion of the work that is delayed by the Force Majeure event or condition shall be extended for the period of the delay;

provided, however, no delay in individual phases of the Anchorage Facilities replacement work described in subsections 5.2.4.2 and 5.2.4.6 shall extend the date for Lessee's completion of subsequent phases of such replacement work, unless such (or another) Force Majeure event or condition is independently applicable to such subsequent phase; and provided further, that the entire Anchorage Facilities replacement under subsection 5.2.4.2 shall be substantially completed on or before April 1, 2009 and the entire Anchorage Facilities replacement under subsection 5.2.4.6 shall be substantially completed on or before the forty-fifth (45th) anniversary of the Effective Date, except in each case to the extent of a Force Majeure delay that is then independently in effect with respect to the remaining phase or phases of the work, in which case the applicable completion date shall be extended for the duration of such delay.

Lessee shall provide written notice to Director of its claim as to the existence of any Force Majeure delay (which notice shall specify with particularity the basis for the delay), and no Force Majeure delay shall commence until Lessee has provided such written notice to Director. For purposes of this subsection 5.2.4.9, "Force Majeure" shall have the meaning set forth in the second sentence of Section 5.6 of this Lease and shall also include delays in the performance of the Anchorage Facilities replacement work caused by (i) a third party restraining order or injunction (filed by a plaintiff other than County or the California Coastal Commission) obtained with respect to the performance of the Anchorage Facilities replacement work, subject to Lessee's obligation to diligently pursue the removal or appeal of any such restraining order or injunction, (ii) Unreasonable County Activity (as defined in subsection 5.7.2, but with all references in such definition to the Improvements, Final Redevelopment Work Plans and Specifications and Substantial Commencement of Construction modified to refer to the Anchorage Facilities replacement work and the plans and construction schedule related thereto), subject to the procedures set forth in subsection 5.7.2 below for establishing Unreasonable County Activity, or (iii) Lessee's inability to obtain a governmental permit or approval (other than an approval from County under this Lease) to perform the Anchorage Facilities replacement work despite the diligent pursuit by Lessee of all commercially reasonable efforts to obtain such permit or approval. Lessee and Director shall discuss and attempt to agree on the length of time of any entitled delay due to Force Majeure pursuant to this subsection 5.2.4.9. If within thirty (30) days after Tenant's notice of a claimed delay (or within thirty (30) days following notice from either party that the claimed delay has expired) the parties are unable to agree as to whether the event or occurrence constitutes a Force Majeure delay and/or as to the length of the permitted delay, such dispute shall be arbitrated as set forth in Article 16.

5.2.5 Renovation Fund. During the period from the Effective Date through the end of the Term, Lessee shall establish and maintain a reserve fund (the "Renovation Fund") in accordance with the provisions of this subsection 5.2.5 for the cost of capital renovations to the Premises. Until the completion of the Apartment Renovation Work, those funds deposited into the Renovation Fund pursuant to clause (i) of the next

paragraph shall be utilized only to fund the cost of the Apartment Renovation Work, and those funds deposited into the Renovation Fund pursuant to clauses (iii) and (iv) of the next paragraph shall be utilized only to fund the cost of capital renovations and upgrades to the New Apartments made by Lessee after the completion of the construction thereof. Lessee and County agree and acknowledge that following the completion of the Apartment Renovation Work the primary purpose of the Renovation Fund shall be to provide funds for the ongoing revitalization of the Improvements on the Premises (excluding any Improvements associated with dock and/or anchorage facilities located on the Premises) through the replacement, renovation, rehabilitation, upgrading, addition and installation of physical Improvements to the Premises. The Renovation Fund shall not be utilized to fund the cost of periodic, recurring or ordinary expenditures, repairs or replacements that keep the Improvements in a good, operating condition, nor for any necessary repairs, replacements or renovations to or of Improvements associated with dock or anchorage facilities located on the Premises (including any landside lockers, restrooms or shower facilities to which the anchorage users are provided access), all of which costs shall be separately funded by Lessee. All purposes and costs for which Lessee desires to utilize amounts from the Renovation Fund shall be subject to Director's approval, which approval shall not be unreasonably withheld. The Renovation Fund shall be an account established with a reputable financial institution (including Lessee's Encumbrance Holder) acceptable to Director into which deposits shall be made by Lessee (and/or into which Lessee's Encumbrance Holder shall provide funds) pursuant to this subsection 5.2.5. The amounts to be added to the Renovation Fund shall be inclusive of amounts required to be deposited with and held by an Encumbrance Holder, provided that the Encumbrance Holder acknowledges that such amounts are subject to the requirements and shall be made available for the purposes of this subsection 5.2.5.

On or before the fifteenth (15th) day of each calendar month during the Term, Lessee shall make a deposit to the Renovation Fund in the following amounts: (i) during the period from the Effective Date until the earlier of (1) the date of the completion of the Apartment Renovation Work, or (2) March 11, 2015, Lessee shall deposit into the Renovation Fund on a monthly basis, an amount equal to five percent (5%) of Gross Receipts received during the preceding month from the occupancy of the Existing Apartments, (ii) during the period from the end of the period described in clause (i) above until the end of the Term, Lessee shall deposit into the Renovation Fund on a monthly basis, an amount equal to three percent (3%) of Gross Receipts received during the preceding month from the occupancy of the Existing Apartments, (iii) on or before the (3rd) anniversary of the Completion Date for the New Apartments, Lessee shall deposit into the Renovation Fund a one time deposit equal to one and one-half percent (1.5%) of the aggregate Gross Receipts received from the occupancy of the New Apartments during the first three (3) years following the Completion Date for the New Apartments, less the cost of any capital repairs made with respect to the New Apartments by Lessee during such three (3) year period (but not including any costs incurred to complete the Redevelopment Work), which costs are submitted by Lessee to Director not less than thirty (30) days prior to the required deposit date described in this clause (iii) and are approved by Director, which approval shall not be unreasonably withheld, and (iv) commencing on the first month of the fourth (4th) year following the Completion Date and continuing monthly thereafter until the end of the Term, Lessee shall deposit

into the Renovation Fund an amount equal to three percent (3%) of Gross Receipts received during the preceding month from the occupancy of the New Apartments. In addition to the Renovation Fund contributions described in the immediately preceding sentence, Lessee shall also make any annual \$5,000 per unit contributions required under subsection 5.2.2 above, and shall also deposit into the Renovation Fund all Deferred Rental Amounts for such month. All interest and earnings on the Renovation Fund shall be added to the Renovation Fund, but shall not be treated as a credit against the Renovation Fund deposits required to be made by Lessee pursuant to this subsection 5.2.5. Disbursements shall be made from the Renovation Fund only for costs which have been approved by Director and which satisfy the requirements of this subsection 5.2.5. For the purpose of obtaining Director's prior approval of any Renovation Fund disbursements, Lessee shall submit to Director on an annual basis on or before the Effective Date and each anniversary thereafter a renovation plan for the upcoming year which details the amount and purpose of anticipated Renovation Fund expenditures for which Lessee requests Director's approval, which approval shall not be unreasonably withheld. Any anticipated expenditure set forth in such renovation plan which is approved by Director as an acceptable Renovation Fund disbursement shall be considered pre-approved by Director (but only up to the amount of such expenditure set forth in the annual renovation plan) for the duration of the upcoming year. Lessee shall have the right during the course of each year to submit to Director for Director's approval revisions to the then current renovation plan in effect for such year or individual expenditures not noted on the previously submitted renovation plan. Prior to the disbursement of any amounts from the Renovation Fund, Lessee shall furnish to Director applicable invoices, evidence of payment and other back-up materials reasonably acceptable to Director concerning the use of amounts from the Renovation Fund. As long as Lessee is not then in default under the Lease, including without limitation, its obligations under this Section 5.2, if, and at such time during the last ten (10) years of the Term as, County notifies Lessee that County shall require the removal of Improvements at the end of the Term pursuant to subsection 2.6.2, Lessee shall have the right to use all remaining amounts in the Renovation Fund for Improvement removal fund purposes under such subsection 2.6.2.

5.2.6 Imputed Rent. If as of the third (3rd) anniversary of the Effective Date or any successive anniversary thereafter until the completion of the Apartment Renovation Plan for all of the Existing Apartment units, the total number of Existing Apartment units with respect to which the Apartment Renovation Plan has been completed (the "Total Completed Units") is less than the product of (i) the number of years elapsed since the Effective Date, multiplied by (ii) fifty (50) (such product referred to herein as the "Required Number"), then within sixty (60) days following such Effective Date anniversary Lessee shall pay to County "Imputed Rent" (as defined below), which Imputed Rent shall be in addition to any Annual Minimum Rent, Percentage Rent or other amounts payable by Lessee under this Lease. The Imputed Rent payable within sixty (60) days following each such Effective Date anniversary shall be an amount equal to the product of (w) the amount by which (I) the Required Number exceeds (II) the Total Completed Units, as of such Effective Date anniversary (the "Net Shortfall"), multiplied by (x) the Deemed Monthly Rent Premium (as defined below), multiplied by (y) the Applicable Percentage (as defined below), multiplied by (z) 12. For

purposes hereof, the "Deemed Monthly Rent Premium" shall mean the amount by which the average monthly per unit rental rate then in effect for existing leases of the New Apartments (i.e., not considering vacant units) exceeds the average monthly per unit rental then in effect for existing leases of the Existing Apartments (likewise, not considering vacant units). If as of any Effective Date anniversary for which the Imputed Rent must be calculated, the New Apartments have not been completed and leases commenced with respect to at least a portion of such New Apartments, then for purposes of calculating the Imputed Rent payable for such year, the average monthly per unit rental rate for the New Apartments shall be \$1,537.65, adjusted for the percentage change in the Consumer Price Index from the month of August, 1999 to the month which includes the Effective Date anniversary for which the Imputed Rent is being calculated. For purposes hereof, the "Applicable Percentage" shall mean the then effective percentage applicable to the Gross Receipts described in subsection 4.2.2(c) of this Lease in connection with the calculation of Percentage Rent. An example of the Imputed Rent calculation is attached to this Lease as Exhibit I. The Director shall have the right, but not the obligation, in its sole and absolute discretion, to waive (or reduce) the Imputed Rent required to be paid by Lessee under this subsection 5.2.6 to the extent that as of the end of any year Lessee has been prevented from completing the Apartment Renovation Plan with respect to the Required Number of Existing Apartment units as a result of the unavailability of vacant units for renovation. For purposes of clarification, in interpreting the terms and provisions of this Section 5.2, a unit shall not be considered to have been unavailable for renovation at any time after which an occupant vacates a unit if following the vacation of such unit Lessee does not commence the Apartment Renovation Plan with respect to such unit, but instead re-leases the unit for occupancy. No waiver or delay by County or the Director in requiring Lessee to pay Imputed Rent (or any portion thereof) described in this subsection 5.2.6 shall constitute a waiver by County or Director of the right to subsequently require the payment by Lessee of the full amount of Imputed Rent described herein. The Imputed Rent required to be paid by Lessee under this subsection 5.2.6 shall not in any way constitute or be interpreted as a limitation on any other right or remedy that County may have in connection with Lessee's failure to comply with its obligations under this Section 5.2. Such Imputed Rent is intended to only partially compensate County for the damages or losses which County is likely to incur in the event that the Apartment Renovation Plan work described herein is not completed within the time frames required hereunder, and in no event shall such Imputed Rent under any circumstance be construed as a penalty or in any manner limit the exercise by County of any remedies which County may have for any failure by Lessee to comply with its obligations under this Section 5.2.

5.2.7 County's Inducement. Lessee acknowledges that the principal inducement to County to enter into this Amended and Restated Lease Agreement and to extend the Term as provided herein is the timely improvement of the Premises by Lessee with the Redevelopment Work described in Section 5.1 above and the timely performance by Lessee of all of the renovation work described in this Section 5.2. Accordingly, Lessee expressly acknowledges that any failure by Lessee to perform its obligations under Section 5.1 above and this Section 5.2 in all material respects by the dates set forth herein shall constitute a material breach of and default under the Lease by

Lessee which entitles County to exercise any and all rights and remedies which County may have as a result thereof, under this Lease, at law and/or in equity.

5.2.8 Application of Article 5 to Renovation Work. For purposes of this Article 5, all of the renovation work described in this Section 5.2 shall be considered to be Alterations (as defined in Section 5.3 below). Accordingly, except as provided in this subsection 5.2.8 and Section 5.10 below, all of the terms and provisions of Sections 5.3, 5.4, 5.8, 5.9 and 5.11 of this Lease shall be applicable to the renovation work described in this Section 5.2. Notwithstanding the foregoing, to the extent that in the reasonable judgment of Director the Exhibits attached to this Lease are in the form and satisfy the requirements of any portions or components of the schematics, preliminary plans and/or final plans to be delivered by and approved by Director pursuant to Section 5.3 below, such portions or components of the schematics, preliminary plans and/or final plans shall not be required.

5.3 Plans and Specifics for Alterations. Lessee shall make no Alterations (as defined below) to the Improvements located on the Premises without the prior written approval by Director of such Alterations (including the Director's approval of the plans, specifications and other materials pertaining to such Alterations required under this Section 5.3). Subject to the terms of subsection 5.2.8 above, prior and as a condition precedent to the construction of any alterations or modifications to the Improvements located on the Premises or the construction of any new Improvements (other than the Redevelopment Work) (collectively, "Alterations"), Lessee shall submit to Director, for Director's approval, the plans, specifications and other materials described in this Section 5.3 pertaining to such Alterations. All Alterations must be consistent with the Permitted Uses set forth in Article 3 of this Lease.

5.3.1 Schematics and Narrative. Lessee shall submit to the Director six (6) sets of schematic plans together with a narrative description and construction cost estimate summary clearly delineating the nature, size, configuration and layout of the Alterations. Such plans shall, among other things, clearly delineate the architectural theme or motif of the Alterations and shall identify and illustrate all affected boundaries of the Premises and all affected rights-of-way or other areas reserved to County or third parties which are located thereon. Director shall have sixty (60) days within which to approve or disapprove such submission. Failure of Director to approve such submission in writing within said sixty (60) day period shall be deemed disapproval of said submission. Following any deemed disapproval of such submission by Director, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director's objections to the submission. After approval of schematic plans (or subsequent approval of preliminary or final plans) by Director, if changes in such plans are required by conditions of approval of the Alterations imposed by the California Coastal Commission or other governmental agency having jurisdiction thereover, Lessee shall promptly advise Director in writing of such changes and Director shall not disapprove those changes which constitute Approved Governmental Changes.

5.3.2 Preliminary Plans and Specifications. After Director's approval of the materials submitted pursuant to subsection 5.3.1, Lessee shall submit to Director six (6) sets of preliminary plans, outline specifications and construction cost estimates for the

Alterations. The preliminary plans, outline specifications and construction cost estimate shall conform to, expand upon and reflect a natural evolution from the descriptions and estimates set forth in the approved schematic plans and narrative. Any difference in the scope, size, configuration, arrangement or motif of the Improvements from those described in the approved schematics and narrative shall be separately identified and described. Director shall have twenty-one (21) days within which to approve or reasonably disapprove such submission, and Director may disapprove said preliminary plans only on the grounds that (i) they do not reflect a natural evolution from the approved schematic plans or that they materially differ from the approved schematic plans and narrative (exclusive of any Approved Governmental Changes), or (ii) that any new, different or additional specifications for the Improvements not expressly set forth in, and approved by Director as a part of, the schematic plans do not meet the requirements for the Improvements set forth in this Article 5. Failure of Director to disapprove said preliminary plans within twenty one (21) days after Director's receipt thereof shall be deemed Director's approval thereof; provided, however, that in the event that the preliminary plans, outline specifications and construction cost estimates contain substantial changes from the approved schematics and narrative (other than Approved Governmental Changes), then Director shall have sixty (60) days in which to approve said submission, which approval shall be deemed withheld if not granted in writing within such sixty (60) day period; and provided further, that together with the submission of the preliminary plans, outline specifications and construction cost estimates, Lessee must deliver to Director a transmittal letter containing the following text prominently displayed in bold faced type:

**"PURSUANT TO SUBSECTION 5.3.2 OF THE AMENDED AND
RESTATED LEASE AGREEMENT, IF THESE MATERIALS
CONTAIN NO SUBSTANTIAL CHANGES (OTHER THAN
APPROVED GOVERNMENTAL CHANGES) FROM THE
MATERIALS PREVIOUSLY SUBMITTED TO YOU, YOU HAVE
TWENTY ONE (21) DAYS AFTER RECEIPT OF THESE MATERIALS
IN WHICH TO APPROVE OR DISAPPROVE THEM. FAILURE TO
DISAPPROVE THESE MATERIALS IN WRITING WITHIN TWENTY
ONE (21) DAYS OF YOUR RECEIPT OF THESE MATERIALS
SHALL CONSTITUTE YOUR APPROVAL OF THEM."**

Following any deemed disapproval of such submission by Director, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director's objections to the submission.

5.3.3 Final Plans and Specifications. After approval of the preliminary plans, Lessee shall submit for approval by Director six (6) complete sets of final plans, detailed specifications and a construction cost statement for the Alterations, together with one (1) set of appropriate structural computations, identical to those requested or required by the County Director of Public Works incident to the issuance of building permits under the relevant provisions of the Los Angeles County Building Code. Lessee shall file duplicate copies of the final plans, detailed specifications and construction cost statement required by this Section with the County Director of Public Works, together with the

necessary and appropriate applications for building permits. Any difference in the scope, size, configuration, arrangement or motif of the Alterations from those described in the approved preliminary plans and specifications shall be separately identified and described. Director shall have twenty one (21) days within which to approve or disapprove such submission, and Director may disapprove such submission only on the grounds that (i) they do not reflect a natural evolution from or that they materially differ from the approved preliminary plans, outline specifications and construction cost estimates (exclusive of any Approved Governmental Changes), or (ii) that any new, different or additional specifications for the Improvements not expressly set forth in, and approved by Director as a part of, the preliminary plans do not meet the requirements for the Improvements set forth in this Article 5. Failure of Director to disapprove said materials within twenty one (21) days after Director's receipt shall be deemed Director's approval thereof; provided, however, that in the event that the final plans, detailed construction specifications and construction cost statement contain substantial changes from the preliminary plans, outline specifications and construction cost estimates (other than Approved Governmental Changes), then Director shall have sixty (60) days in which to approve said submission, which approval shall be deemed withheld if not granted in writing within such sixty (60) day period; and provided further, that together with the submission of the final plans, detailed construction specifications and construction cost statement, Lessee must deliver to Director a transmittal letter containing the following text prominently displayed in bold faced type:

**“PURSUANT TO SUBSECTION 5.3.3 OF THE AMENDED AND
RESTATED LEASE AGREEMENT, IF THESE MATERIALS
CONTAIN NO SUBSTANTIAL CHANGES (OTHER THAN
APPROVED GOVERNMENTAL CHANGES) FROM THE
MATERIALS PREVIOUSLY SUBMITTED TO YOU, YOU HAVE
TWENTY ONE (21) DAYS AFTER RECEIPT OF THESE MATERIALS
IN WHICH TO APPROVE OR DISAPPROVE THEM. FAILURE TO
DISAPPROVE THESE MATERIALS IN WRITING WITHIN TWENTY
ONE (21) DAYS OF YOUR RECEIPT OF THESE MATERIALS
SHALL CONSTITUTE YOUR APPROVAL OF THEM.”**

Following any deemed disapproval of such submission by Director, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director's objections to the submission. Director's approval shall not be unreasonably withheld; provided, however, that it shall be deemed reasonable to disapprove any submission not in substantial conformity with the approved preliminary plans and specifications (exclusive of any Approved Governmental Changes), or which contains new, different or additional specifications for the Improvements which were not expressly set forth in, and approved by Director as a part of, the preliminary plans and which do not meet the requirements for the Improvements set forth in this Article 5. No material modification shall be made to the Alterations described in the approved final plans, specifications and costs (the "Final Alteration Plans and Specifications") without the prior written approval of Director, which shall not be unreasonably withheld.

5.4 Conditions Precedent to the Commencement of Construction. No Redevelopment Work or Alterations shall be commenced until each and all of the following conditions have been satisfied:

5.4.1 Permits and Other Approvals. Lessee shall have received and furnished the Department with copies of all permits, licenses and other governmental approvals necessary for commencement of the Redevelopment Work or Alterations, as the case may be. All permits, licenses and other governmental approvals necessary for subsequent stages of the Redevelopment Work or Alterations shall be furnished to the County prior to commencement of such stages.

5.4.2 Copies of Construction Contracts. Lessee shall have furnished County with copies of any contract(s) entered into between Lessee and any general contractor(s) employed for the purpose of constructing the Redevelopment Work or Alterations, as the case may be.

5.4.3 Performance and Payment Bonds. Lessee shall, at its own cost and expense, have furnished County with the following separate corporate surety bonds not less than ten business (10) days prior to the commencement of construction, which bonds must be in form and content reasonably satisfactory to County:

5.4.3.1 A corporate surety performance bond ("Performance Bond") issued by a surety company licensed to transact business as such in the State of California, in an amount not less than one hundred percent (100%) of the amount of all hard construction costs approved by County in conjunction with the approved work. The Performance Bond and its issuer shall be in all material respects reasonably satisfactory to County. It shall name Lessee as principal and said issuer as surety, and County as obligee, assuring full and satisfactory performance by Lessee of Lessee's obligations herein to build, construct and otherwise complete the Improvements described in the approved final plans and specifications.

5.4.3.2 A corporate surety payment bond, issued by a surety company licensed to transact business as such in the State of California, with Lessee as principal, said company as surety and County as obligee, in a sum equal to one hundred percent (100%) of the total construction cost anticipated to be incurred in connection with the approved work, guaranteeing payment for all materials, provisions, supplies and equipment used in, upon, for or about the performance of said construction work or for labor done thereon of any kind whatsoever and protecting County from any and all liability, loss or damages arising out of or in connection with any failure to make such payment (the "Payment Bond"). The Payment Bond shall be in form and content reasonably satisfactory to County.

In the event that construction is performed by a licensed general contractor on behalf of Lessee, provided that such contractor provides County with a bond or bonds compliant with this subsection, and in all material

respects reasonably satisfactory to County and otherwise complying with this subsection, County will accept such contractor's bonds in lieu of the Performance Bond and/or Payment Bond by Lessee required by this subsection 5.4.3. Any bonds provided by Lessee or its general contractor pursuant to this subsection may shall name the Lessee's lender as an additional obligee.

5.4.4 Alternative Security. In lieu of providing the Payment and Performance Bonds, Lessee may, in its discretion, provide any one or any combination of the following alternative security: (i) a completion guaranty, in form and substance reasonably acceptable to County, made by an individual or entity with a sufficient net worth and liquidity, in the sole discretion of Director, to comply with the terms of such guaranty in view of the potential financial responsibility involved, (ii) a Certificate of Deposit, cash or United States governmental security, (iii) an additional Letter of Credit, or (iv) a Set Aside Letter from Lessee's construction lender. The security described in clauses (ii), (iii) and (iv) above shall be in an amount equal to one hundred percent (100%) of the construction contract price for hard costs, and shall permit County to draw thereon to complete the construction of the Improvements if same have not been completed by Lessee or if a material Event of Default has occurred under this Lease. Any alternative security provided by Lessee pursuant to this subsection may name County and Lessee's ~~construction~~ lender as co-beneficiaries. A condition precedent to Lessee's right to provide the alternate security described in this subsection 5.4.4 shall be delivery by Lessee to County of an opinion of counsel from a firm and in a form acceptable to County to the effect that the construction work does not constitute a public work of improvement requiring the delivery of the bonds described in subsection 5.4.3 above. Director shall have the authority, in his reasonable discretion, to modify, waive or reduce the amount of any bonds or alternate security required hereunder.

5.4.5 Evidence of Financing. Lessee shall have provided evidence satisfactory to County of its having sufficient financial resources, as determined by Director, to complete the Redevelopment Work or Alterations, as applicable. Lessee shall furnish Director with copies of all final notes, guarantees, partnership, shareholder or limited liability company agreements, construction loan and/or permanent loan commitments, documents evidencing equity contributions, documents creating and/or perfecting security interests, and all documents and exhibits referred to in any of the foregoing, together with any and all recorded documents affecting an interest in the Premises, within seven (7) days after such document or instrument becomes effective.

5.4.6 Work Schedule. With respect to the Redevelopment Work, Lessee shall have provided County with a construction schedule which will result in the completion of the Redevelopment Work on or before the Required Construction Completion Date, as such date may be extended as provided in this Article 5.

5.5 County Cooperation. In its proprietary capacity, the Department shall cooperate with and assist Lessee, to the extent reasonably requested by Lessee, in Lessee's efforts to obtain the appropriate governmental approvals, consents, permits or variances which may be required in connection with the performance by Lessee of the Redevelopment Work. Such cooperative efforts may include the Department's joinder in any application for such approval, consent,

permit or variance, where joinder therein by the Department is required or helpful; provided, however, that Lessee shall reimburse County for the Actual Cost incurred by the Department in connection with such joinder or cooperative efforts. Notwithstanding the foregoing, Lessee and County acknowledge that the approvals given by County under this Lease are approvals pursuant to its authority under Section 25907 of the California Government Code; that approvals given under this Lease in no way release Lessee from obtaining, at Lessee's expense, all permits, licenses and other approvals required by law for the construction of Improvements on the Premises and operation and other use of such Improvements on the Premises; and that the Department's duty to cooperate and County's approvals under this Lease do not in any way modify or limit the exercise of County's governmental functions or decisions as distinct from its proprietary functions pursuant to this Lease.

5.6 Delays in Completion of Redevelopment Work. Once construction of the Redevelopment Work has been Substantially Commenced, Lessee shall thereafter diligently pursue the completion of such construction by the Required Construction Completion Date. During this period, delays due to fire, earthquake, flood, tornado or other act of God, civil disturbance, war, organized labor dispute, freight embargo or other unforeseeable event reasonably beyond the control of Lessee, or a hidden condition relating to the foundation, substructure or subsurface of the Premises which was not known to Lessee as of the commencement of such construction activity, or any environmental contamination located at or discovered at the Premises which did not arise as a result of the actions or omissions of Lessee, its employees, agents or contractors ("Force Majeure") shall extend the time in which said construction must be completed by the length of time of such delay, although Lessee shall commence and complete the portions, if any, of the Improvements not impacted by such delay within the timeframe set forth in this Lease. For purposes of this Section 5.6, "Force Majeure" shall also include delays in the completion of construction caused (i) by a third party restraining order or injunction (filed by a plaintiff other than County or the California Coastal Commission) obtained after the commencement of construction, subject to Lessee's obligation to diligently pursue the removal or appeal of any such restraining order or injunction, or (ii) by Unreasonable County Activity after the commencement of construction, subject to the procedures set forth in subsection 5.7.2 below for establishing Unreasonable County Activity. Lessee and Director shall discuss and attempt to agree on the length of time of any entitled delay due to Force Majeure pursuant to this Section 5.6. If they are unable to agree within thirty (30) days after the event or occurrence giving rise to Lessee's claim to an entitlement to a delay under this Section 5.6, the matter shall be arbitrated as set forth in Article 16.

5.7 Extension of Dates. Other than as set forth in Section 5.6 above, the Required Construction Commencement Date and Required Construction Completion Date shall be extended only for the reasons set forth in this Section.

5.7.1 Injunction by Third Party, Nonregulatory Body. The Required Construction Commencement Date shall be extended if the commencement of construction of the Redevelopment Work has been enjoined or restrained by a court action commenced by a plaintiff other than County or the California Coastal Commission acting in their governmental capacity. In such case, the Required Construction Commencement Date shall be extended until forty-five (45) days after the restraining order and/or injunction is removed; provided that in no event shall the Required

Construction Commencement Date be extended beyond the second (2nd) anniversary of the date of Lessee's exercise of the Option pursuant to the Option Agreement. Whether or not a named party in such action, Lessee shall diligently pursue the removal of any restraining order or injunction so issued and shall exhaust all commercially reasonable efforts to appeal such restraining order or injunction. If the Required Construction Commencement Date is extended pursuant to this subsection 5.7.1, then the Required Construction Completion Date shall be extended to the date which is eighteen (18) months after the Required Construction Commencement Date, as so extended. ~~In the event that a permanent injunction prohibiting the construction of the Redevelopment Work becomes final and is no longer subject to appeal, then, at County's or Lessee's option, this Lease shall be amended in accordance with the Reversion Amendment.~~

5.7.2 Delay Caused by Unreasonable County Acts. The Required Construction Commencement Date shall be extended if Lessee has been delayed in the obtaining of any permits or other approvals necessary for the commencement of construction due to Unreasonable County Activity. For the purposes of this Lease, the following shall be deemed to be "Unreasonable County Activity": (i) County's failure to provide required joinder, if any, in Lessee's proposals for the Improvements described in the Final Redevelopment Work Plans and Specifications before any governmental agency; or (ii) County's failure to take such other actions in its proprietary capacity reasonably requested by Lessee, at no cost or expense to County, which are necessary for Lessee to proceed with the permit/approval process or County's having taken such actions without Lessee's consent which adversely affected Lessee's rights and obligations hereunder, which were unreasonable and which actually delayed the Substantial Commencement of Construction and which action or inaction occurred after the date hereof; or (iii) County's failure to comply with the time periods imposed upon County under this Article 5, except in the case where a failure of County to notify Lessee of its approval or disapproval of a matter constitutes County's deemed approval of such matter, or constitutes County's deemed disapproval of such matter and County's disapproval of such matter is authorized under the circumstances. Nothing contained in this Section or this Lease shall be construed as obliging County to support proposals, issue permits, or otherwise act in a manner inconsistent with County's actions under its regulatory powers. It shall not be Unreasonable County Activity if County fails to accelerate the County's customary regulatory permit/approval process. An extension shall be available under this subsection only if all of the following procedures have been followed:

(a) Within a reasonable time under the circumstances, Lessee must notify Director in writing of the specific conduct comprising the alleged Unreasonable County Activity, and the next opportunity, if any, for County to rectify such alleged conduct. If Lessee fails to notify Director in writing as specified in the immediately preceding sentence within five (5) days following Lessee's discovery of the alleged Unreasonable County Activity, then notwithstanding any contrary provision of this subsection 5.7.2, in no event shall Lessee be entitled to an extension for any period of the delay occurring prior to the date of Lessee's notice described in this paragraph (a).

(b) Within seven (7) days following receipt of the notice alleging Unreasonable County Activity, Director shall meet with Lessee or its authorized

representative in order to determine whether Unreasonable County Activity has occurred and, if so, how such Unreasonable County Activity can be rectified and the appropriate length of time of any extension pursuant to this subsection. If Director determines that Unreasonable County Activity has occurred and that County can and will take rectifying action, then the extension time shall equal the amount of actual delay directly caused by the Unreasonable County Activity. If Director determines that Unreasonable County Activity has occurred, but that County cannot take rectifying action (or if the proposed rectifying action will not produce the results desired by Lessee), then Lessee and Director shall establish the length of time of any extension based on the actual delay of the permit/approval process likely to be caused by the Unreasonable County Activity.

(c) If, within fourteen (14) days following receipt of notice alleging Unreasonable County Activity, Director and Lessee have not agreed in writing as to whether or not an extension is appropriate, or if appropriate, the length of any such extension, then the matter shall be referred to binding arbitration in accordance with Article 16 of this Lease. The arbitrator shall be instructed that, if Unreasonable County Activity has occurred, then the standards set forth in subsection (b) above will be applied to determine the length of any extension.

The period of any extension pursuant to this subsection shall be equal to the period of the delay caused by the Unreasonable County Activity. If the Required Construction Commencement Date is extended pursuant to this subsection 5.7.2, then the Required Construction Completion Date shall be extended to the date which is eighteen (18) months after the Required Construction Commencement Date, as so extended.

5.7.3 Delay in Obtaining Permits or Approvals. Except as otherwise provided in subsection 5.7.4, if as of the Required Construction Commencement Date (as it may be extended as provided above), Lessee has not obtained a permit or other approval necessary to the commencement of construction from a regulatory body or agency other than County, or such regulatory body has obtained an injunction preventing the commencement of construction, and such permits, approvals or the removal of such injunction constitute(s) the major remaining impediment to the commencement of construction, then the Required Construction Commencement Date shall be extended to forty-five (45) days after the date upon which such permit is issued or injunction dissolved, provided that (1) Lessee has exhausted and continues to exhaust all commercially reasonable efforts to obtain such approval or permit or dissolution of such injunction, and (2) such extended Required Construction Commencement Date shall not be later than the second (2nd) anniversary of the date of Lessee's exercise of the Option pursuant to the Option Agreement. If the Required Construction Commencement Date is so extended, then the Required Construction Completion Date shall be extended to the date which is eighteen (18) months after the Required Construction Commencement Date, as so extended. The extension provided by this subsection shall be the only extension available in a situation where such permits and/or approvals have not been issued or such regulatory body or agency has obtained such an injunction.

5.7.4 Limitation of Extensions. Notwithstanding the foregoing, Lessee shall not be entitled to any extension unless Lessee had actually been pursuing the

process of obtaining all permits, approvals, financing and other items necessary for the Substantial Commencement of Construction with due diligence, and unless all Improvements specified and plans and specifications submitted by Lessee in connection with any such permit, approval, financing or other item substantially conformed to (i) the Final Redevelopment Work Plans and Specifications, and (ii) the land use laws and regulations and the Local Coastal Plan (except for any required density transfer between Development Zones) existing as of the date of execution of this Lease by Lessee.

5.7.5 Obligation to Pay Rent. Notwithstanding anything to the contrary contained in this Lease, no extension, relaxation or modification of the requirement to Substantially Commence construction of the Redevelopment Work by the Required Construction Commencement Date and complete such Improvements by the Required Construction Completion Date, shall relieve Lessee of its obligation to pay County the Annual Minimum Rent, Percentage Rent and other amounts set forth in Article 4 of this Lease.

~~5.7.6 Failure to Reach Substantial Commencement. Lessee agrees that the primary purpose for County having entered into this Lease is to provide the public with the opportunity to enjoy the Improvements described in the Final Redevelopment Work Plans and Specifications at the earliest practicable date. Therefore, it is understood and agreed that the time period for the Substantial Commencement of Construction shall be strictly enforced (subject to any extensions expressly provided in this Article 5) and should Lessee, or any party claiming through Lessee, fail to meet the conditions for Substantial Commencement of Construction within the terms of this Article 5, then at County's option this Lease shall be amended in accordance with the Reversion Amendment.~~

5.8 Manner of Construction.

5.8.1 General Construction Standards. All construction, alteration, modification or repairs permitted herein shall be accomplished by Lessee with due diligence. Lessee shall take all reasonable steps to minimize any damage, disruption or inconvenience caused by such work and make adequate provisions for the safety and convenience of all persons affected thereby. Lessee shall repair, at its own cost and expense, any and all damage caused by such work, and shall restore the area upon which such work is performed to a condition which is at least equal to or better than the condition which existed before such work was commenced. Additionally, Lessee shall pay or cause to be paid all costs and expenses associated therewith and shall indemnify, defend and hold County harmless from and against all damages, costs, expenses, losses or claims arising out of or in connection with the performance of such work, except to the extent that such damages, costs, expenses, losses or claims are caused by County. Dust, noise and other effects of such work shall be controlled using accepted measures customarily utilized in order to control such deleterious effects associated with construction projects in well populated and developed areas of southern California.

5.8.2 Utility Work. Any work performed by or on behalf of Lessee or any occupant of the Premises to connect to, repair, relocate, maintain or install any storm

drain, sanitary sewer, water line, gas line, telephone conduit, or any other utility service shall be performed in a manner that minimizes interference with the provision of such services to the Premises and other persons.

5.8.3 Construction Safeguards. Lessee shall erect and properly maintain at all times, as required by the conditions and the progress of work performed by or on behalf of Lessee, all necessary safeguards for the protection of workers and the public.

5.8.4 Compliance with Construction Documents and Laws; Issuance of Permits. All Improvements on the Premises shall be completed in substantial compliance with any construction documents approved by County and also in compliance with all applicable local, state and federal laws and regulations. Lessee shall have the sole responsibility for obtaining all necessary permits and shall make application for such permits directly to the person or governmental agency having jurisdiction thereover.

5.8.5 Notice to Director; Damage to County Improvements. Lessee further agrees to keep Director apprised of the progress of the work to the end that Director may, upon at least one (1) Business Day advance notice, timely inspect the Premises to assure proper safeguarding of any County-owned improvements existing on or around the Premises, including but not limited to seawalls, underground conduits and utility lines. If any such County-owned improvement is damaged as a result of construction activity by Lessee or its contractors, Lessee agrees to repair such damage immediately at no cost or expense to County. Lessee shall add the work necessary to repair such damage to the construction schedule for the Redevelopment Work (or other Alteration work, as applicable), and shall complete such repair work in accordance with such schedule; provided that if such damage to County-owned improvements creates a threat to public health and safety or materially adversely affects the condition, appearance or operation of any County-owned improvement or of any other property, then Lessee shall promptly commence the completion of such repair work and complete such repair work as soon as reasonably possible thereafter. In the event that Lessee fails to effectuate such repair in accordance with the foregoing requirements, County may enter upon the Premises to make such repairs, the Actual Cost of which shall be paid by Lessee within five (5) business days after demand by County. This subsection 5.8.5 shall not be deemed to impose upon Lessee any obligation to repair damage to County-owned improvements existing on or around the Premises if such damage was not incurred as a result of Lessee's construction activities.

5.8.6 Rights of Access. Representatives of the Department of Beaches and Harbors of the County shall, upon reasonable notice and at reasonable times during normal business hours, have the right of reasonable access to the Premises and the Improvements thereon without charges or fees, but at no cost or expense to Lessee, for the purpose of ascertaining compliance with the terms and conditions of this Lease, including but not limited to the inspection of the construction work being performed. Such access shall be reasonably calculated to minimize interference with Lessee's construction and/or operations, and County shall comply with industry safety standards in connection with any such access. Lessee shall have the right to have a representative present to accompany the representatives of the Department of Beaches and Harbors of

the County in connection with such access. In the event of any emergency which is life-threatening or which involves the threat of potential substantial damage, County shall have the right to enter the Premises immediately and without notice to or accompaniment by Lessee.

5.8.7 Notice of Completion. Upon completion of the Redevelopment Work or any Alterations, Lessee shall file or cause to be filed in the Official Records of the County of Los Angeles a Notice of Completion (the "Notice of Completion") with respect to the Improvements and Lessee shall deliver to County, at no cost to County, two (2) sets of reproducible final as-built plans and specifications of the relevant Improvements.

5.8.8 Final Completion Certificate. Promptly after completion of the Redevelopment Work, the Apartment Renovation Work or the dock renovation work described in subsection 5.2.4 above, upon Lessee's request, County shall execute and deliver to Lessee a final completion certificate (the "Final Completion Certificate") as to the work which is the subject thereof, which shall conclusively evidence the completion of such work by Lessee in accordance with the terms of this Lease.

5.9 Use of Plans. Contracts between Lessee and any architect, design professional or licensed contractor in connection with the construction, alteration or modification of Improvements on the Premises shall provide, in form and content reasonably satisfactory to County, for the assignment thereof to County (and Lessee's Encumbrance Holder(s) if required by Lessee's Encumbrance Holder(s)) as security to County for Lessee's performance hereunder, and County shall be furnished with a copy of any such contract, together with the further agreement of the parties thereto, that if this Lease is terminated by County due to Lessee's default, County (or if County enters into a new Lease with Lessee's Encumbrance Holder pursuant to Article 12, then Lessee's Encumbrance Holder) may, at its election, use any plans and specifications created by such architect, design professional or contractor in connection with the contract, upon the payment of any sums due to any party thereto. County's right to elect to use plans and specifications as described above shall not include the unauthorized right to use any trade marks, trade names or logos of Lessee or any such architect, design professional or contractor. The assignment to County and Lessee's Encumbrance Holder(s) described in this Section 5.9 shall be effective until the Final Completion Certificate for the subject work is issued, and shall be subordinate to the security interest, if any, of Lessee's construction lender in the assigned contract, which subordination shall be in a form reasonably acceptable to Lessee's construction lender.

5.10 Where Director Approval Not Required. Notwithstanding the foregoing, and notwithstanding anything to the contrary in this Article 5, Lessee shall not be required to seek or obtain the approvals of Director described in this Article 5 (including those set forth in Section 5.3) for Alterations (other than the Apartment Renovation Work or any modifications to the Apartment Renovation Work) where all of the following conditions are satisfied: (i) the total cost of the project is less than One Hundred Thousand Dollars (\$100,000), adjusted annually to reflect the increase or decrease in the ENR Index from and after the Effective Date (provided, however, that in no event shall such adjustment result in a reduction of the threshold for Director approval to less than One Hundred Thousand Dollars (\$100,000)); (ii) none of the proposed

construction activity is structural in nature; and, (iii) none of the proposed construction, additions, modifications or changes affect or are visible from the exterior of the Premises; provided, however, that whenever Lessee makes or constructs or permits any improvements in or to the Premises, Lessee shall (a) give written notice thereof (including a description of the work to be done and the permits obtained for such work), and (b) furnish a copy of "as-built" plans upon completion of such work to County.

5.11 Protection of County. Nothing in this Lease shall be construed as constituting the consent of County, express or implied, to the performance of any labor or the furnishing of any materials or any specific Improvements, alterations or repairs to the Premises of any part thereof by any contractor, subcontractor, laborer or materialman, nor as giving Lessee or any other person any right, power or authority to act as agent of or to contract for, or permit the rendering of, any services, or the furnishing of any materials, in any such manner as would give rise to the filing of mechanics' liens or other claims against the County's interest in the Premises or County.

5.11.1 Posting Notices. County shall have the right at all reasonable times and places to post and, as appropriate, keep posted, on the Premises any notices which County may deem necessary for the protection of County's interest in the Premises from mechanics' liens or other claims. Lessee shall give County at least ten (10) business days prior written notice of the commencement of any work to be done on the Premises under this Article 5, in order to enable County timely to post such notices.

5.11.2 Prompt Payment. Lessee shall make, or cause to be made, prompt payment of all monies due and owing to all persons doing any work or furnishing any materials or supplies to Lessee or any of its contractors or subcontractors in connection with the Premises and the Improvements thereon. Lessee shall have the right to contest any such amount; provided, however, the entire expense of any such contest (including interest and penalties which may accrue) shall be the responsibility of Lessee.

5.11.3 Liens; Indemnity. Subject to Lessee's rights to contest the same prior to payment, Lessee shall keep the Premises and any Improvements thereon free and clear of all mechanics' liens and other liens arising out of or in connection with work done for Lessee and/or any parties claiming through Lessee. Lessee agrees to and shall indemnify, defend and hold County harmless from and against any claim, liability, loss, damages, costs, expenses, attorneys' fees incurred in defending and all other expenses on account of claims of lien(s) of laborers or materialmen or others for work performed or materials or supplies furnished to Lessee or persons claiming under it.

In the event any lien is recorded, Lessee shall, within five (5) business days after demand, furnish any one of the following, as determined by Lessee: (i) the bond described in California Civil Code Section 3143, or successor statute, which results in the removal of such lien from the Premises, (ii) a Set Aside Letter from Lessee's construction lender, in form and substance reasonably satisfactory to County, setting aside sufficient funds from Lessee's construction loan for the satisfaction of such lien, or (iii) a title insurance policy or endorsement insuring County against any loss or liability arising out of such lien, together with any other evidence requested by County to evidence that such claim will be paid, removed or discharged as a claim against the Premises and/or County.

6. CONDEMNATION.

6.1 Definitions.

6.1.1 Condemnation. "Condemnation" means (1) the exercise by any governmental entity of the power of eminent domain, whether by legal proceedings or otherwise, and (2) a voluntary sale or transfer to any Condemnor (as hereafter defined), either under threat of Condemnation or while legal proceedings for Condemnation are pending.

6.1.2 Date of Taking. "Date of Taking" means the date the Condemnor has the right to possession of the Premises being condemned.

6.1.3 Award. "Award" means all compensation, sums or anything of value awarded, paid or received from a total or partial Condemnation.

6.1.4 Condemnor. "Condemnor" means any public or quasi-public authority, or private corporation or individual, having the power of eminent domain.

6.2 Parties' Rights and Obligations to be Governed by Lease. If, during the Term of this Lease, there is any taking of all or any part of the Premises, any Improvements on the Premises or any interest in this Lease by Condemnation, the rights and obligations of the parties shall be determined pursuant to the provisions of this Article 6.

6.3 Total Taking. If the Premises are totally taken by Condemnation, this Lease shall terminate on the Date of Taking.

6.4 Effect of Partial Taking. If a portion of the Premises or the Improvements thereon are taken by Condemnation, this Lease shall remain in effect, except that Lessee may elect to terminate this Lease if the remaining portion of the Premises are rendered unsuitable (as defined herein) for Lessee's continued use for the purposes contemplated by this Lease. The remaining portion of the Premises shall be deemed unsuitable for Lessee's continued use if, following a reasonable amount of reconstruction (to the extent that funds therefor are available from the anticipated Award), Lessee's business on the Premises could not be operated at an economically feasible level. Lessee must exercise its right to terminate by giving County written notice of its election within ninety (90) days after the nature and extent of the taking and the probable amount of compensation have been determined. Such notice shall also specify the date of termination, which shall not be prior to the Date of Taking. Failure to properly exercise the election provided for in this Section 6.4 will result in this Lease's continuing in full force and effect, except that Annual Minimum Rent shall be abated pursuant to Section 6.5, below.

In the event that Lessee does not elect to terminate this Lease as provided above, then Lessee, whether or not the Awards or payments, if any, on account of such taking shall be sufficient for the purpose, shall, at its sole cost and expense, within a reasonable period of time, commence and complete restoration of the remainder of the Premises as nearly as possible to its value, condition and character immediately prior to such taking, taking into account, however, any necessary reduction in size or other change resulting from the taking; provided, however,

that in case of a taking for temporary use, Lessee shall not be required to effect restoration until such taking is terminated.

6.5 Effect of Partial Taking on Rent. If any portion of the Premises is taken by Condemnation and this Lease remains in full force and effect as to the portion of the Premises not so taken (a "Partial Taking"), the Annual Minimum Rent shall be reduced as of the date of the Partial Taking to an amount equal to the Annual Minimum Rent multiplied by the ratio of the fair market value of the portion of the Premises not so taken to the fair market value of the entire Premises immediately prior to the Partial Taking, but without regard to any diminution in value resulting from the imminent taking. Upon the next Annual Minimum Rent Adjustment Date, as described in Section 4.3 above, if any, for the purposes of adjusting the Annual Minimum Rent, all Annual Minimum Rent and Percentage Rent paid by Lessee to County prior to the date of the Partial Taking shall be adjusted, for the purposes of this calculation only, to the proportion that the fair market value of the portion of the Premises which remains after the taking bears to the fair market value of the entire Premises immediately prior to the taking. If the parties cannot agree upon the appropriate Annual Minimum Rent, the matter shall be settled through arbitration in the manner set forth in Article 16 hereof. Any determinations of fair market value made pursuant to this Section 6.5 in connection with any arbitration proceeding shall be predicated upon the "income approach" or "income capitalization approach" to property valuation, as defined in The Dictionary of Real Estate Appraisal and/or The Appraisal of Real Estate, published by the Appraisal Institute or any successor organization (the "Income Approach"). All other obligations of Lessee under this Lease, including but not limited to the obligation to pay Percentage Rent, shall remain in full force and effect.

6.6 Waiver of Code of Civil Procedure Section 1265.130. Each party waives the provisions of Code of Civil Procedure Section 1265.130 allowing either party to petition the Superior Court to terminate this Lease in the event of a Partial Taking of the Premises.

6.7 Payment of Award. Awards and other payments on account of a taking, less costs, fees and expenses incurred in the collection thereof ("Net Awards and Payments"), shall be applied as follows:

6.7.1 Partial Taking Without Termination. Net Awards and Payments received on account of a Taking other than a total Taking or a Partial Taking which results in termination hereof or a taking for temporary use shall be held by County and shall be paid out to Lessee or Lessee's designee(s), in progress payments, to pay the cost of restoration of the Premises. The balance, if any, shall be divided between County and Lessee pro rata, as nearly as practicable, based upon (1) the then value of County's interest in the Premises (including its interest hereunder) and (2) the then value of Lessee's interest in the remainder of the Term of this Lease including bonus value (for such purposes, the Term of this Lease shall not be deemed to have terminated even if Lessee so elects under Section 6.4). Any determinations of fair market value made pursuant to this Section 6.5 shall be predicated upon the Income Approach.

In case of a taking other than a total taking or a taking for temporary use, Lessee shall furnish to County evidence satisfactory to County of the total cost of the restoration required by Section 6.4.

6.7.2 Taking For Temporary Use. Net Awards and Payments received on account of a taking for temporary use shall be paid to Lessee; provided, however, that if any portion of any such award or payment is paid by the Condemnor by reason of any damage to or destruction of the Improvements, such portion shall be held and applied as provided in the first sentence of Section 6.7.1, above.

6.7.3 Total Taking and Partial Taking with Termination. Net Awards and Payments received on account of a total taking or a Partial Taking which results in the termination of this Lease shall be allocated in the following order:

First: There shall be paid to County an amount equal to the greater of (a) the sum of (1) the present value of all Annual Minimum Rent, Percentage Rent and other sums which would become due through the expiration of the Term if it were not for the taking less, in the event of a Partial Taking, an amount equal to the present value of the fair rental value of the portion of the Premises (with the Improvements thereon) not subject to the Partial Taking, from the date of the Partial Taking through the expiration of the Term and (2) the present value of the portion of the Premises (with the Improvements thereon) subject to the taking from and after the expiration of the Term or (b) in the event of a Partial Taking, the present value of the fair market rental value of the portion of the Premises (with the Improvements thereon) subject to the Partial Taking, from and after the expiration of the Term.

Second: There shall be paid to any Encumbrance Holder an amount equal to the sum of any unpaid principal amount of any Encumbrance secured by the Premises plus costs, expenses, and other sums due pursuant the loan documents, if any, and any interest accrued thereon, all as of the date on which such payment is made; and then

Third: There shall be paid to Lessee an amount equal to the value of Lessee's interest in the remainder of the Term of this Lease, including the value of the ownership interest in and use of the Improvements constructed on the Premises, determined as of the date of such taking, less payments made under paragraph Second above. For such purposes, the Term of this Lease shall not be deemed to have terminated even if Lessee so elects under Section 6.4.

Fourth: The balance shall be paid to County.

6.7.4 Disputes. Any dispute under Article 6 concerning the fair market value of the Premises or any portion thereof, computation of present value or the determination of the amount of Annual Minimum Rent or Percentage Rent or other sums which would have become due over the Term of this Lease which are not resolved by the parties, shall be submitted to arbitration pursuant to Article 16 of this Lease. Such valuations, computations and determinations of value shall be made utilizing the Income Approach.

7. SECURITY DEPOSIT.

7.1 Amount and Use. On or prior to the Effective Date, Lessee shall deliver to County a security deposit (the "Security Deposit") in the amount of one-twelfth (1/12th) of the total Annual Rent that was payable by Lessee for the year immediately preceding the Effective Date. County shall apply the current balance of any security deposit under the Existing Leases as a credit against the Security Deposit required to be delivered by Lessee under this Section 7.1. On or before each of the first ten (10) anniversaries of the Effective Date, Lessee shall deliver to County an additional amount equal to one-tenth (1/10th) of the amount by which \$200,000 exceeds the amount of the Security Deposit required as of the Effective Date. As of the tenth (10th) anniversary of the Effective Date and thereafter during the remainder of the Term, the Security Deposit maintained by Lessee with County shall be adjusted as of each January 1 to a sum equal to the greater of (i) \$200,000 or (ii) one-twelfth (12th) of the total Annual Rent which was payable by Lessee for the immediately preceding calendar year. The Security Deposit shall secure Lessee's obligations pursuant to this Lease, and may be drawn on by County, in whole or in part, to cover (a) delinquent rent not paid by Lessee within any applicable notice and cure period, and (b) any other Events of Default of Lessee under this Lease. The Security Deposit shall be applied at the discretion of County. Lessee shall have the right to maintain the Security Deposit in form of cash or in lieu or replacement of the cash Security Deposit requirement described above, in the form of a certificate of deposit, letter of credit or other approved investment instrument acceptable to County with respect to form, content and issuer. As long as no Event of Default by Lessee exists under the Lease, Lessee shall be entitled to any interest or other earnings which are actually earned on any unapplied portions of the Security Deposit delivered to County in the form of a certificate of deposit or other approved investment instrument (as opposed to cash, on which Lessee shall not be entitled to interest). Provided that no Event of Default then exists under the Lease, at the end of each Lease Year Lessee shall be entitled to a credit for all unexpended interest accruing to Lessee's benefit with respect to the Security Deposit during such Lease Year pursuant to the immediately preceding sentence. Notwithstanding any contrary provision hereof, County shall have the right at any time to apply any accrued but uncredited interest (which accrued during non-Event of Default periods) against delinquent rents and other amounts owed by Lessee under the Lease.

7.2 Replacement. In the event that some or all of the Security Deposit is drawn against by County and applied against any delinquent rent not paid by Lessee within any applicable notice or cure period, or against other Events of Default of Lessee hereunder, Lessee shall, within ten (10) days after receipt of written notice of the amount so applied and the reasons for such application, deposit sufficient additional funds with County, or cause the issuer of the Letter of Credit to reinstate the letter of credit to its full face amount, so that at all times that this Lease is in effect (other than between the date of the application of funds by County and the expiration of said ten (10) day period), the full amount of the Security Deposit shall be available to County. Failure to maintain and replenish the Security Deposit, if not cured within the time period set forth in subsection 13.1.3, shall constitute an Event of Default hereunder.

7.3 Renewal. Any Letter of Credit procured by Lessee and delivered to County shall provide for notice to County by the issuer thereof no less than sixty (60) days prior to the expiration of the term of such Letter of Credit in the event that the issuer thereof is not irrevocably committed to renew the term of such Letter of Credit. In the event that, thirty (30)

days prior to the expiration of such Letter of Credit, Lessee has not provided County with satisfactory evidence of its renewal or replacement, or has not provided County with adequate replacement security, County may draw down upon the Letter of Credit and hold the funds as security for Lessee's obligations as set forth in this Lease and may apply the funds to cover delinquent rent not paid by Lessee within any applicable notice and cure period and/or any other Event of Default of Lessee under this Lease.

8. INDEMNITY.

Except to the extent caused by the gross negligence or willful misconduct of any such indemnitee, Lessee shall at all times relieve, defend, indemnify, protect, and save harmless County and its respective Boards, officers, agents, consultants, counsel, employees and volunteers from any and all claims, costs, losses, expenses or liability, including expenses and reasonable attorneys' fees incurred in defending against the same by an attorney selected by Lessee and reasonably satisfactory to County, for the death of or injury to persons or damage to property, including property owned or controlled by or in the possession of County or any of its Board, officers, agents, employees or volunteers, to the extent that such arises from or is caused by (a) the operation, maintenance, use, or occupation of the Premises (other than the Promenade and the Seawall) by Lessee or its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, (b) the acts, omissions, or negligence of Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, or (c) the failure of Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees to observe and abide by any of the terms or conditions of this Lease or any applicable law, ordinance, rule, or regulation. The obligation of Lessee to so relieve, indemnify, protect, and save harmless County and each of its respective Boards, officers, agents, consultants, counsel, employees and volunteers, shall continue during any periods of occupancy or of holding over by Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, beyond the expiration of the Term or other termination of this Lease. Notwithstanding anything in this Lease to the contrary, Lessee and County acknowledge that their respective liability, if any, arising out of the operation, maintenance, use and/or occupation of the Promenade shall be governed by Applicable Law.

9. INSURANCE.

Lessee shall maintain at all times during the Term of this Lease policies of liability, worker's compensation and property insurance from companies authorized to transact business in the State of California by the Insurance Commissioner thereof.

9.1 Property Insurance. The policy of property insurance shall provide fire insurance with extended coverage, insuring against loss or damage by fire, lightning and the additional perils included in the standard extended coverage endorsement, as well as those included in the "all risk" policy, and burglary and theft insurance, on the structures, Improvements, inventory, trade fixtures, furnishings and equipment used or to be used by Lessee on the Premises. Such insurance shall be in an amount sufficiently adequate to enable the resumption of the leasehold operations by Lessee following the occurrence of any of the risks covered by said insurance. The policy shall provide standard fire and extended coverage insurance, and shall cover vandalism, malicious mischief, and those risks ordinarily defined in "All-Risk coverage." The

policy shall also contain "business interruption", "rental interruption" and/or continuous operation coverage equal to one (1) year's Annual Minimum Rent. During periods of substantial construction on the Premises, Lessee or Lessee's contractor will provide completed value builder's risk insurance reasonably satisfactory to County, together with (i) broad form liability and breach of warranty coverages by endorsement; and (ii) non owned, non hired automotive liability coverage with a policy limit of Two Million and 00/100 Dollars (\$2,000,000). Such insurance shall be in an amount equal to one hundred percent (100%) of the full replacement cost of said buildings, structures, equipment, and Improvements (other than those portions of the Improvements which are not capable of being damaged by risks covered under an all risk policy), with a deductible not greater than five percent (5%) of such replacement cost (as such replacement cost is determined by such insurance company and approved by County's risk manager), and shall be placed and maintained with such insurance company or companies and in such form as shall be reasonably satisfactory to County.

9.2 Form of Policy. All such insurance policies, along with their endorsements, shall name the Major Sublessee, if any, County and its respective Board of Supervisors and members thereof, and County's officers, agents, employees and volunteers, as additional insureds and any Encumbrance Holder as loss payee. ~~Upon~~Subject to Section 12.8, upon the occurrence of any loss, the proceeds of such insurance shall be held by County in trust for the named insureds as their interests appear, and shall be disbursed by County on a monthly basis to pay for work completed in accordance with then-prevailing industry custom and practice; provided, however, that if the insurance proceeds received with respect to a loss are less than \$500,000 (as adjusted to reflect any increase in the ENR Index during the period from the Effective Date through the date of the loss), the Encumbrance Holder shall have the right to hold and disburse such proceeds to pay the renovation and repair of Improvements in accordance with the terms of the loan agreement or deed of trust with Lessee's Encumbrance Holder. In the event of a loss, Lessee shall be obligated to rebuild or replace the destroyed or damaged buildings, structures, equipment, and Improvements, in accordance with the procedures set forth hereinabove for the initial construction, except as otherwise provided in Article 11 hereof. Any surplus or proceeds after said rebuilding or replacement shall be distributed to Lessee.

Subject to the immediately following grammatical paragraph, a duplicate policy or policies evidencing such insurance coverage, in such form as shall be reasonably acceptable to County, shall be filed with Director no later than five (5) business days after the Effective Date, and such policy or policies shall provide that such insurance coverage will not be canceled or reduced without at least thirty (30) days prior written notice to Director or ten (10) business days in case of cancellation for failure to pay the premium. At least ten (10) business prior to the expiration of such policy, a certificate showing that such insurance coverage has been renewed shall be obtained by Lessee and filed with Director.

In lieu of submitting a copy of the policy or policies evidencing the above insurance, Lessee may submit in a form reasonably acceptable to County a certificate of insurance.

Any such policy may be issued in the form of a blanket policy insuring other properties, in form, amount and content reasonably satisfactory to County, taking into account

any additional protection that County reasonably deems prudent to provide for losses related to such other properties.

9.3 Liability Insurance. Lessee shall maintain in full force and effect during the Term of this Lease, comprehensive general liability insurance together with premises operations, products, completed operations, advertising, independent contractor and contractual liability coverages, including liquor liability, with a combined single limit of not less than Ten Million Dollars (\$10,000,000) per occurrence, Twenty Million Dollars (\$20,000,000) annual aggregate; Lessee agrees that County and its respective Board of Supervisors and members thereof, and County's officers, agents, employees and volunteers, shall be named as additional insureds under such liability insurance policy or policies.

Subject to Lessee's option to provide a certificate of insurance as set forth below, a duplicate policy or policies evidencing such insurance coverage shall be obtained by Lessee and filed with Director no later than five (5) business days after the Effective Date, and said policy shall provide that such insurance coverage shall not be canceled or reduced without at least thirty (30) days prior written notice to Director or ten (10) business days in case of cancellation for failure to pay the premium. At least thirty (30) days prior to the expiration of any such policy, a policy showing that such insurance coverage has been renewed or extended shall be filed with Director.

The amounts of liability insurance required by this Section shall be subject to renegotiation as of each fifth (5th) anniversary of the Effective Date (each, an "Insurance Renegotiation Date"). If County and Lessee cannot agree upon the amount of insurance by the sixtieth (60th) day preceding an Insurance Renegotiation Date, the matter shall be resolved by binding arbitration in accordance with Article 16. In no event shall the amounts of liability insurance be decreased as a result of such renegotiation or arbitration. Following such renegotiation or arbitration, the parties shall execute an amendment to this Lease setting forth the renegotiated insurance provisions or the arbitration judgment, as appropriate.

In lieu of submitting a copy of the policy or policies evidencing the above insurance, Lessee may submit in a form reasonably acceptable to County a certificate of insurance.

Any such policy may be issued in the form of a blanket policy insuring other properties, in form, amount and content reasonably satisfactory to County, taking into account any additional protection that County reasonably deems prudent to provide for losses related to such other properties.

9.4 Worker's Compensation Insurance. Lessee shall maintain in force during the Term of this Lease, in an amount and with coverage in compliance with applicable California law or, if no such law exists, then reasonably satisfactory to Director, Worker's Compensation Insurance.

9.5 Required Provisions. Lessee's insurance policies required by this Article 9 shall be for a term of not less than one year and shall additionally provide:

(a) that the full amount of any losses to the extent insurance proceeds are available shall be payable to additional insureds notwithstanding any act, omission or negligence of Lessee which might otherwise result in forfeiture of such insurance;

(b) in any property insurance policy, a waiver of all right of subrogation against County and its respective Board of Supervisors and members thereof, and County's officers, agents, employees and volunteers with respect to losses payable under such policies;

(c) in any property insurance policy, that such policies shall not be invalidated should the insured waive, prior to a loss, any or all right of recovery against any party for losses covered by such policies;

(d) that the policies shall provide coverage on a "primary basis" with respect to the additional insureds, regardless of any other insurance or self-insurance that such additional insureds may elect to purchase or maintain;

(e) that losses, if any, shall be adjusted with and payable to Lessee, County and Encumbrance Holders, if any, pursuant to a standard mortgagee clause;

(f) that such policies shall not be suspended, voided, canceled, reduced in coverage or in limits or materially changed without at least thirty (30) days prior written notice to County and all Encumbrance Holders or ten (10) business days in case of cancellation for failure to pay the premium;

(g) that the insurance shall apply separately to each insured against whom a claim is made, except with respect to the overall limits of said insurer's liability; and,

(h) that such policies shall contain no special limitations on the scope of protection afforded to the additional insureds, and no failure to comply with the reporting provisions of such policies shall affect the coverage afforded to such additional insureds.

9.6 Failure to Procure Insurance. Failure of Lessee to procure or renew the herein required insurance shall, if not cured within five (5) days after written notice from County, constitute a default hereunder. In the event of such failure, in addition to the other rights and remedies provided hereunder, County may, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith and all monies so paid by County shall be repaid by Lessee, with interest thereon at the Applicable Rate, to County within five (5) days after Lessee's receipt of written demand therefor.

10. MAINTENANCE AND REPAIR; DAMAGE AND DESTRUCTION.

10.1 Lessee's Maintenance and Repair Obligations. In addition to, and not in derogation or limitation of, any specific obligations of Lessee under Section 5.2.4 of this Lease respecting Lessee's repair and maintenance of the Anchorage Facilities, Lessee shall maintain the Premises, including paved or unpaved ground surfaces and Improvements thereon (including the Promenade, but excluding the Excluded Conditions and excluding the Seawall), in conformance with the Minimum Standards regarding the use and occupancy of residential

apartment buildings and marina facilities in Marina del Rey (such as the Premises) as revised from time to time by County in a manner consistent with commercially reasonable maintenance standards applicable to other comparable residential apartment buildings and marina facilities in Marina del Rey (the "Maintenance Standard"). Any dispute as to whether revisions to the Minimum Standards adopted by the County from time to time pursuant to the immediately preceding sentence are commercially reasonable shall be submitted to arbitration pursuant to Article 16 of this Lease. Without limiting the foregoing, at Lessee's sole cost and expense, but subject to the terms and conditions of this Lease, Lessee shall keep and maintain the Premises (including the Promenade) and all equipment, Improvements or physical structures of any kind which may exist or be erected, installed or made on the Premises in good and substantial repair and condition, including without limitation capital improvements and structural and roof repairs and replacement, and shall make all necessary repairs and alterations and replacements thereto, except as otherwise provided in this Article 10. Lessee shall undertake such repairs, alterations or replacements in compliance with Applicable Laws, the Maintenance Standard and the terms and provisions of this Article 10. Lessee shall maintain all Improvements on the Premises (other than the Excluded Conditions and the Seawall) in a safe, clean, wholesome and sanitary condition, in the commercially reasonable judgment of Director, and in compliance with all Applicable Laws. Lessee shall, at its own cost and expense, install, maintain and replace landscaping between the streets abutting the Premises and the building footprints on the Premises as is necessary in the commercially reasonable judgment of the Director to maintain the appearance of the Premises in a manner consistent with the Maintenance Standard. Lessee specifically agrees to provide proper containers for trash and garbage which are screened from public view, to keep the Premises free and clear of rubbish and litter. County in its proprietary capacity shall have the right to enter upon and inspect the Premises at any reasonable time for cleanliness, safety and compliance with this Section 10.1, as long as such entrance is not done in a manner which would unreasonably interfere with the operation of the Premises. The exclusion of the Excluded Conditions and the Seawall from Lessee's maintenance obligations under this Section 10.1 shall not relieve Lessee from the obligation to repair and restore any damage to the Excluded Conditions and/or the Seawall caused by Lessee, its agents, employees, subtenants or contractors, or by Improvements constructed by or on behalf of Lessee, and Lessee hereby agrees to perform such repair or restoration work at Lessee's sole cost and expense.

10.2 Option to Terminate for Uninsured Casualty. In the event of any damage to or destruction of the Premises, or any Improvements located thereon (other than the Excluded Conditions and the Seawall, except to the extent damage thereto is caused by the Lessee, its agents, employees, subtenants or contractors, or by Improvements constructed by or on behalf of Lessee), Lessee shall, except as otherwise expressly provided in this Section 10.2, promptly (taking into consideration the necessity of obtaining approvals and permits for such reconstruction) repair and/or restore such Improvements to their condition existing prior to the damage or destruction. Except as otherwise expressly provided in this Section 10.2, such obligation to repair and restore is absolute, and is in no way dependent upon the existence or availability of insurance proceeds. Repair and restoration of any damage or destruction shall take place in accordance with the provisions of Article 5. Notwithstanding the foregoing, Lessee shall have the option to terminate this Lease and be relieved of the obligation to restore the Improvements on the Premises where all or substantially all of the Improvements on the Premises (other than the Excluded Conditions and the Seawall) are substantially damaged or

destroyed and such damage or destruction resulted from a cause not required to be insured against by this Lease (an "Uninsured Loss"), and where all of the following occur:

10.2.1 No more than one hundred (100) days following the Uninsured Loss, Lessee shall notify County of its election to terminate this Lease; to be effective, this notice must include both a copy of Lessee's notification to the Encumbrance Holder, if any, of Lessee's intention to exercise this option to terminate and Lessee's certification under penalty of perjury that Lessee has delivered or mailed such notification to the Encumbrance Holder in accordance with this subsection 10.2.1. County shall be entitled to rely upon the foregoing notice and certification as conclusive evidence that Lessee has notified the Encumbrance Holder regarding Lessee's desire to terminate this Lease.

10.2.2 No more than sixty (60) days following the giving of the notice required by subsection 10.2.1 or such longer time as may be reasonable under the circumstances, Lessee shall, at Lessee's expense: remove all debris and other rubble from the Premises; secure the Premises against trespassers; and, at County's election, remove all remaining Improvements on the Premises.

10.2.3 No more than sixty (60) days following the loss, Lessee delivers to County a quitclaim deed to the Premises in recordable form, in form and content satisfactory to County and/or with such other documentation as may be reasonably requested by County or any title company on behalf of County, terminating Lessee's interest in the Premises and reconveying such interest to County free and clear of any and all Encumbrances and Subleases.

10.2.4 Within ten (10) days following the County's receipt of the notice referred to in subsection 10.2.1, County has not received both written notice from the Encumbrance Holder, if any, objecting to such termination and an agreement containing an effective assignment of Lessee's interest in this Lease to such Encumbrance Holder whereby such Encumbrance Holder expressly assumes and agrees to be bound by and perform all of Lessee's obligations under this Lease.

10.3 No Option to Terminate for Insured Casualty. Lessee shall have no option to terminate this Lease or otherwise be relieved of its obligation to restore the Improvements on the Premises where the damage or destruction results from a cause required to be insured against by this Lease.

10.4 No County Obligation to Make Repairs. County shall have no obligation whatsoever to make any repairs or perform any maintenance on the Premises; provided, however, that Director shall in its good faith discretion consider the application of funds toward the maintenance, repair and replacement of the existing seawall protecting the Premises (the "Seawall") if and to the extent such funds are made available to Director for such uses by County and its Board of Supervisors. Director shall undertake such maintenance, repair and replacement, if any, with due diligence consistent with the funding provided. In the event the Seawall is in imminent danger of collapse or has collapsed, Director shall promptly seek funding from the Board of Supervisors for repair or replacement as may be necessary to avoid or repair such collapse. If County is obligated to maintain or repair the Seawall under the terms of a lease

between the County and any other lessee in Marina del Rey, or if County in fact maintains or repairs the Seawall for the benefit of any other lessee in Marina del Rey, County shall have the same obligation(s) with respect to the Seawall protecting the Premises. Except as expressly provided in this Section 10.4, County shall have no obligation to maintain or repair the Seawall.

10.5 Repairs Not Performed by Lessee. If Lessee fails to make any repairs or replacements as required, Director may notify Lessee of said failure in writing, and should Lessee fail to cure said failure and make repairs or replacements within a reasonable time as established by Director, County may make such repairs or replacements and the cost thereof, including, but not limited to, the cost of labor, overhead, materials and equipment, shall be charged against Lessee as provided in Section 13.5.

10.6 Other Repairs. Although having no obligation to do so, County may, at its own cost and at its sole discretion, perform or permit others to perform any necessary dredging, filling, grading or repair of water systems, sewer facilities, roads, or other County facilities on or about the Premises. Any entry by County onto the Premises pursuant to this Section 10.6 and any entry onto the Premises to perform work on the Seawall pursuant to Section 10.4 above, shall be made in accordance with the following requirements: (i) prior to entry onto the Premises County shall cause each of its contractors to provide to Lessee evidence that such contractor has procured commercial general liability insurance coverage pertaining to such contractor's activities on the Premises, which insurance coverage shall be consistent with County's insurance requirements generally applicable to County contractors, and shall name Lessee as an additional insured; (ii) County's contractors shall comply with industry standard safety requirements; (iii) County shall repair, or cause its contractors to repair, any damage to the Premises caused by the activities of County and/or its contractors on the Premises pursuant to this Section 10.6 or Section 10.4 above; and (iv) any entry onto the Premises by County or its contractors for the purpose of performing work pertaining to the Seawall shall be confined to the Promenade and the fire access lane over the Premises, except in extraordinary circumstances to the extent that due to the scope or nature of the work and/or due to safety concerns, the work cannot reasonably be confined to such area. In any such extraordinary situation County and Lessee agree to cooperate to define a work and/or access area that is reasonably acceptable to both parties.

10.7 Notice of Damage. Lessee shall give prompt notice to County of any fire or material damage affecting the Premises from any cause whatsoever.

10.8 Waiver of Civil Code Sections. The parties' rights shall be governed by this Lease in the event of damage or destruction. The parties hereby waive the provisions of California Civil Code Section 1932 and any other provisions of law which provide for contrary or additional rights.

11. ASSIGNMENT AND SUBLEASE.

11.1 Subleases.

11.1.1 Definition. The term "Sublease" shall mean any lease, license, permit, concession or other interest in the Premises, or a right to use the Premises or a portion thereof, which is conveyed or granted by Lessee to a third party, and which

constitutes less than the unrestricted conveyance of the entire Lessee's interest under this Lease. "Sublessee" shall be the person or entity to whom such right to use is conveyed by a Sublease. A Sublease which grants or conveys to the Sublessee the right to possess or use all or substantially all of the Premises is sometimes referred to in this Lease as a "Major Sublease" and the Sublessee under such agreement is sometimes referred to in this Lease as a "Major Sublessee".

11.1.2 Approval Required. At least thirty (30) days prior to the proposed effective date of any Sublease that is not a Major Sublease or an Approved Apartment/Slip Lease (as defined below), or of any assignment or material amendment of such Sublease, Lessee shall submit a copy of such Sublease (or assignment or amendment thereof), to Director for approval, which approval shall be given or withheld at Director's ~~sole and absolute~~ reasonable discretion. To the extent practical, Director shall approve or disapprove said proposed Sublease, amendment or assignment within thirty (30) days after receipt thereof. In no event, however, shall any such Sublease, amendment or assignment be made or become effective without the prior approval of Director. Each such Sublease shall specifically provide that the Sublessee shall comply with all of the terms, covenants, and conditions of this Lease applicable to the portion of the Premises subject to the Sublease.

Notwithstanding any contrary provision of this Article 11, Lessee shall not be required to obtain County's approval of any Sublease of an individual apartment or boat slip unit in the ordinary course (but not the master lease of multiple units) to a person or persons who will physically occupy the subleased unit, as long as such Sublease is in the form of the standard residential apartment lease or boat slip lease, as the case may be, hereafter submitted to and approved by County and the term of such Sublease does not exceed one (1) year (each, an "Approved Apartment/Slip Lease"). The terms and provisions of Sections 11.2 and 11.3 of this Lease shall not be applicable to Approved Apartment/Slip Leases. Upon request by County, Lessee shall furnish County with a current rent roll respecting the Approved Apartment/Slip Leases and a copy of all of such Approved Apartment/Slip Leases.

11.1.3 Major Sublease. Lessee shall enter into a Major Sublease only with a reputable owner or manager of comparable residential apartment and marina facilities such as exist on the Premises. In light of the inherent detailed nature of a Major Sublease, Lessee shall deliver to County a copy of any proposed Major Sublease, or any sub-sublease or any other document pursuant to which an interest is proposed to be transferred in all or substantially all of the Premises, not less than sixty (60) days prior to the proposed effective date of such proposed Major Sublease or other document, for County's review and approval pursuant to the procedures and requirements specified in Section 11.2.

11.2 Approval of Assignments and Major Subleases. Except as specifically hereinbefore provided in this Article 11, Lessee shall not, without the prior written consent of County, which shall be based upon factors described in Exhibit J hereto, which is incorporated herein by this reference ("Assignment Standards"), and which shall be applied in a commercially reasonable manner, either directly or indirectly give, assign, hypothecate, encumber, transfer, or

grant control of this Lease or any interest, right, or privilege therein (including without limitation the right to manage or otherwise operate the Improvements located from time to time on the Premises), or enter into a Major Sublease affecting the Premises, or license the use of the all or substantially all of the Premises. Notwithstanding the foregoing, Lessee shall have the right, without the prior approval of County, to retain E&S Ring Management Company, or another affiliate of a general partner of Lessee, as the property manager for the Premises. Any Change of Ownership that is not an Excluded Transfer shall constitute an assignment of Lessee's interest under this Lease. In addition, for purposes of this provision, the following acts of Lessee shall require the prior written consent of County to be effective: (1) the addition, removal or replacement of one or more general partners or managing members in a Lessee which is a limited partnership or limited liability entity, except (a) by death, insolvency, incapacity, resignation (except for a sole general partner, if any) or removal of a general partner or managing member and his replacement by a vote of the limited partners, the remaining general partners or remaining members, or (b) if any general partner or managing member owning more than fifty percent (50%) of the interests of the partnership or limited liability entity acquires the interest of another general partner or managing member owning fifteen percent (15%) or less of the interests in the partnership or limited liability entity; (2) the sale, assignment, or transfer of fifty-percent (50%) or more of the stock in a corporation which owns or is a general partner in a partnership owning an interest in this Lease. Lessee shall provide County with any information reasonably requested by County in order to determine whether or not to grant approval of the assignment as provided herein. These same limitations and approval requirements shall apply with respect to the Sublessee's interest under a Major Sublease.

11.2.1 County's Use of Discretion and Limitation on Permissible Assignees.

In exercising its discretion to approve assignments as provided in this Section 11.2, County shall take into account the Assignment Standards and, if County determines that such Assignment Standards are satisfied, County shall not withhold or unreasonably delay its consent to any proposed assignment.

11.2.2 Involuntary Transfers Prohibited. Except as otherwise specifically provided in this Lease, neither this Lease nor any of the Lessee's interest in this Lease (as opposed to ownership interests in Lessee itself) shall be assignable or transferable in proceedings in attachment, garnishment, or execution against Lessee, or in voluntary or involuntary proceedings in bankruptcy or insolvency or receivership taken by or against Lessee, or by any process of law including proceedings under the Bankruptcy Act.

11.2.3 Procedure. Requests for approval of any proposed assignment shall be processed in accordance with the following procedures:

11.2.3.1 Prior to entering into any agreement requiring the approval of County pursuant to this Sections 11.1 or 11.2, Lessee (or the entity seeking approval of such assignment) shall notify County and deliver to County all information relevant to the proposed assignment, including without limitation any term sheets, letters of intent, draft Major Subleases, any other documents which set forth any proposed agreement regarding the Premises and the information set forth in subsection 11.2.3.5. County will evaluate the information provided to it and County may request additional information as may be

reasonably necessary to act on the request. Under no circumstances will County formally discuss an assignment with any proposed assignee prior to reviewing the proposal with Lessee.

11.2.3.2 In completing its review of the proposal and granting or withholding its consent thereto, County will not be bound by any deadline contained in any proposed assignments, Major Subleases, escrow instructions or other agreements to which County is not a party.

11.2.3.3 Lessee acknowledges that the time needed for County to review a proposed assignment depends on many factors, including without limitation the complexity of the proposed transaction, the financial and other information submitted for review, and the workload of County's personnel. Notwithstanding the foregoing, County shall act as promptly as governmental processes permit in processing and acting upon a requested approval of an assignment of Lessee's interest under this Article 11.

11.2.3.4 Lessee shall be required to reimburse County for its Actual Costs incurred in connection with the proposed assignment, whether or not County ultimately grants its approval to the proposed assignment.

11.2.3.5 Lessee or the proposed assignee shall provide County with sufficient information for County to determine if the public interest will be served by approving the proposed transaction. The information that must be provided includes, but shall not be limited to, the following:

- (a) Nature of the Assignee. Full disclosure is required in accordance with this Lease and County's applicant disclosure policy then in effect. Additionally, a flowchart identifying the chain of ownership of the assignee and its decision-making authority shall be provided to County. County shall be advised if the proposed assignee, or any other person or entity for whom disclosure is required pursuant to County's disclosure policy, has had any leasehold or concessionaire's interest canceled or terminated by the landlord due to the tenant or Lessee's breach or default thereunder.
- (b) Financial Condition of Assignee. County shall be provided with current, certified financial statements, including balance sheets and profit and loss statements, demonstrating the proposed assignee's financial condition for the preceding five (5) years, or such shorter period that assignee has been in existence. During the term of the County Option, Lessee shall cause to be available to County all books and records reasonably necessary in order to determine the amount of such unpaid Annual Minimum Rent, Percentage Rent, and other amounts payable under the Lease. In the event that County or its assignee exercises the County Option, but the transaction fails to close due to a failure of the parties to agree upon an appropriate allowance for such unpaid Annual Minimum Rent, Percentage Rent, and other amounts or appropriate security for the payment thereof, then County shall have no obligation to pay or credit to Lessee the County Option Price.

Any other subsequent transfer or assignment of such new lease shall be subject to all of the requirements of Article 11 of this Lease. If there are multiple Encumbrance Holders, this right shall inure to the most junior Encumbrance Holder in order of priority; provided, however, if such junior Encumbrance Holder shall accept the new lease, the priority of each of the more senior Encumbrance Holders shall be restored in accordance with all terms and conditions of such Encumbrances(s). 12.7.2 Priority of New Lease. The new lease made pursuant to this Section 12.7 shall be prior to any mortgage or other lien, charge or encumbrance on County's fee interest in the Premises, and any future fee mortgagee or other future holder of any lien on the fee interest in the Premises is hereby given notice of the provisions hereof.

12.8 Holding of Funds. Any Encumbrance Holder with respect to Lessee's entire leasehold interest in this Lease or all of the Ownership Interests in Lessee that is an Institutional Lender shall have the right to hold and control the disbursement of (i) any insurance or condemnation proceeds to which Lessee is entitled under this Lease and that are required by the terms of this Lease to be applied to restoration of the improvements on the Premises (provided that such funds shall be used for such restoration in accordance with the requirements of the Lease), and (ii) any funds required to be held in the Renovation Fund (provided that such funds shall be used for the purposes required by this Lease). 12.10 Fee Mortgages and Encumbrances. Any mortgage, deed of trust or other similar encumbrance granted by County upon its fee interest in the Premises shall be subject and subordinate to all of the provisions of this Lease and to all Encumbrances. County shall require each such fee encumbrance holder to confirm the same in writing (in a form reasonably approved by each Encumbrance Holder or its title insurer) as a condition to granting such encumbrance, although the foregoing subordination shall be automatic and self-executing whether or not such written confirmation is obtained.

12.11 No Merger. Without the written consent of each Encumbrance Holder, the leasehold interest created by this Lease shall not merge with the fee interest in all or any portion of the Premises, notwithstanding that the fee and leasehold interests are held at any time by the same person or entity.

12.12 Rights of Encumbrance Holders With Respect to Reversion. As used in this Section 12.12, the "Reversion" refers to the automatic amendment of this Lease described in Section 5.1 whereby the terms and conditions of this Lease are automatically amended and revert back to the terms and provisions of the Existing Lease, and a "Reversion Condition" refers to any of the conditions under which the Reversion will occur, namely (i) the failure of Lessee to Substantially Commence Construction of the Redevelopment Work on or before the Required Construction Commencement Date, or (ii) the failure of Lessee to substantially complete the Redevelopment Work on or before the Required Construction Completion Date (as such dates may be extended pursuant to Sections 5.6 or 5.7). Notwithstanding anything in Section 5.1 or any other provision of this Lease to the contrary, so long as an Encumbrance Holder exists with respect to Lessee's entire leasehold interest in this Lease or all of the Ownership Interests in Lessee, the Reversion shall not occur unless and until (i) the County has given written notice of the occurrence of the Reversion Condition to each such Encumbrance Holder in accordance with subsection 12.6.2 (which notice shall describe the Reversion Condition that has occurred, and shall include the following statement in all capital and bold letters: **"YOUR FAILURE TO COMMENCE A CURE OF THE DEFAULT DESCRIBE IN THIS NOTICE WITHIN 60 DAYS OF YOUR RECEIPT OF THIS NOTICE, AND TO THEREAFTER PURSUE SUCH CURE TO COMPLETION IN ACCORDANCE WITH THE PROVISIONS OF SUBSECTION 12.6.3(b) OF THE LEASE APPLICABLE TO NONMONETARY DEFAULTS, WILL RESULT IN AN AUTOMATIC AMENDMENT AND REVERSION OF THE TERMS OF THE LEASE BACK TO THE TERMS OF A PRIOR LEASE, AS MORE PARTICULARLY DESCRIBED IN SECTION 5.1 OF THE LEASE"**), and (ii) no such Encumbrance Holder commences a cure of the default within 60 days of its receipt of such notice and thereafter pursues such cure to completion in accordance with the provisions of subsection 12.6.3(b) of the Lease applicable to nonmonetary defaults. Further, in the event that a Reversion occurs, such Reversion shall be subject to the "new lease" provisions of Section 12.7 of the Lease (and in such event the Reversion shall be deemed a "termination" of this Lease solely for purposes of Section 12.7 and the "new lease" to be entered into pursuant to Section 12.7 shall mean a new lease on the same terms as this Lease, not the Existing Lease).

12.13 Acceleration of Extension Fee. So long as (i) no Event of Default exists based on nonpayment of an individual Extension Payment (even if any other Event of Default exists that is not based on nonpayment of an individual Extension payment), or (ii) if an Event of Default exists based on nonpayment of an individual Extension Payment, an Encumbrance Holder, Foreclosure Transferee or the single subsequent transferee of a Foreclosure Transferee pursuant to subsection 12.2.3 cures such Event of Default by paying to County all past-due individual Extension Payments together with any default interest and/or Late Fees that may be owing thereon; then County shall not declare the entire remaining unpaid Extension Fee immediately due and payable, or, if County has previously declared the entire remaining unpaid Extension Fee immediately due and payable, County shall rescind such acceleration and permit the reinstatement of the original payment terms of the Extension Fee (i.e., by annual Extension Payments). Additionally, a transfer of the leasehold estate to a Foreclosure Transferee, or to the

single subsequent transferee of a Foreclosure Transferee pursuant to subsection 12.2.3, shall not constitute a "Triggering Event" and shall not cause an acceleration of the Extension Fee.

12.14 Supplemental Agreement With Initial Encumbrance Holders. County, Lessee, and the initial Encumbrance Holders of this Lease [i.e., (i) LaSalle Bank National Association, as Trustee for Asset Securitization Corporation Commercial Mortgage Pass-Through Certificates, Series 1997-D4, as successor to Nomura Asset Capital Corporation (holder of an Encumbrance which encumbers Lessee's leasehold interests under this Lease) and (ii) General Electric Capital Corporation (holder of an Encumbrance which encumbers all of the Ownership Interests in Lessee)], have entered into a Ground Lessor's Consent and Agreement of substantially even date with this Lease which will be recorded in the Official Records of Los Angeles County, containing (among other things) provisions that alter and supplement certain provisions of this Article 12 and other provisions of the Lease (the "Ground Lessor's Consent and Agreement"). For so long as such initial Encumbrances are outstanding, this Article 12 (and any other provisions of this Lease, to the extent applicable) shall be subject to the provisions of the Ground Lessor's Consent and Agreement, and the provisions of the Ground Lessor's Consent and Agreement shall govern in the event of any conflicts with this Lease.

13. DEFAULT.

13.1 Events of Default. The following are deemed to be "Events of Default" hereunder:

13.1.1 Monetary Defaults. The failure of Lessee to pay the rentals due, or make any other monetary payments required under this Lease (including, without limitation, Extension Payments, payment of the remaining unpaid Extension Fee on or before the Trigger Date, or deposits to the Renovation Fund), within ~~fiveten~~ (510) days after written notice that said payments are overdue. Lessee may cure such nonpayment by paying the amount overdue, with interest thereon and the applicable Late Fee, if any, within such ~~fiveten~~ (510) day period.

~~13.1.2 Failure to Comply with Construction Obligations.~~ The failure of Lessee to comply with the obligations and timeframes set forth in Article 5 of this Lease if not cured within ten (10) business days after written notice of such failure, if no other notice of such failure is otherwise required hereunder.

~~13.1.3 Maintenance of Security Deposit.~~ The failure of Lessee to maintain and/or replenish the Security Deposit required pursuant to Article 8 of this Lease if not cured within five (5) days after written notice of such failure.

~~13.1.4 Failure to Perform Other Obligations.~~ The failure of Lessee to keep, perform, and observe any and all other promises, covenants, conditions and agreements set forth in this Lease, including without limitation the obligation to maintain adequate accounting and financial records, within thirty five (35) days after written notice of Lessee's failure to perform from Director; provided, however, that where Lessee's performance of such covenant, condition or agreement is not reasonably susceptible of completion within such thirty five (35) day period and Lessee has in good faith

commenced and is continuing to perform the acts necessary to perform such covenant, condition or agreement within such thirty five (35) day period, County will not exercise any remedy available to it hereunder for so long as Lessee uses reasonable due diligence in continuing to pursue to completion the performance such covenant, condition or agreement and so completes performance within a reasonable time. Notwithstanding any contrary provision of this Section 13.1.3, the proviso set forth in the immediately preceding sentence providing for an extension of the cure period beyond thirty five (35) days shall not be applicable to any failure of Lessee to comply with the Required Construction Commencement Date and/or the Required Construction Completion Date set forth in Section 5.1 above (as such dates may extended pursuant to Sections 5.6 or 5.7, and subject to Section 12.12).

13.1.4 ~~13.1.5~~ Nonuse of Premises. The abandonment, vacation, or discontinuance of use of the Premises, or any substantial portion thereof, for a period of thirty five (35) days after written notice by Lessor, except when prevented by Force Majeure or when closed for renovations or repairs required or permitted to be made under this Lease.

Any notice required to be given by County pursuant to subsections 13.1.1 through and including ~~13.1.4~~13.1.3 shall be in addition to, and not in lieu of, any notice required under Section 1161 of the California Code of Civil Procedure.

13.2 Limitation on Events of Default. Lessee shall not be considered in default as to any provision of this Lease when such default is the result of or pursuant to, any process, order, or decree of any court or regulatory body of competent jurisdiction, or any other circumstances which are physically impossible to cure provided Lessee uses due diligence in pursuing whatever is required to obtain release from or reversal of such process, order, or decree or is attempting to remedy such other circumstances preventing its performance.

13.3 Remedies. Upon the occurrence of an Event of Default, and subject to the rights of any Encumbrance Holder or Major Sublessee to cure such Event of Default as provided in Section 12.4 hereof, County shall have, in addition to any other remedies in law or equity, the following remedies which are cumulative:

13.3.1 Terminate Lease. County may terminate this Lease by giving Lessee written notice of termination. On the giving of the notice, all Lessee's rights in the Premises and in all Improvements shall terminate. Promptly after notice of termination, Lessee shall surrender and vacate the Premises and all Improvements in broom-clean condition, and County may re-enter and take possession of the Premises and all remaining Improvements and, except as otherwise specifically provided in this Lease, eject all parties in possession or eject some and not others, or eject none. Termination under this subsection shall not relieve Lessee from the payment of any sum then due to County or from any claim for damages against Lessee as set forth in subsection 13.4.3, or from Lessee's obligation to remove Improvements at County's election in accordance with Article 2. County agrees to use reasonable efforts to mitigate damages, and shall permit such access to the Premises as is reasonably necessary to permit Lessee to comply with its removal obligations.

13.3.2 Keep Lease in Effect. Without terminating this Lease, so long as County does not deprive Lessee of legal possession of the Premises and allows Lessee to assign or sublet subject only to County's rights set forth herein, County may continue this Lease in effect and bring suit from time to time for rent and other sums due, and for Lessee's breach of other covenants and agreements herein. No act by or on behalf of County under this provision shall constitute a termination of this Lease unless County gives Lessee written notice of termination. It is the intention of the parties to incorporate the provisions of California Civil Code Section 1951.4 by means of this provision.

13.3.3 Termination Following Continuance. Even though it may have kept this Lease in effect pursuant to subsection 13.3.2, thereafter County may elect to terminate this Lease and all of Lessee's rights in or to the Premises unless prior to such termination Lessee shall have cured the Event of Default or shall have satisfied the provisions of Section 13.2, hereof. County agrees to use reasonable efforts to mitigate damages.

13.4 Damages. Should County elect to terminate this Lease under the provisions of the foregoing Section, County shall be entitled to recover from Lessee as damages:

13.4.1 Unpaid Rent. The worth, at the time of the award, of the unpaid rent that had been earned at the time of termination of this Lease;

13.4.2 Post-Termination Rent. The worth, at the time of the award, of the unpaid rent that would have been earned under this Lease after the date of termination of this Lease until the date Lessee surrenders possession of the Premises to County; and

13.4.3 Other Amounts. The amounts necessary to compensate County for the sums and other obligations which under the terms of this Lease become due prior to, upon or as a result of the expiration of the Term or sooner termination of this Lease, including without limitation, those amounts of unpaid taxes, insurance premiums and utilities for the time preceding surrender of possession, the cost of removal of rubble, debris and other above-ground Improvements, attorney's fees, court costs, and unpaid Administrative Charges, Net Proceeds Shares and Net Refinancing Proceeds.

13.5 Others' Right to Cure Lessee's Default. County (and any Encumbrance Holder or Major Sublessee, as provided in the last sentence of this section), at any time after Lessee's failure to perform any covenant, condition or agreement contained herein beyond any applicable notice and cure period, may cure such failure at Lessee's cost and expense. If, after delivering to Lessee two (2) or more written notices with respect to any such default, County at any time, by reason of Lessee's continuing failure, pays or expends any sum, Lessee shall immediately pay to County the lesser of the following amounts: (1) twice the amount expended by County to cure such default and (2) the amount expended by County to cure such default, plus one thousand dollars (\$1,000). To the extent practicable, County shall give any Encumbrance Holders or Major Sublessees the reasonable opportunity to cure Lessee's default prior to County's expenditure of any amounts thereon.

13.6 Default by County. County shall be in default in the performance of any obligation required to be performed by County under this Lease if County has failed to perform such obligation within thirty (30) days after the receipt of notice from Lessee specifying in detail County's failure to perform; provided, however, that if the nature of County's obligation is such that more than thirty (30) days are required for its performance, County shall not be deemed in default if it shall commence such performance within thirty (30) days and thereafter diligently pursues the same to completion. Lessee shall have no rights as a result of any default by County until Lessee gives thirty (30) days notice to any person having a recorded interest pertaining to County's interest in this Lease or the Premises. Such person shall then have the right to cure such default, and County shall not be deemed in default if such person cures such default within thirty (30) days after receipt of notice of the default, or such longer time as may be reasonably necessary to cure the default. Notwithstanding anything to the contrary in this Lease, County's liability to Lessee for damages arising out of or in connection with County's breach of any provision or provisions of this Lease shall not exceed the value of County's equity interest in the Premises and its right to insurance proceeds in connection with the policies required under Article 9 hereof.

14. ACCOUNTING.

14.1 Maintenance of Records and Accounting Method. In order to determine the amount of and provide for the payment of the Annual Minimum Rent, Percentage Rent, Administrative Charge, Net Proceeds Share, Net Refinancing Proceeds and other sums due under this Lease, Lessee and all Sublessees shall at all times during the Term of this Lease, and for thirty six (36) months thereafter, keep, or cause to be kept, locally, to the reasonable satisfaction of Director, true, accurate, and complete records and double-entry books of account for the current and five (5) prior Accounting Years, such records to show all transactions relative to the conduct of operations, and to be supported by data of original entry. Such records shall detail transactions conducted on or from the Premises separate and apart from those in connection with Lessee's (or sublessee's or licensee's, as appropriate) other business operations, if any. With respect to the calculation of Gross Receipts and the preparation of the reports and maintenance of records required herein, Lessee shall utilize either: (i) the accrual method of accounting, or (ii) a modified accrual method of accounting, modified in that (A) delinquent rents due from individual tenants (but not corporate tenants) is not accrued, (B) expenses are accrued on an approximate basis (i.e., materiality) each month during the fiscal year with full accrual treatment for the full fiscal year financial statements, and (C) depreciation is calculated on a tax basis rather than a GAAP basis.

14.2 Cash Registers. To the extent retail sales are conducted on the Premises, or other cash or credit sales of goods or services are conducted, all such sales shall be recorded by means of cash registers or computers which automatically issue a customer's receipt or certify the amount recorded in a sales slip. Said cash registers shall in all cases have locked-in sales totals and transaction counters which are constantly accumulating and which cannot, in either case, be reset, and in addition thereto, a tape (or other equivalent security mechanism) located within the register on which transaction numbers and sales details are imprinted. Beginning and ending cash register readings shall be made a matter of daily record.

Lessee shall cause to be implemented point of sale systems which can accurately verify all sales for audit purposes and customer review purposes, which system shall be submitted to the Director in advance of installation for his approval, which approval will not be unreasonably withheld.

Lessee's obligations set forth in this Section 14.2 include Lessee's obligation to insure that Lessee's sublessees, licensees, permittees, concessionaires and any other occupants of any portion of the Premises keep records sufficient to permit County and County's auditors to determine the proper levels of Annual Minimum Rent, Percentage Rent, Administrative Charge, Net Proceeds Share, Net Refinancing Proceeds and other sums due under this Lease.

14.3 Statement; Payment. No later than the fifteenth (15th) day of each calendar month, Lessee shall render to County a detailed statement showing Gross Receipts during the preceding calendar month, together with its calculation of the amount payable to County under Sections 4.2 through 4.8 inclusive, and shall accompany same with remittance of amount so shown to be due.

14.4 Availability of Records for Inspector's Audit. Books of account and records for the then current and five (5) prior Accounting Years as hereinabove required shall be kept or made available at the Premises or at another location within Los Angeles County, and County and other governmental authorities shall have the right at any reasonable times and on reasonable prior notice to examine and audit said books and records, without restriction, for the purpose of determining the accuracy thereof and of the monthly statements of Gross Receipts derived from occupancy of the Premises and the compliance of Lessee with the terms of this Lease and other governmental requirements. This Section 14.4 shall survive the expiration of the Term or other termination of this Lease for thirty six (36) months after such expiration or termination.

14.4.1 Entry by County. Upon at least one (1) business day advance notice, County and its duly authorized representatives or agents may enter upon the Premises at any and all reasonable times during the Term of this Lease for the purpose of determining whether or not Lessee is complying with the terms and conditions hereof, or for any other purpose incidental to the rights of County.

14.5 Cost of Audit. In the event that, for any reason, Lessee does not make available its (or its sublessee's or licensee's) original records and books of account at the Premises or at a location within Los Angeles County, Lessee agrees to pay all expenses incurred by County in conducting any audit at the location where said records and books of account are maintained. In the event that any audit discloses a discrepancy in County's favor of greater than two percent (2%) of the revenue due County for the period audited, then Lessee shall pay County audit contract costs, together with the amount of any identified deficiency, with interest thereon and Late Fee provided by Section 4.5.

14.6 Additional Accounting Methods. County may require the installation of any additional accounting methods or machines which are typically used by major residential and/or boat anchorage management companies and which County reasonably deems necessary if the system then being used by Lessee does not adequately verify sales for audit or customer receipt purposes.

14.7 Accounting Year. The term "Accounting Year" as used herein shall mean each year during the Term running from April 1 through the following March 31.

14.8 Annual Financial Statements. Within six (6) months after the end of each Accounting Year, Lessee shall deliver to County the following financial statements: (i) a balance sheet of Lessee as of the end of such Accounting Year, certified by Lessee's chief financial officer as accurately reflecting Lessee's assets and liabilities, which balance sheet shall not be required to be audited, provided that at County's request not more often than every two years, such balance sheet shall be audited by a Certified Public Accountant who is a member of the American Institute of Certified Public Accountants and is satisfactory to County (a "Qualified CPA"); (ii) a profit and loss statement of Lessee for such Accounting Year, audited and certified by a Qualified CPA; and (iii) a Gross Receipts and Percentage Rent statement for such Accounting Year, audited and certified by a Qualified CPA, which statement shall include a certification and unqualified opinion of such Qualified CPA (1) concerning Lessee's Gross Receipts (including a breakdown by category), and (2) that the correct amount of Percentage Rent has been paid to the County in connection with such Gross Receipts. All financial statements prepared by or on behalf of Lessee shall be prepared in a manner that permits County to determine the financial results of operations in connection with Lessee's activities at, from or relating to the Premises, notwithstanding that Lessee may have income and expenses from other activities unrelated to its activities on the Premises.

14.9 Accounting Obligations of Sublessees. Lessee shall cause all sublessees, licensees, concessionaires and others conducting business operations on or from the Premises to comply with all terms of this Article 14 with respect to the maintenance, form, availability and methodology of accounting records and the delivery to County of audited certified financial statements and unqualified opinions as to Gross Receipts. County shall provide written notice to Lessee of the failure of any sublessee, concessionaire or other person to comply with this subsection after County's discovery of such failure, and provide Lessee with the right to cure any failure to so comply by payment to County of amounts which may be owing to County, as shown on an audit conducted by County, or on an audit supplied by Lessee or such sublessee, concessionaire or other person and accepted by County, or as otherwise determined pursuant to Section 14.10. In such event County shall permit Lessee to subrogate to any right of County to enforce this provision against such sublessee, concessionaire or other person, to the extent Lessee does not have a direct right of enforcement against sublessee, concessionaire or other person.

14.10 Inadequacy of Records. In the event that Lessee or its sublessees, licensees or concessionaires, as appropriate, fails to keep the records required by this Article 14 such that a Certified Public Accountant is unable to issue an unqualified opinion as to Gross Receipts, such failure shall be deemed a breach of this Lease by Lessee. In addition to the other remedies available to County at law or equity as a result of such breach, County may prepare a calculation of the Percentage Rent payable by Lessee during the period in which the accounting records were inadequately maintained. Such calculation may be based on the past Gross Receipts levels on or from the Premises, the past or present level of Gross Receipts experienced by tenants of comparable leaseholds in Marina del Rey with comparable business operations, or any other method as reasonably determined by Director and shall utilize such methodology as Director deems reasonable. Within five (5) days after receipt of County's determination of Percentage

Rent due, if any, Lessee shall pay such Percentage Rent, together with a late fee of six percent (6%) and interest to the date of payment at the Applicable Rate from the date upon which each unpaid installment of Percentage Rent was due, together with County's Actual Cost in connection with the attempted audit of the inadequate records and the reconstruction and estimation of Gross Receipts and the calculation of Percentage Rent due.

15. MISCELLANEOUS.

15.1 Quiet Enjoyment. Lessee, upon performing its obligations hereunder, shall have the quiet and undisturbed possession of the Premises throughout the Term of this Lease, subject, however, to the terms and conditions of this Lease.

15.2 Time is of the Essence. Except as specifically otherwise provided for in this Lease, time is of the essence of this Lease and applies to all times, restrictions, conditions, and limitations contained herein.

15.3 County Costs. Lessee shall promptly reimburse County for the Actual Costs incurred by County in the review, negotiation, preparation and documentation of this Lease and the term sheets and memoranda that preceded it. The parties acknowledge that Lessee has deposited the sum of _____ dollars (\$_____) toward those costs. County shall deliver to Lessee a report detailing such expenditures (along with invoice summaries or other supporting documentation) within ninety (90) days after the Effective Date.

15.4 County Disclosure and Lessee's Waiver.

15.4.1 Disclosures and Waiver.

15.4.1.1 "AS IS". Lessee acknowledges that it is currently in possession of the Premises and that Lessee or its predecessor-in-interest has continuously occupied and/or managed and operated the Premises since 1963. Lessee accepts the Premises in their present condition notwithstanding the fact that there may be certain defects in the Premises, whether or not known to either party to this Lease, at the time of the execution of this Lease by Lessee and Lessee hereby represents that it has performed all investigations necessary, including without limitation soils and engineering inspections, in connection with its acceptance of the Premises "AS IS".

15.4.1.2 Lessee acknowledges that it may incur additional engineering and construction costs above and beyond those contemplated by either party to this Lease at the time of the execution hereof and Lessee agrees that, it will make no demands upon County for any construction, alterations, or any kind of labor that may be necessitated in connection therewith.

15.4.1.3 Lessee hereby waives, withdraws, releases, and relinquishes any and all claims, suits, causes of action (other than a right to terminate as otherwise provided in this Lease), rights of rescission, or charges against County, its officers, agents, employees or volunteers which Lessee now has or may have or asserts in the future which are based upon any defects in the

physical condition of the Premises and the soil thereon and thereunder, regardless of whether or not said conditions were known at the time of the execution of this instrument. The waiver and release set forth in this subsection 15.4.1.3 (i) shall not apply to the Excluded Conditions, and (ii) shall not alter the parties' rights and obligations under the Existing Lease with respect to any abandoned wells or other environmental conditions existing on the Premises as of the Effective Date.

15.4.1.4 California Civil Code Section 1542 provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO
CLAIMS WHICH THE CREDITOR DOES NOT KNOW
OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME
OF EXECUTING THE RELEASE, WHICH IF KNOWN
BY HIM MUST HAVE MATERIALLY AFFECTED HIS
SETTLEMENT WITH THE DEBTOR.

By initialing this paragraph, Lessee acknowledges that it has read, is familiar with, and waives the provisions of California Civil Code §1542 set forth above, and agrees to all of the provisions of subsection 15.4.1.3 above.

Lessee's Initials

15.4.2 Right of Offset. Lessee acknowledges that the rent provided for in this Lease has been agreed upon in light of Lessee's construction, maintenance and repair obligations set forth herein, and, notwithstanding anything to the contrary provided in this Lease or by applicable law, Lessee hereby waives any and all rights, if any, to make repairs at the expense of County and to deduct or offset the cost thereof from the Annual Minimum Rent, Monthly Minimum Rent, Percentage Rent or any other sums due County hereunder.

15.5 Holding Over. If Lessee holds over after the expiration of the Term for any cause, with or without the express or implied consent of County, such holding over shall be deemed to be a tenancy from month-to-month only, and shall not constitute a renewal or extension of the Term. During any such holdover period, the Minimum Monthly Rent and Percentage Rent in effect at the end of the Term shall be increased to one hundred twenty five percent (125%) of such previously effective amounts. Such holdover shall otherwise be subject to the same terms, conditions, restrictions and provisions as herein contained. Such holding over shall include any time employed by Lessee to remove machines, appliances and other equipment during the time periods herein provided for such removal.

Nothing contained herein shall be construed as consent by County to any holding over by Lessee, and County expressly reserves the right to require Lessee to surrender possession of the Premises to County as provided in this Lease upon the expiration or other termination of this Lease. The provisions of this Section 15.5 shall not be deemed to limit or constitute a waiver of any other rights or remedies of County provided at law or in equity. If Lessee fails to

surrender the Premises upon the termination or expiration of this Lease, in addition to any other liabilities to County accruing therefrom, Lessee shall protect, defend, indemnify and hold County harmless from all losses, costs (including reasonable attorneys' fees), damages, claims and liabilities resulting from such failure, including, without limitation, any claims made by any succeeding tenant arising from such failure to surrender, and any lost profits to County resulting therefrom, provided that County notifies Lessee that Lessee's failure to timely surrender the Premises will cause County to incur such lost profits.

15.6 Waiver of Conditions or Covenants. Except as stated in writing by the waiving party, any waiver by either party of any breach of any one or more of the covenants, conditions, terms, and agreements of this Lease shall not be construed to be a waiver of any subsequent or other breach of the same or of any other covenant, condition, term, or agreement of this Lease, nor shall failure on the part of either party to require exact full and complete compliance with any of the covenants, conditions, terms, or agreements of this Lease be construed as in any manner changing the terms hereof or estopping that party from enforcing the full provisions hereof, nor shall the terms of this Lease be changed or altered in any manner whatsoever other than by written agreement of County and Lessee. No delay, failure, or omission of County to re-enter the Premises or of either party to exercise any right, power, privilege, or option, arising from any default, nor any subsequent acceptance of rent then or thereafter accrued shall impair any such right, power, privilege, or option or be construed as a waiver of or acquiescence in such default or as a relinquishment of any right. No notice to Lessee shall be required to restore or revive "time of the essence" after the waiver by County of any default. Except as specifically provided in this Lease, no option, right, power, remedy, or privilege of either party shall be construed as being exhausted by the exercise thereof in one or more instances.

15.7 Remedies Cumulative. The rights, powers, options, and remedies given County by this agreement shall be cumulative except as otherwise specifically provided for in this Lease.

15.8 Authorized Right of Entry. In any and all cases in which provision is made herein for termination of this Lease, or for exercise by County of right of entry or re-entry upon the Premises in the case of an Event of Default, or in case of abandonment or vacation of the Premises by Lessee, Lessee hereby irrevocably authorizes County to enter upon the Premises and remove any and all persons and property whatsoever situated upon the Premises and place all or any portion of said property, except such property as may be forfeited to County, in storage for the account of and at the expense of Lessee.

Except to the extent arising out of or caused by the gross negligence or willful misconduct of County, Lessee agrees to indemnify, defend and save harmless County from any cost, expense, loss or damage arising out of or caused by any such entry or re-entry upon the Premises in the case of an Event of Default, including the removal of persons and property and storage of such property by County and its agents.

15.9 Place of Payment and Filing. All rentals shall be paid to and all statements and reports herein required and other items deliverable to County hereunder shall be filed with or delivered to the Department. Checks, drafts, letters of credit and money orders shall be made payable to the County of Los Angeles.

15.10 Service of Written Notice or Process. Any notice required to be sent under this Lease shall be in compliance with and subject to this Section 15.10. If Lessee is not a resident of the State of California, or is an association or partnership without a member or partner resident of said State, or is a foreign corporation, Lessee shall file with Director a designation of a natural person residing in the County of Los Angeles, State of California, or a service company, such as CT Corporation, which is authorized to accept service, giving his or its name, residence, and business address, as the agent of Lessee for the service of process in any court action between Lessee and County, arising out of or based upon this Lease, and the delivery to such agent of written notice or a copy of any process in such action shall constitute a valid service upon Lessee.

If for any reason service of such process upon such agent is not possible, then any officer of Lessee may be personally served with such process outside of the State of California and such service shall constitute valid service upon Lessee; and it is further expressly agreed that Lessee is amenable to such process and submits to the jurisdiction of the court so acquired and waives any and all objection and protest thereto.

Written notice addressed to Lessee at the addresses below-described, or to such other address that Lessee may in writing file with Director, shall be deemed sufficient if said notice is delivered personally, by telecopy or facsimile transmission or, provided in all cases there is a return receipt requested and postage or other delivery charges prepaid, by registered or certified mail posted in the County of Los Angeles, California, Federal Express or DHL, or such other services as Lessee and County may mutually agree upon from time to time. Each notice shall be deemed received and the time period for which a response to any such notice must be given or any action taken with respect thereto (including cure of any prospective Event of Default) shall commence to run from the date of actual receipt of the notice by the addressee thereof in the case of personal delivery, telecopy or facsimile transmission if before 5:00 p.m. on regular business days, or upon the expiration of the third (3rd) business day after such notice is sent from within Los Angeles County in the case of such registered or certified mail as authorized in this Section.

Copies of any written notice to Lessee shall also be simultaneously mailed to any Encumbrance Holder, Major Sublessee or encumbrancer of such Major Sublessee of which County has been given written notice and an address for service. Notice given to Lessee as provided for herein shall be effective as to Lessee notwithstanding the failure to send a copy to such Encumbrance Holder, Major Sublessee or encumbrancer.

Either party shall have the right to change its notice address by written notice to the other party of such change in accordance with the provisions of this Section 15.10.

15.11 Interest. In any situation where County has advanced sums on behalf of Lessee pursuant to this Lease, such sums shall be due and payable within five (5) days after Lessee's receipt of written demand, together with interest at the Applicable Rate (unless another rate is

specifically provided herein) from the date such sums were first advanced, until the time payment is received. In the event that Lessee repays sums advanced by County on Lessee's behalf with interest in excess of the maximum rate permitted by Applicable Laws, County shall either refund such excess payment or credit it against subsequent installments of Annual Minimum Rent and Percentage Rent.

15.12 Captions. The captions contained in this Lease are for informational purposes only, and are not to be used to interpret or explain the particular provisions of this Lease.

15.13 Attorneys' Fees. In the event of any action, proceeding or arbitration arising out of or in connection with this Lease, whether or not pursued to judgment, the prevailing party shall be entitled, in addition to all other relief, to recover its costs and reasonable attorneys' fees, including without limitation reasonable attorneys' fees for County Counsel's services where County is represented by the County Counsel and is the prevailing party, and also including all fees, costs and expenses incurred in executing, perfecting, enforcing and collecting any judgment.

15.14 Amendments. This Lease may only be amended in writing executed by duly authorized officials of Lessee and County. Notwithstanding the foregoing, Director shall have the power to execute such amendments to this Lease as are necessary to implement any arbitration judgment issued pursuant to this Lease. No amendment, other than one implemented through an arbitration judgment, shall be binding upon an Encumbrance Holder as to which County has been notified in writing, unless the consent of such Encumbrance Holder is obtained with respect to such amendment.

15.15 Time For Director Approvals. Except where a different time period is specifically provided for in this Lease, whenever in this Lease the approval of Director is required, approval shall be deemed not given unless within thirty (30) days after the date of the receipt of the written request for approval from Lessee, Director either (a) approves such request in writing, or (b) notifies Lessee that it is not reasonably possible to complete such review within the thirty (30)-day period, provides a final date for approval or disapproval by Director (the "Extended Time") and approves such request in writing prior to such Extended Time. If Director does not approve such request in writing within such Extended Time, the request shall be deemed to be disapproved.

15.16 Time For County Action. Notwithstanding anything to the contrary contained in this Lease, wherever Director determines that a County action required hereunder necessitates approval from or a vote of one or more of County's boards or commissions or County's Board of Supervisors, the time period for County performance of such action shall be extended as is reasonably necessary in order to secure such approval or vote, and County shall not be deemed to be in default hereunder in the event that it fails to perform such action within the time periods otherwise set forth herein.

15.17 Estoppel Certificates. Each party agrees to execute, within ten (10) business days after the receipt of a written request therefor from the other party, a certificate stating: (i) that this Lease is in full force and effect and is unmodified (or stating otherwise, if true); (ii) that, to the best knowledge of such party, the other party is not then in default under the terms of this Lease

(or stating the grounds for default if such be the case); and (iii) if requested, the amount of the Security Deposit, Annual Minimum Rent, Percentage Rent and other material economic terms and conditions of this Lease. Prospective purchasers, Major Sublessees and lenders may rely on such statements.

15.18 Indemnity Obligations. Whenever in this Lease there is an obligation to indemnify, hold harmless and/or defend, irrespective of whether or not the obligation so specifies, it shall include the obligation to defend and pay reasonable attorney's fees, reasonable expert fees and court costs.

15.19 Waterfront Promenade. Lessee shall develop a continuous pedestrian walkway with landscaping, lighting, seating, fencing and other improvements (the "Promenade") as described in Exhibit K. Lessee shall complete the foregoing work by that date which is eighteen (18) months following the Required Construction Completion Date (as such date may be extended as provided in Article 5 above), subject to extension for delays in such completion of the Promenade caused by Force Majeure. No Force Majeure delay shall commence until after Lessee has notified County of the existence of such Force Majeure event. Lessee and Director shall discuss and attempt to agree on the length of any such delay. If they are unable to agree within thirty (30) days after the event or occurrence giving rise to Lessee's claim to such delay, the matter shall be arbitrated as set forth in Article 16. The facilities to be constructed under this Section 15.19 shall be constructed in accordance with the provisions of Article 5. County hereby reserves a public easement for access over and use of the Promenade for fire lane uses, pedestrian purposes and such other related uses (including, if approved by County bicycling, rollerblading and the like) as may be established by the County from time to time, all in accordance with such rules and regulations as are promulgated from time to time by the County regulating such public use. Such public easement shall also include the right to use the restrooms marked on Exhibit K for public use. Lessee shall be responsible for the maintenance and repair of the Promenade in accordance with commercially reasonable maintenance and repair standards for the Promenade established by the County from time to time on a nondiscriminatory basis. The exact legal description of the Premises encumbered by the public easement reserved herein shall be established based upon the final as-built drawings for the Promenade to be delivered by Lessee upon the completion thereof in accordance with the terms and provisions of Article 5 of this Lease. At the request of either party such legal description shall be recorded in the Official Records of the County as a supplement to this Lease.

15.20 Dockmaster. Throughout the Term, Lessee shall maintain a dockmaster program acceptable to County to manage Lessee's anchorage at the Premises.

15.21 Seaworthy Vessels. On or before January 1, April 1, July 1 and October 1 of each year during the Term, Lessee shall deliver to Director a report which contains the following information with respect to every vessel (including floating homes as defined in Title 19 of the Los Angeles County Code) moored within the Premises: (i) the name, address and telephone number of the registered owner (and slip tenant, if other than the registered owner) for each vessel; (ii) the state registration or federal document number, and name (if any), of the vessel; (iii) whether the vessel is a power vessel, sailing vessel or floating home; and (iv) the slip number and length of the vessel, and whether the vessel is presently authorized by Lessee for liveaboard tenancy. In addition, Lessee shall require, and shall certify annually to Director, that

as a condition of slip rental and continued slip tenancy, all new slip tenanted vessels from and after the immediately preceding certification (or in the case of the initial certification, from and after the Effective Date) have been required to pass seaworthiness inspection by the Harbor Patrol within sixty (60) days of such slip rental. Henceforth, all of Lessee's slip leases shall provide that any newly tenanted vessel which is unable to pass such inspection within the required period, or such reasonable extension thereof as may be granted in the Director's sole discretion, shall be ineligible for continued slip tenancy on the leasehold premises and shall be removed therefrom. The requirements of the two preceding sentences shall not be applicable to any vessel which is specifically exempted from seaworthiness requirements by Title 19 of the Los Angeles County Code.

15.22 Controlled Prices. Lessee shall at all times maintain a complete list or schedule of the prices charged for all goods or services, or combinations thereof, supplied to the public on or from the Premises, whether the same are supplied by Lessee or by its Sublessees, assignees, concessionaires, permittees or licensees. Said prices shall be fair and reasonable, based upon the following two (2) considerations: first, that the property herein demised is intended to serve a public use and to provide needed facilities to the public at fair and reasonable cost; and second, that Lessee is entitled to a fair and reasonable return upon his investment pursuant to this Lease. In the event that Director notifies Lessee that any of said prices are not fair and reasonable, Lessee shall have the right to confer with Director and to justify said prices. If, after reasonable conference and consultation, Director shall determine that any of said prices are not fair and reasonable, the same shall be modified by Lessee or its Sublessees, assignees, concessionaires, permittees or licensees, as directed. Lessee may appeal the determination of Director to the Board, whose decision shall be final and conclusive. Pending such appeal, the prices fixed by Director shall be the maximum charged by Lessee.

16. ARBITRATION.

Except as otherwise provided by this Article 16, disputed matters which may be arbitrated pursuant to this Lease shall be settled by binding arbitration in accordance with the then existing provisions of the California Arbitration Act, which as of the date hereof is contained in Title 9 of Part III of the California Code of Civil Procedure, commencing with Section 1280.

(a) Either party (the "Initiating Party") may initiate the arbitration process by sending written notice ("Request for Arbitration") to the other party (the "Responding Party") requesting initiation of the arbitration process and setting forth a brief description of the dispute or disputes to be resolved and the contention(s) of the Initiating Party. Within ten (10) days after service of the Request for Arbitration, the Responding Party shall file a "Response" setting forth the Responding Party's description of the dispute and the contention(s) of Responding Party. If Responding Party has any "Additional Disputes" he shall follow the format described for the Initiating Party. The Initiating Party will respond within ten (10) days after service of the Additional Disputes setting forth Initiating Party's description of the Additional Disputes and contentions regarding the Additional Disputes.

(b) Notwithstanding anything to the contrary which may now or hereafter be contained in the California Arbitration Act, the parties agree that the following provisions shall apply to any and all arbitration proceedings conducted pursuant to this Lease:

16.1 Selection of Arbitrator. The parties shall attempt to agree upon an arbitrator who shall decide the matter. If, for any reason, the parties are unable to agree upon the arbitrator within ten (10) days of the date the Initiating Party serves a request for arbitration on the Responding Party, then at any time on or after such date either party may petition for the appointment of the arbitrator as provided in California Code of Civil Procedure Section 1281.6.

16.2 Arbitrator. The arbitrator shall be a retired judge of the California Superior Court, Court of Appeal or Supreme Court, or any United States District Court or Court of Appeals located within the State, who has agreed to resolve civil disputes.

16.3 Scope of Arbitration. County and Lessee affirm that the mutual objective of such arbitration is to resolve the dispute as expeditiously as possible. The arbitration process shall not apply or be used to determine issues other than (i) those presented to the arbitrator by the Initiating Party provided those disputes are arbitrable disputes pursuant to this Lease, (ii) Additional Disputes presented to the arbitrator by the Responding Party, provided that any such Additional Disputes constitute arbitrable disputes pursuant to this Lease and (iii) such related preliminary or procedural issues as are necessary to resolve (i) and/or (ii) above. The arbitrator shall render an award. Either party may, at its sole cost and expense, request a statement of decision explaining the arbitrator's reasoning which shall be in such detail as the arbitrator may determine. Unless otherwise expressly agreed by the parties in writing, the award shall be made by the arbitrator no later than the sooner of six (6) months after the date on which the arbitrator is selected by mutual agreement or court order, whichever is applicable, or five (5) months after the date of a denial of a petition to disqualify a potential arbitrator for cause. County and Lessee hereby instruct the arbitrator to take any and all actions deemed reasonably necessary, appropriate or prudent to ensure the issuance of an award within such period. Notwithstanding the foregoing, failure to complete the arbitration process within such period shall not render such arbitration or any determination made therein void or voidable; however, at any time after the expiration of the foregoing five (5) or six (6) month periods, as applicable, either party may deliver written notice to the arbitrator and the other party either terminating the arbitration or declaring such party's intent to terminate the arbitration if the award is not issued within a specified number of days after delivery of such notice. If the arbitrator's award is not issued prior to the expiration of said specified period, the arbitration shall be terminated and the parties shall recommence arbitration proceedings pursuant to this Article 16.

16.4 Immunity. The parties hereto agree that the arbitrator shall have the immunity of a judicial officer from civil liability when acting in the capacity of arbitrator pursuant to this Lease.

16.5 Section 1282.2. The provisions of Code of Civil Procedure § 1282.2 shall apply to the arbitration proceedings except to the extent they are inconsistent with the following:

(1) Unless the parties otherwise agree, the arbitrator shall appoint a time and place for the hearing and shall cause notice thereof to be served as provided in said §

1282.2 not less than ninety (90) days before the hearing, regardless of the aggregate amount in controversy.

(2) No later than sixty (60) days prior to the date set for the hearing (unless, upon a showing of good cause by either party, the arbitrator establishes a different period), in lieu of the exchange and inspection authorized by Code of Civil Procedure § 1282.2(a)(2)(A), (B) and (C), the parties shall simultaneously exchange the following documents by personal delivery to each other and to the arbitrator:

- (a) a written Statement of Position, as further defined below, setting forth in detail that party's final position regarding the matter in dispute and specific numerical proposal for resolution of monetary disputes;
- (b) a list of witnesses each party intends to call at the hearing, designating which witnesses will be called as expert witnesses and a summary of each witness's testimony;
- (c) a list of the documents each intends to introduce at the hearing, together with complete and correct copies of all of such documents; and,
- (d) if the issue involves Fair Market Rental Value or a valuation matter, a list of all Written Appraisal Evidence (as defined below) each intends to introduce at the hearing, together with complete and correct copies of all of such Written Appraisal Evidence.

(3) No later than twenty (20) days prior to the date set for the hearing, each party may file a reply to the other party's Statement of Position ("Reply"). The Reply shall contain the following information:

- (a) a written statement, to be limited to that party's rebuttal to the matters set forth in the other party's Statement of Position;
- (b) a list of witnesses each party intends to call at the hearing to rebut the evidence to be presented by the other party, designating which witnesses will be called as expert witnesses;
- (c) a list of the documents each intends to introduce at the hearing to rebut the evidence to be presented by the other party, together with complete and correct copies of all of such documents (unless, upon a showing of good cause by either party, the arbitrator establishes a different deadline for delivering true and correct copies of such documents);
- (d) if the issue involves Fair Market Rental Value or a valuation matter, a list of all Written Appraisal Evidence, or written critiques of the other party's Written Appraisal Evidence if any, each intends to introduce at the hearing to rebut the evidence presented by the other party, together with complete and correct copies of all of such Written Appraisal Evidence (unless, upon a showing of good cause

by either party, the arbitrator establishes a different deadline for delivering true and correct copies of such Written Appraisal Evidence); and

(e) Witnesses or documents to be used solely for impeachment of a witness need not be identified or produced.

(4) The arbitrator is not bound by the rules of evidence, but may not consider any evidence not presented at the hearing. The arbitrator may exclude evidence for any reason a court may exclude evidence or as provided in this Lease.

16.6 Statements of Position. The Statement of Position to be delivered by Section 16.5 shall comply with the following requirements:

(1) Where the dispute involves rent to be charged, market values, insurance levels or other monetary amounts, the Statements of Position shall numerically set forth the existing minimum rent, percentage rent, market value, insurance level and/or other monetary amounts in dispute, the party's proposed new minimum rent, percentage rent, market value, insurance level and/or other monetary amounts, and shall additionally set forth the facts supporting such party's position.

(2) If the dispute relates to Improvement Costs, the Statements of Position shall set forth the facts supporting such party's position and the amount of each cost which the party believes should be allowed or disallowed.

16.7 Written Appraisal Evidence. Neither party may, at any time during the proceedings, introduce any written report which expresses an opinion regarding Fair Market Rental Value or the fair market value of the Premises, or any portion thereof, ("Written Appraisal Evidence") unless such Written Appraisal Evidence substantially complies with the following standards: it shall describe the Premises; identify the uses permitted thereon; describe or take into consideration the terms, conditions and restrictions of this Lease; correlate the appraisal method(s) applied; discuss the relevant factors and data considered; review rentals paid by lessees in Marina del Rey and other marina locations within Southern California who are authorized to conduct similar activities on comparable leaseholds; and, describe the technique of analysis, limiting conditions and computations that were used in the formulation of the valuation opinion expressed. With respect to disputes regarding Fair Market Rental Value, such Written Appraisal Evidence shall express an opinion regarding the fair market rental value of the Premises as prescribed by Section 4.4.1. Written Appraisal Evidence in connection with disputes arising out of Article 6 of this Lease shall predicate any valuation conclusions contained therein on the Income Approach. Written Appraisal Evidence shall in all other respects be in material conformity and subject to the requirements of the Code of Professional Ethics and the Standards of Professional Practice of The Appraisal Institute or any successor entity.

16.8 Evidence. The provisions of Code of Civil Procedure § 1282.2(a)(2)(E) shall not apply to the arbitration proceeding. The arbitrator shall have no discretion to allow a party to introduce witnesses, documents or Written Appraisal Evidence (other than impeachment testimony) unless such information was previously delivered to the other party in accordance with Section 16.5 and, in the case of Written Appraisal Evidence, substantially complies with the

requirements of Section 16.7, or such evidence consists of a transcript of a deposition of an expert witness conducted pursuant to Section 16.9. Notwithstanding the foregoing, the arbitrator may allow a party to introduce evidence which, in the exercise of reasonable diligence, could not have been delivered to the other party in accordance with Section 16.5, provided such evidence is otherwise permissible hereunder.

16.9 Discovery. The provisions of Code of Civil Procedure § 1283.05 shall not apply to the arbitration proceedings except to the extent incorporated by other sections of the California Arbitration Act which apply to the arbitration proceedings. There shall be no pre-arbitration discovery except as provided in Section 16.5; provided, however, each party shall have the right, no later than seven (7) days prior to the date first set for the hearing, to conduct a deposition, not to exceed three (3) hours in duration unless the arbitrator otherwise determines that good cause exists to justify a longer period, of any person identified by the other party as an expert witness pursuant to Sections 16.5 (2)(b) or 16.5 (3)(b).

16.10 Awards of Arbitrators.

16.10.1 Monetary Issues. With respect to monetary disputes (including without limitation disputes regarding Percentage Rent, Fair Market Rental Value and the amount of coverage under the policies of insurance required pursuant to Article 9 of this Lease), the arbitrator shall have no right to propose a middle ground or any proposed modification of either Statement of Position. The arbitrator shall instead select whichever of the two Statements of Position is the closest to the monetary or numerical amount that the arbitrator determines to be the appropriate determination of the rent, expense, claim, cost, delay, coverage or other matter in dispute and shall render an award consistent with such Statement of Position. For purposes of this Section 16.10, each dispute regarding Annual Minimum Rent, each category of Percentage Rent and the amount of required insurance coverage shall be considered separate disputes (a "Separate Dispute"). While the arbitrator shall have no right to propose a middle ground or any proposed modification of either Statement of Position concerning a Separate Dispute, the arbitrator shall have the right, if the arbitrator so chooses, to choose one party's Statement of Position on one or more of the Separate Disputes, while selecting the other party's Statement of Position on the remaining Separate Disputes. For example, if the parties are unable to agree on the Annual Minimum Rent and three Percentage Rent categories to be renegotiated pursuant to Section 4.4 and the amount of liability insurance coverage to be renegotiated pursuant to Section 9.3, then there shall be five Separate Disputes and the arbitrator shall be permitted to select the County's Statement of Position with respect to none, some or all of such five Separate Disputes and select the Lessee's Statement of Position, on the balance, if any, of such five Separate Disputes. Upon the arbitrator's selection of a Statement of Position, pursuant to this Article 16, the Statement of Position so chosen and the award rendered by the arbitrator thereon shall be final and binding upon the parties, absent Gross Error on the part of the arbitrator.

16.10.2 Nonmonetary Issues. With respect to nonmonetary issues and disputes, the arbitrator shall determine the most appropriate resolution of the issue or dispute, taking into account the Statements of Position submitted by the parties, and shall

render an award accordingly. Such award shall be final and binding upon the parties, absent Gross Error on the part of the arbitrator.

16.11 Powers of Arbitrator. In rendering the award, the arbitrator shall have the power to consult or examine experts or authorities not disclosed by a party pursuant to Section 16.5(2) hereof, provided that each party is afforded the right to cross-examine such expert or rebut such authority.

16.12 Costs of Arbitration. Lessee and County shall equally share the expenses and fees of the arbitrator, together with other expenses of arbitration incurred or approved by the arbitrator. Failure of either party to pay its share of expenses and fees constitutes a material breach of such party's obligations hereunder.

16.13 Amendment to Implement Judgment. Within seven (7) days after the issuance of any award by the arbitrator becomes final, the County will draft a proposed amendment to the Lease setting forth the relevant terms of such award. Within seven (7) days after delivery of a copy of the amendment to Lessee, Lessee will sign the amendment and return the executed copy to the County, which shall thereafter be executed by County as soon as reasonably practicable.

16.14 Impact of Gross Error Allegations. Where either party has charged the arbitrator with Gross Error:

16.14.1 The award shall not be implemented if the party alleging Gross Error obtains a judgment of a court of competent jurisdiction stating that the arbitrator was guilty of Gross Error and vacating the arbitration award ("Disqualification Judgment"). In the event of a Disqualification Judgment, the arbitration process shall begin over immediately in accordance with this Section 16.14, which arbitration shall be conducted (with a different arbitrator) as expeditiously as reasonably possible.

16.14.2 The party alleging Gross Error shall have the burden of proof.

16.14.3 For the purposes of this Section 16.14, the term "Gross Error" shall mean that the arbitration award is subject to vacation pursuant to California Code of Civil Procedure § 1286.2 or any successor provision.

17. DEFINITION OF TERMS; INTERPRETATION.

17.1 Meanings of Words Not Specifically Defined. Words and phrases contained herein shall be construed according to the context and the approved usage of the English language, but technical words and phrases, and such others as have acquired a peculiar and appropriate meaning by law, or are defined in Section 1.1, are to be construed according to such technical, peculiar, and appropriate meaning or definition.

17.2 Tense; Gender; Number; Person. Words used in this Lease in the present tense include the future as well as the present; words used in the masculine gender include the feminine and neuter and the neuter includes the masculine and feminine; the singular number includes the plural and the plural the singular; the word "person" includes a corporation, partnership, limited liability company or similar entity, as well as a natural person.

17.3 Business Days. For the purposes of this Lease, "business day" shall mean a business day as set forth in Section 9 of the California Civil Code, and shall include "Optional Bank Holidays" as defined in Section 7.1 of the California Civil Code.

17.4 Parties Represented by Consultants, Counsel. Both County and Lessee have entered this Lease following advice from independent financial consultants and legal counsel of their own choosing. This document is the result of combined efforts of both parties and their consultants and attorneys. Thus, any rule of law or construction which provides that ambiguity in a term or provision shall be construed against the draftsman shall not apply to this Lease.

17.5 Governing Law. This Lease shall be governed by and interpreted in accordance with the laws of the State of California.

17.6 Reasonableness Standard. Except where a different standard is specifically provided otherwise herein, whenever the consent of County or Lessee is required under this Lease, such consent shall not be unreasonably withheld and whenever this Lease grants County or Lessee the right to take action, exercise discretion, establish rules and regulations or make allocations or other determinations, County and Lessee shall act reasonably and in good faith. These provisions shall only apply to County acting in its proprietary capacity.

17.7 Compliance with Code. County and Lessee agree and acknowledge that this Lease satisfies the requirements of Section 25536 of the California Government Code as a result of various provisions contained herein.

17.8 Memorandum of Lease. The parties hereto shall execute and acknowledge a Memorandum of Lease Extension, in recordable form and otherwise satisfactory to the parties hereto, for recording as soon as is practicable on or following the Effective Date.

17.9 Guest/Water Taxi Docking Slip. Lessee shall make available one (1) docking slip to be reserved for transient boat purposes (the "Transient Slip"). Until such time as otherwise designated by the County, the Transient Slip shall be rented on an hourly or daily basis for guest boat docking purposes. During any future period that a water taxi program is in operation in the Marina, County shall have the right to require that the Transient Slip be made available for water taxi docking purposes. The Transient Slip shall be located at an end-tie location reasonably acceptable to County. Lessee shall make the Transient Slip available for the uses described in this Section 17.9 commencing not later than the completion by Lessee of that portion of the Anchorage Facilities replacement work described in subsection 5.2.4.2 that corresponds to the location of the Transient Slip. The operation of the Transient Slip shall be subject to such security procedures and insurance requirements as are reasonably acceptable to Lessee and County and consistent with those applicable to the operation of the Anchorage Facilities from time to time.

17.10 Tahiti Way Easement. County hereby grants Lessee and its permitted sublessees, successors and assigns under this Lease, a non-exclusive easement for access and roadway purposes in and over the private street commonly known as Tahiti Way ("Tahiti Way") and depicted on Los Angeles County Assessor's Map No. 88, filed in Book 1, Pages 53-70 inclusive, of assessor's maps in the office of the recorder of said county (the "Tahiti Way Easement"). The

Tahiti Way Easement shall be appurtenant to, and co-terminus with, the leasehold interest in the Premises under this Lease. Lessee's rights of access on and over Tahiti Way shall be in common with the access rights of County and any other persons or entities to which County grants access rights from time to time. Lessee shall have no right to install, construct, alter or modify any improvement in Tahiti Way, nor to use the Tahiti Way Easement in any manner that interferes with the use of Tahiti Way by any other person or entity. County reserves all rights in and to Tahiti Way that do not unreasonably interfere with access to and from the Premises, including without limitation, the right to use Tahiti Way for utility and other purposes, the right to re-name Tahiti Way, the right to have Tahiti Way used for public street purposes, the right to grant easements and other rights with respect to Tahiti Way to other persons or entities, and the right to maintain, repair, replace, alter and modify Tahiti Way and the improvements located therein. Lessee acknowledges that from time to time there may be temporary inconveniences associated with any maintenance, repair, replacement or alteration work affecting Tahiti Way and Lessee agrees to cooperate with any such work. County shall perform any alteration or modification work affecting Tahiti Way in a manner that affords Lessee with alternative access to and from the Premises during such work.

IN WITNESS WHEREOF, County has, by order of its Board of Supervisors, caused this Lease to be subscribed by the Chairman of said Board and attested by the Clerk thereof, and Lessee has executed the same the day and year first hereinabove written.

ASSIGNMENT STANDARDS

These standards are to apply to Proposed Transfers of Lessee's interest in this Lease and/or the Premises and to any Major Sublease. These standards and conditions are not to apply to (a) an assignment for the purpose of securing leasehold financing of the parcel by an encumbrance holder approved by County, (b) the transfer of the leasehold in connection with a foreclosure or transfer in lieu of foreclosure by an approved lender, or (c) the first transfer by that encumbrance holder if it has acquired the leasehold through a foreclosure or a transfer in lieu of foreclosure.

1. The proposed transferee must have a net worth determined to be sufficient in relation to the financial obligations of the lessee under the Lease (equal to at least ten (10) times the total Annual Minimum Rent and Percentage Rent due to County for the most recent fiscal). A letter of credit, cash deposit, guarantee from a parent entity or participating individual(s) having sufficient net worth or similar security satisfactory to the County may be substituted for the net worth requirement. If the proposed transferee's net worth is materially less than the transferor's, County may disapprove the assignment or require additional security such as that described in the previous sentence.

2. The proposed assignee must have significant experience in the construction (if contemplated), operation and management of the type(s) of Improvements existing on or to be constructed on the Premises, or provide evidence of contractual arrangements for these services with providers of such services satisfactory to the County. Changes in the providers of such services and changes to the contractual arrangements must be approved by the County. All approvals of the County will not be unreasonably withheld or delayed.

3. The individual or individuals who will acquire Lessee's interest in this Lease or the Premises, or own entity which will so acquire Lessee's interest, irrespective of the tier at which individual ownership is held, must be of good character and reputation and, in any event, shall have neither a history of, nor a reputation for: (1) discriminatory employment practices which violate any federal, state or local law; or (2) non-compliance with environmental laws, or any other legal requirements or formally adopted ordinances or policies of the County.

4. The price to be paid for the Proposed Transfer shall not result in a financing obligation of the proposed transferee which jeopardizes its ability to meet rental obligations to the County. Market debt service coverage ratios and leasehold financial performance, at the time of the Proposed Transfer, will be used by County in making this analysis.

5. If the proposed transferee is an entity, rather than an individual, the structure of the proposed transferee must be such that (or the assignee must agree that) the County will have reasonable approval rights regarding any future direct or indirect transfers of interests in the entity or the applicable lease; provided however, that a transfer of ownership of a publicly held parent corporation of Lessee that is not done primarily as a transfer of this leasehold will not be subject to County approval.

6. The terms of the proposed assignment will not detrimentally affect the efficient operation or management of the leasehold, the Premises or any Improvements thereon.

7. The proposed transferee does not have interests which, when aggregated with all other interests granted by County to such transferee, would violate any policy formally adopted by County restricting the economic concentration of interests granted in the Marina del Rey area, which is uniformly applicable to all Marina del Rey lessees.

8. The transfer otherwise complies with the terms of all ordinances, policies and/or other statements of objectives which are formally adopted by County and/or the County Department of Beaches and Harbors and which are uniformly applicable to persons or entities with rights of occupancy in any portion of Marina del Rey.

AGREEMENT REGARDING ENCUMBRANCE OF LEASEHOLD ESTATE

THIS AGREEMENT REGARDING ENCUMBRANCE OF LEASEHOLD ESTATE (this "**Agreement**"), dated as of July __, 2003, is made by and among the COUNTY OF LOS ANGELES ("**County**"), MARINA PACIFIC ASSOCIATES, a California limited partnership ("**Lessee**"), LASALLE BANK NATIONAL ASSOCIATION, as Trustee for Asset Securitization Corporation Commercial Mortgage Pass-Through Certificates, Series 1997-D4 ("**LaSalle**"), and GENERAL ELECTRIC CAPITAL CORPORATION, a Delaware corporation ("**GECC**"). LaSalle and GECC are sometimes herein individually referred to as "**Lender**" or collectively as the "**Lenders**".

This Agreement is made with reference to the following facts:

A. County is the current holder of the lessor's interest and Lessee is the current holder of the lessee's interest under that certain ground lease described in Exhibit "A" attached hereto (the "**Lease**"). The Lease covers the real property (the "**Property**") described in Exhibit "B" attached hereto and made a part hereof.

B. LaSalle is the current holder of a loan in the original principal amount of \$51,000,000 (the "**LaSalle Loan**"), originally made by Nomura Asset Capital Corporation to Lessee, pursuant to that certain Loan Agreement dated as of September 25, 1996, as modified by that certain unrecorded Amendment, Confirmation and Acknowledgment Agreement of substantially even date herewith (collectively, the "**LaSalle Loan Agreement**") between Nomura Asset Capital Corporation, as lender, and Lessee, as borrower. The LaSalle Loan is secured by Lessee's leasehold interest under the Lease pursuant to that certain Leasehold Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing dated as of September 25, 1996, and recorded on September 27, 1996 as Instrument No. 96-1594878 in the Official Records of Los Angeles County, California (the "**Official Records**"), as modified by that certain First Amendment to Leasehold Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing recorded substantially concurrently herewith (collectively, the "**LaSalle Deed of Trust**"). The LaSalle Loan Agreement, the LaSalle Deed of Trust, and all other documents evidencing or securing the LaSalle Loan, together with all present and future amendments, modifications, restatements, substitutions and extensions thereto and thereof, are referred to herein as the "**LaSalle Loan Documents**".

C. GECC is making a loan to Lessee substantially concurrently herewith in the original principal amount of \$38,000,000 (the "GECC Loan"), pursuant to that certain Loan Agreement dated as of July __, 2003 (the "GECC Loan Agreement") between GECC, as lender, and Lessee, as borrower. The GECC Loan is secured by (i) Lessee's leasehold interest under the Lease pursuant to that certain Construction Deed of Trust, Security Agreement and Fixture Filing dated as of July __, 2003 (the "GECC Deed of Trust") and that certain Assignment of Rents and Leases dated as of July __, 2003 (the "GECC Assignment"), each to be recorded in the Official Records substantially concurrently with this Agreement, and (ii) 100% of the membership interests in Lessee (the "Ownership Interests") pursuant to that certain Pledge and Security Agreement dated as of July __, 2003 (the "GECC Pledge Agreement"). The GECC Loan Agreement, the GECC Deed of Trust, the GECC Assignment, the GECC Pledge Agreement and all other documents evidencing or securing the GECC Loan, together with all present and future amendments, modifications, restatements, substitutions and extensions thereto and thereof, are referred to herein as the "GECC Loan Documents". The LaSalle Loan and the GECC Loan are collectively referred to as the "Loans".

D. GECC and LaSalle are entering into an Intercreditor Agreement dated as of ____, 2003, which, among other things, (i) confirms that the GECC Loan Documents are junior in priority to the LaSalle Loan Documents, and (ii) sets forth certain agreements between GECC and LaSalle relating to the GECC Loan and the LaSalle Loan and the enforcement of remedies with respect thereto (such Intercreditor Agreement, together with all present and future amendments, modifications, restatements, substitutions and extensions thereto and thereof, is referred to herein as the "Intercreditor Agreement")

E. This Agreement is a condition to GECC's making the GECC Loan and a condition to LaSalle's consenting to the GECC Loan and modifying the LaSalle Loan Documents, all on the terms and conditions set forth herein.

F. All capitalized terms used, but not defined, in this Agreement shall have the same definitions that are given to such terms in the Lease.

NOW, THEREFORE, in consideration of the covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Consent to Encumbrance of Leasehold Estate and Ownership Interests.

County hereby consents to (a) the encumbrance of the leasehold estate and all other present and future rights of Lessee in, to and under the Lease and the Property, including all present and future subleases thereunder, in favor of (i) LaSalle pursuant to the LaSalle Loan Documents (including the LaSalle Deed of Trust) and (ii) GECC pursuant to the GECC Loan Documents (including the GECC Deed of Trust), (b) the encumbrance of the Ownership Interests and all rights and privileges appurtenant thereto in favor of GECC pursuant to the GECC Loan Documents (including the GECC Pledge Agreement), and (c) the Intercreditor Agreement.

2. Estoppel. County and Lessee, each for itself only (a "representing party"), hereby certify to Lenders that: (a) Exhibit "A" attached hereto accurately identifies the Lease and any and all supplements and amendments thereto, and a true and complete copy thereof has been delivered to Lenders; (b) the Lease is genuine, valid and enforceable in accordance with its terms, is in full force and effect as of the date hereof, and has not been supplemented, modified

or amended (except as may be identified in Exhibit "A"); (c) the representing party has neither given nor received notice of the occurrence of a default under the Lease that has not been cured or waived, and to the best knowledge of the representing party, there are no defaults, breaches, defenses, claims or offsets thereunder or to the enforcement thereof; (d) rent owing under the Lease which is due as of the date of the execution hereof has been paid in full (subject to any County audit rights under the Lease); (e) the term of the Lease expires on March 31, 2062, and there are no options to extend the term; (f) there are no agreements between County and Lessee affecting the Property other than the Lease; (g) all buildings and other improvements required to have been constructed under the Lease prior to the date hereof have been fully completed in accordance with the terms thereof (other than Lessee's obligation to construct "Redevelopment Work" and "Apartment Renovation Work", as such quoted terms are defined in the Lease) and Lessee's obligations under Sections 5.2.4 and 5.2.5; (h) County currently holds Lessee's security deposit in the amount of [\$_____]; and (i) County is the current owner of the fee interest in the Property, and County's fee interest in the Property is not currently subject to any deed of trust, mortgage, or other similar monetary lien (other than for real property taxes and assessments);

3. Assignment to Lenders of all Sums Owing to Lessee Under Lease. Lessee has assigned to Lenders (subject to the terms of the Intercreditor Agreement as between the Lenders), as security for the Loan, Lessee's right to receive all sums (including any return of any security deposit or other reimbursable deposits made by Lessee or any insurance or condemnation payments) now or hereafter owing to Lessee under or with respect to the Lease or Lessee's leasehold rights thereunder. Lessee hereby irrevocably authorizes and directs County to pay all such sums directly to Lenders (subject to the terms of the Intercreditor Agreement as between the Lenders).

4. Mortgagee Rights Under Lease. County agrees that (i) LaSalle is an "Encumbrance Holder" as defined in Section 12.1.1 of the Lease with respect to Lessee's entire leasehold interest under the Lease, and is an "Institutional Lender" as defined in Section 12.3.1 of the Lease, and is entitled to all of the rights and privileges provided to Encumbrance Holders and Institutional Lenders in Article 12 and any other applicable provisions of the Lease, and (ii) GECC is an "Encumbrance Holder" as defined in Section 12.1.1 of the Lease with respect to Lessee's entire leasehold interest under the Lease, and is an "Equity Encumbrance Holder" as defined in Section 12.1.1 of the Lease with respect to all of the Ownership Interests in Lessee, and is an "Institutional Lender" as defined in Section 12.3.1 of the Lease, and is entitled to all of the rights and privileges provided to Encumbrance Holders, Equity Encumbrance Holders and Institutional Lenders in Article 12 and any other applicable provisions of the Lease.

5. No Subordination of Leasehold Interest. Unless each Lender otherwise consents in writing in its sole discretion, Lessee's leasehold interest shall not be subordinate to any mortgage or deed of trust hereafter imposed on the fee interest in the Property; and all potential future mortgagees encumbering the fee interest or other lienholders are hereby put on notice that any such fee mortgage or other lien shall be subject and subordinate to the Lease, as modified by this Agreement, and to the rights of each Lender hereunder and under the documents referenced herein.

6. Waiver re Bankruptcy Right of Termination. The parties hereto acknowledge that it has been a material consideration to the Lenders that the Lease not terminate unless and until such a termination is permitted by the express terms of the Lease and this Agreement.

Unless each Lender otherwise consents in writing in its sole discretion, Lessee hereby waives, and agrees not to assert or otherwise take the benefit of, any right it may otherwise have to cause a termination of this Lease by rejection or for any other reason under the United States Bankruptcy Code (11 U.S.C. § 101 et. seq.) or other applicable bankruptcy law. In the event that, notwithstanding such waiver, this Lease is terminated by rejection, then the provisions of Section 7 below shall apply. In the event this Lease is rejected in a bankruptcy of County, the Lenders' liens and rights under their respective Loan Documents and this Agreement shall continue with respect to any and all continuing rights of Lessee in or to the Property under United States Bankruptcy Code Section 365(h), any successor provision thereto, or any similar or other provision of the United States Bankruptcy Code or any other statute or law or otherwise.

7. New Lease. The following provisions in this Section 7 supersede and replace (as between the parties to this Agreement only) the provisions of Section 12.7 of the Lease.

(a) The provisions of this Section 7 shall become applicable in the event that the Lease is terminated by reasons of bankruptcy, assignment for the benefit of creditors, insolvency or any similar proceedings, operation of law, an Excluded Default or other event beyond the reasonable ability of an Encumbrance Holder to cure or remedy, or if the Lease otherwise terminates for any reason (herein referred to as a "Lease Termination"). County shall notify GECC and LaSalle in writing in accordance with Section 9 below within thirty (30) days following the occurrence of any Lease Termination (the "Termination Notice").

(b) If a Lease Termination with respect to the Lease occurs at any time that the GECC Loan is outstanding (whether or not the LaSalle Loan is then outstanding), the Lease shall automatically be reinstated as a new lease (the "New Lease"), effective as of the date of termination of the Lease, directly between the County and GECC (or any affiliate designated by GECC by written notice to County given within sixty (60) days after GECC receives the Termination Notice), for the then remaining Term of the Lease on the same terms and conditions as shall then be contained in the Lease and this Agreement; provided that, within sixty (60) days after GECC receipt of the Termination Notice, GECC cures all then existing monetary defaults under the Lease and commences to cure any then existing non-monetary Events of Default and thereafter diligently pursues such cure until completed. In no event, however, shall GECC (or its designated affiliate) be obligated to cure any Excluded Defaults. In such event, GECC (or its designated affiliate) and the County shall each promptly execute any further documents reasonably requested by the other to confirm such New Lease (although no such confirmation or new documents shall be necessary for the effectiveness of the New Lease). From and after the effective date of the New Lease, GECC (or its designated affiliate) (i) shall have the same rights with respect to a single subsequent transfer that are provided in subsection 12.2.3 of the Lease (with any subsequent transfer or assignment of the New Lease continuing to be subject to all of the requirements of Article 11 of the New Lease), and (ii) shall enjoy all of the other rights and protections that are provided to a Foreclosure Transferee in Article 12 or any other applicable provision of the Lease. At any time that the LaSalle Loan remains outstanding, as between County and LaSalle all of the provisions of this Agreement shall continue to apply to the New Lease (and for such purpose, all references herein to the Lease shall be deemed to refer to the New Lease), except to the extent of any change of facts or circumstances. It is the parties' intent and agreement that the New Lease provided for in this Section 7 shall

automatically arise and become binding upon the parties hereto upon a Lease Termination on the terms provided herein without the necessity of any further act or election on the part of any party, and shall not be deemed an executory obligation of any party for purposes of bankruptcy or otherwise.

(c) If GECC (or its designated affiliate) becomes the lessee under a New Lease as provided in subsection 7(b) above, at a time that the LaSalle Loan is outstanding, then GECC (or its designated affiliate) shall automatically be deemed (i) to have assumed the obligations of Lessee under the LaSalle Loan Documents, as then amended to the extent permitted under the terms of the Intercreditor Agreement (but in any event such assumption shall be on a non-recourse basis as currently provided in the LaSalle Loan Documents and shall exclude any and all third party guarantees and indemnities now or hereafter existing), and (ii) to have encumbered GECC's (or its designated affiliate's) leasehold interest in the New Lease as security for the LaSalle Loan pursuant to the terms of the LaSalle Loan Documents. In such event, GECC (or its designated affiliate) and LaSalle shall each promptly execute any further documents reasonably requested by the other to confirm such assumption of the LaSalle Loan and encumbrance of the New Lease (although no such confirmation or new documents shall be necessary for the effectiveness of such assumption and encumbrance). Further, LaSalle shall be deemed to be an Encumbrance Holder of the New Lease, and shall be afforded the same rights and shall have the same obligations with respect to the New Lease that are applicable to GECC with respect to the Lease under subsection 7(b) above.

(d) If a Lease Termination with respect to the Lease occurs at any time that the LaSalle Loan is outstanding and the GECC Loan is no longer outstanding, or if GECC does not comply with the requirements of Subsection 7(b) above in a timely manner, then LaSalle shall be afforded the same rights and shall have the same obligations with respect to the Lease that are applicable to GECC under subsection 7(b) above.

(e) The New Lease arising pursuant to this Section 7 shall be prior to any mortgage, deed of trust or other lien, charge or encumbrance on County's fee interest in the Property, and any holder of any such future mortgage, deed of trust or other lien, charge or encumbrance on the fee interest in the Property is hereby given notice of the provisions hereof. The foregoing sentence does not apply, however, to easements or other non-monetary encumbrances granted by the County on its fee interest (i) to which the Lease was subject and which were permitted under the terms of the Lease, (ii) which do not interfere in any material respect with Lessee's use of the Property in accordance with the terms of the Lease, or (iii) which are approved by the Lenders.

(f) Further, in the event that a Reversion occurs (as described in Section 12.12 of the Lease), the Reversion shall be subject to the provisions of this Section 7 (and in such event the Reversion shall be deemed a "termination" of the Lease solely for purposes of this Section 7 and the "New Lease" to be entered into pursuant to this Section 7 shall mean a New Lease on the same terms as the Lease, not the Existing Lease).

8. No Other Encumbrance Holders Without Lenders' Consent. So long as either the GECC Loan or the LaSalle Loan are outstanding, Lessee shall not create any Encumbrance

(other than the Encumbrances in favor of GECC and LaSalle as described herein), without the prior written approval of both Lenders in their sole discretion. If an Encumbrance Holder acquires any Encumbrance without both Lenders' approval as required above (other than the Encumbrances in favor of GECC and LaSalle as described herein), such Encumbrance Holder shall not have any rights whatsoever under this Agreement or as an Encumbrance Holder under the Lease (including under Section 7 of this Agreement and Section 12.7 of the Lease).

10. Execution of Same Agreement With Subsequent Lender. In the event that a lender (which may be, but need not be, one of the Lenders hereunder) agrees to (a) provide Lessee with a loan to repay the GECC Loan or the LaSalle Loan, or (b) finance all or part of the purchase of Lessee's interest in the Lease (whether such leasehold interest is being sold by Lessee or is sold by a Lender or its nominee following a foreclosure under its Encumbrance), and further provided that all necessary approvals and consents to such loan have been obtained (including the approval of County under 12.1.2 of the Lease and the approval of the Lenders as required under their respective loan documents), then, if requested by such subsequent lender, the parties hereto agree to cooperate with each other in a commercially reasonable manner to enter into an agreement with such subsequent lender substantially similar to this Agreement, taking into account differences in deal structure or other changed facts or circumstances.

11. Estoppel Statements. Each Lender shall have the right to directly request from County and/or Lessee from time to time estoppel certificates pursuant to Section 15.17 of the Lease.

12. Miscellaneous. The parties hereto acknowledge that this Agreement is a material inducement to each Lender to make and/or modify the loans to Lessee that are described herein, and that Lenders would not be willing to make and/or modify such loans to Lessee in the absence hereof. This Agreement shall inure to the benefit of and be binding upon the successors and assigns of County, Lessee, and each Lender, including all successor lessors and lessees under the Lease, all successor holders of the GECC Loan and the LaSalle Loan and any affiliate of any Lender designated to take title to the leasehold estate under the Lease or the Ownership Interests in Lessee pursuant to a foreclosure, deed in lieu of foreclosure or other exercise of remedies under the GECC Loan Documents or the LaSalle Loan Documents. All rights of each Lender hereunder may be assigned by such Lender and shall inure to the benefit of such Lender's successors and assigns (and, in such event, the assigning Lender or its assignee shall give notice of such assignment to the other parties hereto within a reasonable period of time). This Agreement may not be supplemented, modified, amended or terminated without the prior written consent of all parties hereto. In the event of a conflict between the Lease and this Agreement, the provisions of this Agreement shall control. As used herein, "including" means "including, but not limited to," and "include(s)" means "include(s), without limitation." Notice of acceptance hereof by any party hereto is hereby waived. This Agreement may be executed and recorded in counterparts. This Agreement shall be governed by the laws of the State of California.

13. Representation on Authority of Parties/Signatories. Each party to this Agreement (the "representing party") represents and warrants to each other party to this Agreement that the execution and delivery of this Agreement and the performance of the representing party's obligations under this Agreement have been duly authorized and that this Agreement is a valid and legal agreement binding on the representing party and enforceable in accordance with its terms.

14. Continued Effectiveness. Each Lender's rights under this Agreement, and County's obligations and duties to each such Lender under this Agreement, shall continue in effect only until such Lender's Loan is paid and discharged in full (and provided that no foreclosure or deed-in-lieu of foreclosure shall have occurred with respect to such Loan).

15. Lender's Consent. Each Lender consents to the amendment and restatement of the Existing Lease in accordance with the terms of the Lease.

16. Conflict. The Lease shall be determinative of the rights and obligations of and between County and Lessee (and any sublessee or successor to Lessee, other than Lenders as provided in the next sentence). The Lease and this Agreement shall be determinative of the rights and obligations of County, as lessor under the Lease, and Lenders, with respect to the LaSalle Loan and the GECC Loan (including in their capacities as successors to Lessee under the Lease). Notwithstanding any contrary provision of the LaSalle Loan Documents or the GECC Loan Documents, in consenting to the LaSalle Loan and the GECC Loan, County does not change, modify, waive or subordinate any of its rights under the Lease in favor of Lenders, except as expressly set forth in the Lease or this Agreement
